The Social Wanderer

Dear Roamer

Comes the calm after the storm and what a calm! Hardly a ripple to disturb the even tenure of our ways. Naturally I refer to items of a social nature, for the amount of sickness everywhere, is in itself enough to cause a tidal wave in the regimented rountine of our lives at the moment.

The only party listed, so far as we know, is a luncheon, which will be given to-day, Friday, by Mrs. James T. Pine at her home near Still Pond.

Mrs. Charles Dudley, of Alexandria, Va., spent last week-end with her mother, Mrs. J. Kennard Aldridge who is now a patient at the Kent and Queen Anne's Hospital. Yesterday, her other daughter, Mrs. Beverly Hazel, of Kittery Point, Maine, will come to spend an indefinite time here, owing to the fact that Lt. Hazel, U. S.N.R., has been ordered to the Pacific.

Mrs. John D. Urie is ill at the home of her daughter, Mrs. Neal Truslow.

Mr. and Mrs. Robert Fleetwood and their young daughter will shortly move to the Reiche house on Front St., where they will occupy an apartment.

Mr. and Mrs. Richard F. Welton, III and their young daughter spent last week-end as guests of Mrs. S. Scott Beck. Mrs. Welton and Becky are remaining here throughout the week while Mr. Welton is in New York. He will join his family here again this week-end before their return to Virginia Beach, Va., where they are making their home.

Mrs. Horace Needles has received a telegram from her son Francis, better known as "Fetch" that he has arrived in Los Angeles, Cal., after many months in the Pacific area.

Miss Betty Truslow will visit her sister, Miss Peggy Truslow at Mary Washington College, Fredericksburg, Va., this week-end.

Mrs. Stanley Giraitis spent last week-end in New York, where she joined her husband.

And now the end of the rain-bow, but no pot of gold, so we shall go on seeking and perhaps next week we may at least be

Yours with nuggets,

The Wanderer

LOGAN—WALBERT

A very quiet wedding took place in Calvary-Asbury Methodist Church Sudlersville, Saturday, December 29, at 8 P. M., when Miss Phylis Lee Walbert, daughter of Mr. and Mrs. Theodore J. Walbert, became the bride of Lieut. William Robert Logan U.S.A.A.C.

The groom has recently been discharged after four and a half years service with the Coast Artillery in Hawaii, and is now employed at his former position in Baltimore.

Following a reception for the immediate family and a few close friends at the home of the bride, the couple left for a wedding trip to New York. They will be at home after January 15th at 3914 Milford Avenue, Maltimore, Md.

Fire Company To Hold Election

The annual meeting and election of officers of the Chestertown Volunteer Fire Company will be held in the fire house Monday evening, Jan. 14th, starting at 8 P. M.

At this meeting the various departments of the company will give their annual reports.

Diseases of the heart and arteries constitute the No. 1 Killer among life insurance policyholders today, accounting for nearly one-third of all policyholder deaths annually. The Life Insurance Medical Research Fund plans to make $3,500,000 available over the next six years to get at the causes and cures of these diseases.

Salisbury, Md.—The Arcade Building, including the theatre by that name operated by the Schine Circuit, a 35-room hotel section, cigar store, poolroom and a basement shoe repair shop which already had been cited by the fire marshal as a hazard, wa sin ruins today as a result of a fire which started Friday afternoon in the latter shop.

Firemen at Salisbury said the fire started in the hat cleaning section of the shoe shop and that a 68-gallon tank of cleaning fluid exploded.

Fire Marshal Fred A. Grier, Jr., said he had notified the operator of the shoe repairing shop, Chris Chames, the latter part of last week to remove the hat cleaning part of his business from that part of the building because it was a fire hazard.

Recent AAA Elections have added a large number of new committeemen to our official family. The State Committee welcomes you, and hopes you will take your new responsibility seriously. Your prestige among the farmers in your community will grow in proportion to your ability to give accurate and up-to-date information concerning soil conservation, prcie support, crop insurance and other programs handled by our organization. This letter will help keep you informed. Read it and carry it around with you until the next one arrives two weeks hence. Then do the same with that one.

1946 Production Goals for all important crops were adopted at the recent Maryland Goals conference. These will be given you as soon as they receive approval of the Department of Agriculture.

Buy Fertilizer Now! All ingredients are in fairly plentiful supply. Manufacturers and dealers are limited as to storage and transportation facilities. So place your orders now and make sure of having your fertilizers on hand when you need them.

Make A Special Trip, if necessary to your County AAA Office and take your neighbor with you. Report 1945 performance, sign an application for payment, and order your 1946 lime and fertilizer. No report—no payment. Ask for a copy of the 1946 AAA Bulletin and plan your soil improvement program for 1946.

No Oversupply of Pork This Winter, states the Department of Agriculture. The market is strong and supplies are still short of demand, but the labor force in many packing plants is not big enough to take care of large increases in hog receipts on short notice. Transportation facilities in moving hogs to distant points for slaughter are rather tight at present. Producers are urged to keep in close touch with their markets and with market news to plan their sales in order to avoid market gluts.
