P.T.-A. TO PUBLISH NEWS ON ALL KENT ACTIVITIES

In order that all parents and teachers of Kent County school children may be kept informed of the activities of the various Parent-Teachers' Associations, a regular news column of P.T.A. notes will be published in this paper. The Kent County Council of Parents and Teachers in a recent meeting, decided to sponsor this news column. Each local P.T.A. secretary will report the activities of their Association each month.

Rock Hall High School P.T.A.

The Rock Hall High School P.T.A. met in the high school Tuesday, September 25, at 8 P. M. The following officers were elected for the ensuing year: Mrs. William Coxon, President; Mrs. Matthew Retzker, Vice-President; Mrs. Emory Hogan, Secretary; Mrs. Walter Hadaway, Jr., Treasurer.

A "three-point" program for the year was discussed. First project: The establishing of a school cafeteria. In view of the curtailing of the lunch period this was thought more advisable. A committee was appointed to take care of the details of opening the cafeteria.

Second project: Sponsoring of a Recreation Program at the high school. A committee was appointed to secure the necessary data required to carry out such a program and to report its findings at the next meeting.

Third project: Improving school conditions where necessary. This project is to be discussed at a later meeting.

Mrs. Elizabeth Edwards, Reporter

Rock Hall Elementary School P.T.A.

Rock Hall Elementary P.T.A. held it's first meeting of this year at the school building on Wednesday, September 12, at 3:30 P. M. Much surprise and disappointment was expressed by the Patrons at the fact that the promised painting had not been done. This was the main point discussed at the meeting.

A committee was appointed to try to find out why this promised improvement had not been carried out during the summer months.

The Rock Hall Elementary P.T.A. invites any interested parent who has a child attending this school to come out and see the inside of the building in which their children must spend six hours each school day.

County Wide P.T.A. Meeting

The Kent County Council has scheduled four county wide meetings for parents and teachers during this school year, the first of which will be held at the Chestertown Elementary School Auditorium on Tuesday night, October 16, at 7:30 o'clock. A program for the coming months will be discussed as well as any other topics of interest suggested by the group present. It is the desire of the Council to make this meeting a discussion meeting in order that a mutual understanding of current school problems might be had. It is very important that parents take an active part in the discussion.

GOV. PAYS STATES TRIBUTE AT NAVAL ACADEMY

Annapolis, October 10—Speaking for the people of Maryland, Governor Herbert R. O'Conor on Wednesday presented to the United States Naval Academy an illuminated scroll, attesting to the pride of the people in the work of the Academy, and congratulating "the Superintendent, the Faculty, the Alumni and the Regiment of Midshipmen" on the completion of a century of service to the Nation.

Part of the Official Program of the Centennial of the founding of the Academy, the State's presentation was made before a distinguished gathering of high Federal, Naval and State officials, including the members of the United States Naval Academy Centennial Commission, of which Governor O'Conor was a member.

In his address, Governor O'Conor recalled with pride and satisfaction the splendid relationship always existing between the State and the Academy, and paid tribute to the accomplishments for the Nations of the many worldl-renowned naval leaders of the past and present who trained at Annapolis.

4-H CLUB HELD RALLY & PARTY LAST FRIDAY

About 125 4-H members and their friends attended the 4-H Achievement Rally held at the Firehall, Friday, October 5. The rally was sponsored by the Senior 4-H Council with Martha Lumpkin as master of ceremonies.

The rally was opened at 7:30 with recreation. Ice-breakers and circle games were played until 8:15. The actual program then began with a team demonstration. This demonstration was given by the county wnners of the Kraft Cheese Demonstration Contest—Clara Virginia and Betty Jarvis. Their subject was Bread Pudding. Dr. F. G. Livingood gave a short talk on Achievement and its benefits for the individual as well as the Community or county. This was followed by the awards of Exhibit day prizes by Miss Schellinger and Mr. Sutton. The clubs came forward in a body with the Local Leader to receive their awards.

Mention was made of 4-H Day to be held at College Park, Saturday, October 27. Kent County's part in this will be a demonstration on recreation. A square dance set will be selected to perform Red River Valley. This set will perform on the platform with three of four other sets surrounding it. We hope a rather large group from Kent will plan to attend this meeting.

Chesterville

The monthly meeting of the Chesterville 4-H Club was held at the home of Margaret Bingnear. Margaret gave a demonstration on her exhibit dress. We had a discussion on the 4-H Party at which the exhibit prizes will be given out. We also discussed Club Day and 4-H Sunday. The secretary was appointed to send a letter to all of those in the community who might be interested in joining a club. The recreation was led by Betty Jarvis.

Since there weren't many members present, the parents joined in the recreation and seemed to enjoy themselces very much.

Kent Clover Calf

The Kent Clover Calf Club met at the home of Billy Sutton on Monday, October 1.

Mr. Sutton reminded the members to finish filling in their War Time Project Books and then turn them in by October 4. He also told us of the program to be held on Friday, October 5, at which we would receive the money won at the 4-H shows held in the summer.

On October 27 we are again planning to go to College Park. This year selected members from all clubs will do "Red River Valley", a square dance.

On November 4 we will hold our annual 4-H Sunday. A committee was chosen to plan the program for that night. The committee is as follows: Joe Wiltbank, Charles Hawkins, Billy Sutton, and Marjorie Wiltbank.

NOW 4 X 2 POINTS FOR USED FATS

Help Increase Supplies of Soap and Other Peacetime Products By Saving More Used Fats

Industrial fats far short of last year! We are almost down to the bottom of the barrel. The nation's industrial fat supply is millions of pounds less than it was in 1944. We need fully as much as last year to help make the soaps and other civilian goods you want and need so badly. So . . :

If you want more soap and soap flakes . . : if you're dreaming of nylons, sheets, cotton fabrics and want them to hurry back to the store counters . . . you can help by saving those used kitchen fats as you never saved before! Save every drop, every day!

These fats are vitally necessary to help speed greater supplies of soaps and hundreds of other things—like new cars, electric washers, irons, refrigerators and tires. Industry must have these fats . . : to help get to you more quickly the peacetime products you've been longing to have for years!

So skim and scrape and scoop just as you did so faithfully before V-J Day. To prove how important it is, your government has increased the point bonus. So help meet this nation's need by continuing to save used fats. If you can't find a store that accepts used fats, call Home Demonstration or County Agent.

Do you know what this new law can do to YOU?

DON'T RISK LOSING YOUR RIGHT TO DRIVE

Have you read the new Maryland Motor Vehicle Financial Responsibility Law which goes into effect January 1, 1946? This new Law requires the Department of Motor Vehicles to *suspend* the licenses off all operators and the registrations of all owners:

(1) who become involved in an automobile accident resulting in bodily injury or death or in damage to the property of any one person of more than $50 and

(a) who do not have adequate and acceptable Automobile Liability Insurance or who cannot furnish *security* (up to $11,000) to cover claims which may result from such accident; or

(b) who fail to satisfy (within 30 days and within the requirements of the Law) a final judgment arising out of such accident.

LET US PROTECT YOU

The best way to meet the requirements of this new Law is to buy an acceptable Automobile Liability Insurance policy *before an accident happens.* Be wise! Ætna-ize! A policy written by the dependable Ætna Casualty and Surety Company will meet the requirements of this new Law and also protect you against financial loss.

COAST TO COAST SERVICE

An added advantage of Ætna protection is the fact that the same high standard of service available locally also is available wherever you motor, through Ætna Agents and Company Field Offices, coast to coast.

WRITE OR TELEPHONE

for FREE folder, "One Strike and You're Out" which clearly outlines what this new Law may mean to you and how best to meet its requirements. Write or telephone this office today for a copy.
