For low cost production of livestock, Maryland farmers need to grow more and better legume hays. Good hay can make up the major part of the feed for many kinds of livestock.

To get the most vitamin C from citrus fruits, eat the fruit instead of squeezing out the juice to drink. Squeezing and straining the juice can destroy a large part of this vitamin.

Now that labor costs are high, cash crop farmers find it pays to use the method of applying fertilizer that gives the best crop yields for a low labor cost method of application. The same system may not work for all crops, says C. H. Mahoney, head of the horticulture department of the University of Maryland, in advising growers to see their county agricultural agent for recommendations.

ALKA-SELTZER BRIGHTENS MY DAY

OCCASIONALLY, I wake up in the morning with a Headache. It sometimes wears off along the middle of the forenoon, but I don't want to wait that long, so I drink a glass of sparkling ALKA-SELTZER. In just a little while I am feeling a lot better.
Sometimes the week's ironing tires me and makes me sore and stiff. Then it's ALKA-SELTZER to the rescue — a tablet or two and a little rest makes me feel more like finishing the job.
And when I eat "not wisely but too well," ALKA-SELTZER relieves the Acid Indigestion that so often follows.
Yes, Alka-Seltzer brightens my day. It brings relief from so many of my discomforts, that I always keep it handy.
Why don't you get a package of ALKA-SELTZER at your drug store today?
Large Package 60¢, Small 30¢.
