VETERAN SHORE PUBLISHER DIES AT SNOW HILL

Snow Hill—The funeral of Col. Clarence Lee Vincent, 84 years old, who was publisher of the Democratic Messenger, Worcester County weekly, at Snow Hill, for the last 60 years, took place from the home last Sunday afternoon at 3 o'clock. The Rev. Herman Dam, pastor of the Presbyterian Church officiated. Interment was made in the Presbyterian Cemetery.

Colonel Vincent died last Thursday October 11th in the Peninsula General Hospital at Salisbury. He was taken to the hospital after suffering a cerebral hemorrhage at his desk at the Democratic Messenger office on Saturday.

Colonel Vincent was widely known throughout the Eastern Shore of Maryland and Delaware, being a leader in civic and fraternal activities. He was a former president of the Del-Mar-Va Press Association, former director of the Maryland Press Association, served as Maryland state fish commissioner from 1900 to 1904, and was a leader in Democratic circles on the Eastern Shore. He had been a delegate to a number of state and national party conventions.

He was born in Salisbury Feb. 5 1861, the son of the late Thomas H. Vincent and Caroline Toadvine Vincent. Following his father's death he started his career of printer when 12 years old in the office of the Salisbury Advertiser. Leaving Salisbury he was employed by the Smyrna, Del., Times, the Philadelphia Press, and other newspapers in the Philadelphia area. While in Philadelphia, Mr. Vincent worked with and became a firm friend of the late R. H. Collins, former owner and publisher of The Transcript.

He returned to the Eastern Shore in 1885 and bought the Democratic Messenger, the editorship of which became his lifetime job.

STILL POND

History repeated itself Sunday, at the Annual Harvest Home Service at Still Pond Methodist Church, The auditorium was filled with friends, guests and homefolks to greet our guest preacher, Rev. When Your Back Hurts
And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use *Doan's Pills*. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. *Doan's* have been tried and tested many years. Are at all drug stores. Get *Doan's* today.

THE Conde MILKER
A REAL MILKING UNIT

Modern in design. Durable in construction. Easy to operate Requires minimum care. A real time and labor saver in any dairy.

DRY PIPE LINE

Low count milk is assured. Milk vapor and moisture remain in the milk pail.

THE ONLY MACHINE USING FILTERED AIR

Keeps pulsator parts and air line free from dust and dirt.

BALANCED PAIL WITH RIGID HANDLE

Never have you used a milker so convenient. The pail is broad on the bottom to eliminate tipping. The rigid handle extends to the topmost part of the unit where it is handy for the operator to grasp with or without cover. The pail can be easily emptied with one hand.

PROTECT YOURSELF NOW

The new Maryland Motor Vehicle Financial Responsibility Law goes into effect on January 1. Enacted to protect the public from the financially irresponsible driver, the Law is designed to restrict the operation of automobiles to those drivers who are financially able to pay for bodily injuries, death and property damage which their automobiles may cause.

In brief, this new Law provides that the Department of Motor Vehicles must *suspend* the licenses of all operators and the registrations of all owners:

(1) who become involved in an automobile accident resulting in bodily injury or death or in damage to the property of any one person of more than $50 and

(a) who do not have adequate and acceptable Automobile Liability Insurance or who cannot furnish *security* (up to $11,000) to cover claims which may result from such accident; or

(b) who fail to satisfy (within 30 days and within the requirements of the Law) a final judgment arising out of such accident.

ÆTNA-IZE AND BE SAFE

The provisions of this new Law are strict. But they can be met in advance by purchasing an Ætna Automobile Liability Insurance policy, written by the dependable Ætna Casualty and Surety Company, *before* an accident.

NATIONWIDE SERVICE

An Ætna policy not only meets the requirements of the Financial Responsibility Law in Maryland but of *all* such laws in other States and Canadian Provinces. Still another advantage of Ætna protection is the fact that the same high standard of service available locally also is available wherever you motor, through Ætna Agents and Company Field Offices, coast to coast.

Ask for Folder — "ONE STRIKE AND YOU'RE OUT"

As Ætna representatives in this community, we are offering this new folder without charge. It explains in more detail what the new Law may mean to you and tells you how best to protect yourself. Call, write or telephone our office *today* for your copy.
