Why You Should Insist on COLORADO ONIONS

Colorado onions are top-quality, Bermuda-type onions, which we are able to offer you far below ceiling prices. They're mild, sweet onions which peel more easily than others, and they won't make you cry! They'll put snap into many dull dishes!

TWO BIG SAVINGS!

1. We can sell these onions so far below ceilings because we have expert buyers, who shop all over the country to bring you the BEST foods at the BEST prices. This time they got a bargain in top-quality onions. And we're passing that saving on to you, by cutting the price!

2. COLORADO ONIONS will keep all winter, if you spread them in a dry place. That enables you to buy them in quantity—10 lb. bags—and that makes the price still lower!
