Elkton Marriage Licenses Jump

Elkton, Md., Jan. 5—Ralph Crothers, clerk of the court for Cecil County, reports that during the year just closed 8,321 marriage licenses were issued at his office an increase of 10 per cent over the previous year in this famous Maryland Gretna Green.

In 1944, there were 7,820 permits granted to couples to be married.

During the first half of last year business in the marriage license department was slow, but during the last six months there was quite a large increase, due principally to soldiers returning from the various theatres of war.

For Sale–

The Kent County Commissioners will receive sealed bids for the York Oil Burner, formerly used to heat the Court House and jail. The oil furnace was replaced by a coal furnace two years ago by O.P.A. orders. Bids will be opened 11 A. M., Friday, January 11, 1946.

Frisby Willson, Clerk.

Illinois Farm Land

Illinois has a total land area of 35,806,000 acres.

IT'S JUST SALT, ISN'T IT?

No, Mazie---It's Insurance !

A little STERLING rock salt sprinkled on your sidewalk will insure against bone-breaking falls . . . will keep steps, driveways and porches **bare** of treacherous ice and snow . . . and **safe** for work and play.

Insure against auto troubles by keeping STERLING rock salt handy in your car, to sprinkle under wheels when the car gets stuck in snow or ice.

A handful of STERLING table salt thrown on coal fires weekly keeps flues clear of soot . . . cuts your coal bill and insures against costly pipe-cleaning bills.

IT'S GOOD HEALTH, TOO !

STERLING table salt in warm water is a soothing gargle for mild sore throats . . . ask your doctor! Half STERLING salt and half soda, mixed, will clean teeth perfectly . . . ask your dentist! Tender feet can be hardened by nightly bathing in cold salt water.

Salt is as essential in the diet as any vitamin! You—and your children—need lots of it. And STERLING iodized salt gives you the iodine which prevents goitre and other diseases!

IT'S A CLEANER, TOO !

STERLING table salt rubbed on the handles of knives will remove all stains. Salt dissolved in ammonia will remove grease spots. Onion odor may be removed from pans by rubbing thoroughly with salt before washing . . . and that STERLING table salt you keep in the bathroom for gargling will also clean your bath tub!
