# MILLINGTON HIGH NEWS

By Betty Everett

Here we are back at the old grind again. Oh! but we have advanced a grade higher.

This year we have been introduced to a new course, Consumer Education, which has replaced Junior Business Training in our course of study.

Several new students, never before enrolled in our school, have entered Millington High School. They are as follows: Shirlee Caillavet, a Junior; Arthur Caillavet, a Sophomore; Clifton Dixon, Herman Smith, Francis Caillavet, Eugene Scofield and Lloyd Jones, Freshmen.

Two weeks ago, the ladies of the Parent Teacher's Association canned six cases of mixed vegetables for the winter hot lunch program. They will taste good when the weather gets cold.

Two weeks ago a photographer visited us and took individual pictures of the students. We are expecting them in about a month. We can hardly wait.

We are glad to have Mrs. Joiner back with us. She had been granted a leave of absence during the month of September to recover from illness. Mrs. Margaret Margrey of nearby Queen Anne's County substituted for her.

Last Thursday our principal, Mr. Rasin, attended a meeting of the high school principals and guidance counselors of Kent, Queen Anne's and Talbot Counties at the Centreville High School.

We are glad that Mrs. Frances Lewis of the Elementary School is recovering from her recent illness and hope that she will soon be able to return to school.

## "MY DOG"

The following poem was taken The Gilcrafter:

When times were hard and I was broke,
And old chums passed me by,
You just gazed up with sympathy
A-shinin' in your eye.

You never seemed to blame me, pal,
Because I had no dough,
Instead you kissed my empty hands,
You somehow seemed to know.

When the icy winds of winter sent
Their shivers down my spine,
You stood by me and shivered too,
You dear old pal of mine.

You shared with me my every woe,
Your love was put to test,
No heart beat half as true as yours
Within the human breast.

The sands of time have sifted down,
Dame fortune smiles once more,
The beaten track of old-time friends,
Again leads to my door.

From all the crowd I chose but one,
A loyal friend and true,
Who stood by me in calm and storm,
Old Pal, that friend is you.

—By Mrs. K. P. Jones

**Refresh Self**

At some time during the day or evening, anyone who has the responsibility of caring for a sick person should get out for exercise and recreation. Take time for personal grooming, always keep clean and neat, in person and in habit. The use of a coverall apron in the sick-room will be convenient for quick change in between the roles.

# O'CONOR MAKES 5 BROADCASTS IN SEVEN DAYS

Annapolis, October 10—With three radio addresses broadcast on Sunday and Monday past, and others scheduled for Friday and Saturday of this week, Governor Herbert R. O'Conor is in the midst of one of the busiest weeks "on the air" in sometime.

Beginning with a broadcast over Station WFBR Sunday at 1:15 to open Fire Prevention Week in Maryland, the Chief Executive later that afternoon spoke over WBAL for the Business and Professional Women's Clubs, to usher in their annual week's program. Monday, over WCAO, he delivered a second talk for the Women's group.

On Columbus Day, Friday 12th, he will make the annual broadcast for the Daughters of the American Revolution, over Station WCAO, from 6.00 to 6.15. The concluding address will be on Saturday, at 7:00 P. M. over Station WBAL, when he will explain to the motorists of the State the provisions of he Motor Vehicle Financial Responsibility Act.

**Add Lime**

Few vegetables produce well on acid or sour soils. If garden has not had an application of lime during last three years, make one—for most conditions, 40 pounds per 1,000 square feet of area is sufficient lime.

**Checks Erosion**

The kudzu vine, known in the South as a porch vine, has become one of man's greatest allies in the battle against erosion. The vine, because of its rapid growth and habit of taking root every few feet at the nodes, almost pins the top soil down. It is not at all unusual for a kudzu to send out runners 60 and 75 feet in length in a given season, and in a short time a mat is spread over any barren surface on which it is planted.

Earl W. Scott
vs.
Hilda B. Scott
IN THE CIRCUIT COURT FOR KENT COUNTY
In Equity No. 3472

The object of the Bill filed in the above entitled case is to procure a Decree for divorce a vinculo matrimonii for the Plantiff, a resident of Kent County, Maryland, from the Defendant, a non-resident of the State of Maryland.

The Bill states:

1. That on the 2nd day of February, 1935 your Orator was married to the above Respondent, Hilda B. Scott, at Juarez, State of Chihuahua, Mexico, by Justo G. Valaises, Judge of the Civil Registery, as per Complainant's Exhibit No. 1 filed herewith and by reference thereto prayed to be made a part hereof.

2. That following their marriage, your Orator and the said Respondent, Hilda B. Scott, lived together as husband and wife in the City of Seattle, State of Washington, until 1939 when they moved to Kent County, Maryland, where they have continuously resided from that time up to the time of the filing of this Bill, although for the past 13 months they temporarily resided in Wilmington, State of Delaware, as your Orator was employed in or near that city, but ever since 1939 your Orator has been and now is a resident of Kent County, State of Maryland.

3. That although the conduct of your Orator towards the said Respondent, Hilda B. Scott, was and always has been kind, affectionate and above reproach, the said Hilda B. Scott, did, on various occasionss and at various places, during the years of 1943, 1944 and 1945, commit the crime of adultery with various men.

4. That although your Orator has cohabited with the said Respondent, Hilda B. Scott, since he discovered the acts of adultery on her part committed, the said Respondent, Hilda B. Scott, has since his condonation of the acts of adultery committed by her, deserted and abandoned your Orator in that for the past nine months she has refused to cohabit with him; and she, the said Hilda B. Scott, has declared her intention that the marriage relation shall no longer exist and that such abandonment by her has been continuous since approximately December of 1944 and that such abandonment is without any fault on the part of your Orator.

5. That your Orator and the said Respondent, Hilda B. Scott, have had born unto them one child, Janice M. Scott, who was born the 2nd day of December, 1938.

6. That the said Hilda B. Scott now resides at 1227 Market Street, Wilmington, Delaware.

It is thereupon, this 13th day of September, 1945, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 13th day of October next, give notice to the said Hilda B. Scott, non-resident defendant, warning her to appear in this Court in person, or by Solicitor, on or before **the 29th day of** October next, to show cause, if any she has, why a Decree ought not to be passed as prayed.
