FARMERS MAY DEDUCT CROP LOSSES

Cash crop growers whose tomato crop failure put them in the red, as well as apple growers and other farmers who lost money because of the lack of a crop this year, may be able to deduct this year's losses from a large taxable income in 1943 or 1944, on which they paid an income tax.

According to Arthur Hamilton, extension economist of the University of Maryland, farm losses that are not offset by other sources of income in this year, can be carried back two years, or carried forward two years. The grower who feels that he is entitled to a refund of taxes paid in 1943 or 1944 should get in touch with the nearest Internal Revenue Bureau or an accountant skilled in tax matters, since the regulations on carrying over operating losses from year to year are complicated.

He cited an example: A fruit grower paid a small tax in 1943, and then in 1944 with good crops paid a surtax on a net income of $7,900. On the first $2,000 of this amount he paid 20 per cent surtax, on the second $2,000 he paid 22 per cent, on the third $2,000 he paid 26 percent, and on the final 1900 he paid 30 per cent or $570. Then the grower had a net loss of $1900 on his farm business in 1945. By filing an amended return for 1944, he can deduct this $1900 from his 1944 income and claim a refund of $570.

As a certain amount of paperwork will be required in figuring the amended return, Prof. Hamilton strongly advised growers who feel they are eligible for refunds to see a local Internal Revenue officer.

ASSOCIATION PLANS BETTER ROCK HALL

(From Rock Hall Business Men's Association).

Afte rcareful consideration of all the facts, the merchants of Rock Hall concluded that better service, a greater abundance of "Scarce" merchandise and greater values would be available to our customers if one half day each week were devoted to the securing of more merchandise at lower possible prices and to the betterment of our respective businesses.

Further, since the average Rock Hall merchant was working six days each week, fourteen hours each day, it was felt that our ability to serve you would be greatly enhanced if our long hours were reduced to an average of 75 hours per week.

The magnificent results of this policy during the past few months have proved beyond a doubt that our customers have received great benefits from it and that a greater abundance of "Scarce" merchandise, at lower prices, has been available to our customers than to any other comparable group on the Eastern Shore. This is evidenced by the ever increasing numbers of shoppers from other sections of the county that are coming to Rock Hall to shop.

In order to continue to give our customers the benefit of this service, the merchants of Rock Hall voted unanimously, either by personal attendance, or by prior expressions of cooperation, to adhere to the following policy:

1. Our stores (except bank and garages) will close on each Tuesday at 1 P. M. except

2. When a holiday occurs on either a Monday or Wednesday our stores will be closed all day on the Holiday and remain open all day on the proximal Tuesday.

3. Holidays to be observed are:
July 4th.
Labor Day
Thanksgiving Day
Christmas.

It is our earnest and sincere desire to give our customers an abundance of the best that America produces at the lowest possible prices—To this end we pledge our untiring efforts.

Lieutenant A. B. Gnaedinger, USNR., Officer-in-Charge of Navy recruiting in Maryland stated today that enlistments in the Navy are now open to young men 17 to 30. Enlistments are for two, three, four or six years at the option of the applicant. Seventeen year olds can enlist for two years, three years, or until minority.

Young men should investigate the many opportunities available through the Navy trade schools, a swell as the specialized training programs for electronic technicians, aircrewman and hospital corpsman.

Lieutenant Gnaedinger further stated that men with previous Naval service who wish to re-enlist in the Navy within 90 days after discharge may be granted leave until January 5th, if they apply through the balance of December, in order that they may spend the holidays with their families. Men interested in Naval service should contact the Baltimore Recruiting Station, Room 308 Post Office Building, Calvert & Fayette Sts., or the sub-Stations in Cumberland, Salisbury or Hagerstown, Md.

A traveling recruiter is available from 9 A. M., to 4 P. M., in the Post Office, Belair, Maryland every Monday, Post Office, Elkton, Maryland every Tuesday, Post Office, Westminster, Maryland every Wednesday and the Capital Gazette Building, Annapolis, Maryland every Thursday and Friday.

THE OLD JUDGE SAYS...

ART: "Saw you at the movies last night, Judge. That was quite a weekend that alcoholic went through, wasn't it?"

OLD JUDGE: "Sure was, but I'm afraid most people won't really understand it."

ART: "What do you mean, Judge?"

OLD JUDGE: "Simply this. That poor chap was really a sick man...not just a drunk. Studies by famous psychiatrists and the medical profession show that alcoholism is *not caused* by a craving for alcohol... it is usually the result of some deep-rooted social, physical or emotional condition. If that fellow had not turned to alcohol for escape, he would have turned to something else."

ART: "Are there many that get in that condition, Judge?"

OLD JUDGE: "Fortunately not, Art. Scientists at a great university have stated that approximately 95% of the people who drink do so sensibly. Only 5% are immoderate at times. In that 5% is the small number known as alcoholics. And the beverage distilling industry which does not want a single person to use its product immoderately, is cooperating fully in the solution of this problem."
