"Being conscious of no fault is the greatest fault of all."

4-H CLUB NEWS

Several of our Senior 4-H members spent an eventful day last Monday at the Maryland State Council 4-H Clubs. The meeting was held at the War Memorial in Baltimore. During the opening assemble reports were given on the "highlights" of 1945 in each of the organized counties. Kent's highlights were the County Vesper Service held at Camp Tochwogh in May, and the dance held at Betterton in July. Several workable ideas were picked up from the reports from other counties.

Elections for the coming year were held and after a heated discussion, resulted as follows: president, Henry Heaps, Harford County; vice-president, George Fry, Montgomery county; secretary-treasurer, Louise Brown Caroline County. This provided a break for the Eastern Shore Counties and they are hoping to make even a bigger break next year.

Immediately following lunch the Talk-Fest was held. Each county selected one member to represent them. After they had been given their topic, they were allowed two minutes to prepare it and had to speak two minutes. Sixteen counties participated in this. Some of the topics included in the contest were "Life in the Country", "Friendship", "The Golden Rule", "Being a Good Neighbor", "The Grass is Not Greener on the Other Side of the Fence", and "It's Great to Be an American". Although quite a few of the contestants were awarded blue ribbons, the contest was won by Martha Lumpkin, Kent County, for the girls, and by Malcolm Heaps, Harford County, for the boys.

The next topic for discussion was the theme of the Chicago Convention. The Ten Points adopted in Chicago were explained and group discussions were held. What should be done with the atomic bomb provided the most discussion, as well as the statement, "Leaders are born, not made". While everyone agreed that they are made, who can deny that they are not born?

The meeting was climaxed with an evening of fun at the Lord Baltimore Hotel. Anyone who has been to a 4-H party knows what this was like—Circles, squares, grand march, Paul Jones, and round dancing. During the intermission period, the Harford County presented a very impressive pantomine. Although the trip back home was extremely "foggy", the Kent delegation is looking forward to another trip next year.

Kent Clover Calf

The Kent Clover Calf Club held its meeting at the home of Irvin Sutton on January 7. The following program was adopted for the coming year: (a) more recreation; (b) drive for new members; (c) demonstrations; (d) discussion of various topics; (e) club tours; (f) better care of herds; (g) soil conservation.

Two interesting reports were given by Billy Sutton and Irvin Sutton. Billy's was on the heifer party at McDonogh School, Baltimore and Irvin's was on his trip to West Virginia in October.

Marjorie Wiltbank, reporter.

St. James' Boys Club

The St. James' Boys club held their monthly meeting on January 11 at the home of Hyland and Lee Haas. The election of officers resulted in the following: president, Hyland Haas; vice-president, Norman Bartz; secretary, Jack Smith; treasurer, Lee Haas; news reporter, James Kay.

The program of work for 1946 included community 4-H show, more demonstration teams, some judging work, and better recreational programs. The next meeting will be held on February 8 at the home of David and Jack Smith.

James Kay, reporter.

MILLINGTON HIGH NEWS

By Betty Schelts and Betty Simon

The P.-T. A. had a meeting at Millington High School on January 14.

Mr. Henry Gill chairman of the Kent County "March of Dimes Campaign" visited the school January 11. He explained the purpose of the campaign and left a number of coin boxes to be distributed by the students to different sections of the community. He also asked some of the girl students to make a "house to house" canvass of the town.

1st Lt. Joseph B. Moore, who has recently returned to his home from Europe, visited the school last week. He flew 27 missions as a pilot with the 9th Air Force. While at school, he described his experiences to the sixth and seventh grades.

Other former students who have visited the school were John Robbins and Earl Bottomley.

Due to the recenlty mild weather the boys have greatly enjoyed "Touch football" during the activities period. Some of the girls have been playing soft ball while others sing and dance or play ping-pong.

Upon returning to school after the holidays we learned we had lost five high school students. They were: Shirlee Caillavet, Francis Caillavet, Arthur Caillavet, Robert Kendall, and Ann Rash.

Let The Dressing Make The Salad

And the dressing makes the salad! Yes, that's a lot more true than you realize, and just to prove it some one of these days when you plan on serving either a fruit or green salad make this dressing given below. Watch and see if the family don't enjoy the salad more than usual.

2-3 cup sweetened condensed milk
½ cup vinegar
½ teaspoon salt
¾ teaspoon mustard
½ teaspoon paprika
½ cup cottage cheese

Blend thoroughly condensed milk, vinegar, salt, mustard, and paprika. Force cottage cheese through sieve and add to mixture, beating until smooth.

Order Nisi

ORDERED this 15th day of January, 1946, that the sale of the small store building, located on the land of A. R. Prettyman, in Galena, Kent County, Maryland, belonging to the late William T. Wood, made by Thomas B. Wood, the executor of the said will and testament of the said deceased, and this day reported to this court, by the said executor, be ratified and confirmed, unless cause be shown to the contrary, on or before the 22nd day of March next.

Provided a copy of this order be inserted in some weekly newspaper published in Kent County, at least once a week for four successive weeks, before the said 9th day of February next.

The report states the amount of sales to be $400.00.

Popular Clubmobiles

American servicemen consumed more than 143,192,000 cups of coffee overseas from Red Cross clubs, canteens, clubmobiles, etc., during the last 12 months.

Farm Roads

America has 2,400,000 miles of rural roads serving 6,000,000 farms but only 45,000 miles have a high type pavement and 99,000 miles have a low-type bituminous surfacing. The rest of these country highways — 2,256,000 miles — have a non-treated surface, are merely graded and drained, or are simply trails.

NAGGING BACKACHE
May Warn of Disordered Kidney Action. Don't Neglect It!
Modern life with its ceaseless hurry and worry, irregular habits, improper eating and drinking, exposure, contagion wharnot, keeps doctors busy, hospitals crowded. The after effects are disturbing to the kidneys and oftentimes people suffer without knowing that disordered kidney action may cause the trouble.
After colds, fever and similar ills there is an increase of body impurities the kidneys must filter from the blood. If the kidneys are overtaxed and fail to remove excess acid and other harmful waste, there is poisoning of the whole system.
Symptoms of disturbed kidney function may be nagging backache, persistent headache, dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of strength and energy. Other signs of kidney or bladder disturbance sometimes are burning, scanty or too frequent urination.
In such cases it is better to rely on a medicine that has won world-wide approval than on something less favorably known. Use Doan's Pills. They have been winning new friends for more than forty years. Be sure to get Doan's. Sold at all drug stores.
THE REASON DOAN'S ARE FAMOUS
All over the country grateful people tell others: "Doan's have helped me; I recommend them to you." That is why we say, Ask your neighbor!
