P.-T. A. NEWS

Chestertown Elementary

The Chestertown Elementary P.-T. A. held its regular meeting in the auditorium of the school on Wednesday, December 12, at 7:30 P. M. This was a very successful meeting with many fathers present. Mrs. Whitsitt opened the program by having the group sing Christmas carols. Mrs. Emerson Russell read the P.-T. A. prayer. Mrs. Vansant's class won the $2.00 prize for having seventeen parents at the meeting.

The following committee was appointed on school needs: Mrs. Kingsley, Chairman; Mrs. Whitsitt, Mrs. Churchman, Miss Loud, and Mrs. Eshman.

Miss Hoyle gave a short report on "The New Library Program in Maryland". Then Mrs. Frank Fowler showed a movie "Behind The Shadows". The picture dealt with the development and arresting of tuberculosis.

Cookies and ice cream were served after the meeting was adjourned. The next regular meeting will be held the second Wednesday evening in February, the January meeting having been postponed.

County Wide P.-T. A. Meeting

The second county wide P.-T. A. meeting of the school year was held at Galena Elementary School Thursday, January 3, with the Galena P.-T. A. as hosts, and Rev. Paul Reynolds presiding. Four local P.-T. A.'s were represented at the meeting. Miss Mildred Hoyle presented the proposed new library program which is made possible by act of the Maryland Legislature. This was followed by much discussion. A motion was passed that the county P.-T. A. request the installation of the program by the County Commissioners who are designated by State law to set up and administer the county library. State funds to be provided only after the county makes a minimum levy of two cents per one hundred dollars on the tax rate. President Reynolds appointed a committee composed of the presidents of each local to work with the commissioners in representing the county P.-T. A.

4-H CLUB NEWS

The Senior 4-H Club started the New Year right with a meeting on the first day of the year. This meeting, formerly scheduled for the High School, was held at the Extension Office due to lack of heat in the school. The new president, Gene Redman, presided.

Reports were presented on the 5 County Meeting held at Centreville on December 18, and on the Western Shore Meeting held December 22. No one was able to attend the Cecil County Meeting on December 26.

The topic of discussion was the meeting of the Maryland State Council of 4-H Clubs to be held in Baltimore, January 9. Delegates to this meeting will be Gene Redman, Mary Lou Burris, Maude Fogwell, Martha Lumpkin, and Irvin Sutton. The meeting will start at 10:15 with a county roll-call. During this time a two-minute report will be given on some outstanding event in the various counties during 1945. Gene Redman is to make this report. The ten points adopted at the Chicago Meeting will be explained.

A talk-fest will be held in the afternoon. The selection of the member to participate in this was quite difficult. The final decision was made by holding a talk-fest at the meeting. Gene Redman, Mary Lou Burris, and Martha Lumpkin were the only delegates present—their topics in this minature talk-fest were "Shot Gun Shells", "Keep Smiling", and "Still Save Fats". Although each member talked about 15 minutes, Martha Lumpkin came out as the final winner.

Big reports are expected from these members at the next meeting.

Farm Roads

America has 2,400,000 miles of rural roads serving 6,000,000 farms, but only 45,000 miles have a high type pavement and 99,000 miles have a low-type bituminous surfacing. The rest of these country highways — 2,256,000 miles — have a non-treated surface, are merely graded and drained, or are simply trails.

NAGGING BACKACHE
May Warn of Disordered Kidney Action. Don't Neglect It!
Modern life with its ceaseless hurry and worry, irregular habits, improper eating and drinking, exposure, contagion, *whatnot*, keeps doctors busy, hospitals crowded. The after effects are disturbing to the kidneys and oftentimes people suffer without knowing that disordered kidney action may cause the trouble.
After colds, fever and similar ills there is an increase of body impurities the kidneys must filter from the blood. If the kidneys are overtaxed and fail to remove excess acid and other harmful waste, there is poisoning of the whole system.
Symptoms of disturbed kidney function may be nagging backache, persistent headache, dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of strength and energy. Other signs of kidney or bladder disturbance sometimes are burning, scanty or too frequent urination.
In such cases it is better to rely on a medicine that has won world-wide approval than on something less favorably known. Use Doan's Pills. They have been winning new friends for more than forty years. Be sure to get Doan's. Sold at all drug stores.
THE REASON DOAN'S ARE FAMOUS
All over the country grateful people tell others: "Doan's have helped me; I recommend them to you." That is why we say, Ask your neighbor!
