GALENA HI-LIGHTS

By Frances Churay

As there were so few school days last month, the December and January marks will be combined on our January report cards. Also we will get our semester grades at the end of this month.

Hot lunches have been served to the elementary grades since January 2, 1946. The parents who have served so far are: Mrs. John Wilson, Mrs. Edward Davis, Mrs. Walter Hadley, Mrs. Horace Atwell, Mrs. Dan Driscoll, and Mrs. Julian Davis.

On Monday, January 14th, the Galena Shop Classes, under the supervision of Mr. Grant and Miss Hadaway, decorated the windows of the Board of Education building. In the boys' window was placed a hat rack, a coffee table, a book-case, a gun rack, and two table lamps; while in the girls' window were placed dresses, toy animals, note-books, luncheon sets, pocket books, a blouse, and a skirt. A large red heart, partly covered with white doilies, and small red hearts, added to the attractiveness of the girls' window.

The schools of Kent County have been requested to assist in the Victory Clothing Collection for overseas relief. On Monday, January 28, there will be a house to house canvass. Students from our school will go to the houses of Galena where there are no children attending school and gather bundles of clothing. Those people living out of town, who wish to give must bring their contributions to the school during the week of January 21 through 25. Ransack your closets, trunks, chests, and attics for old, discarded clothes and have it ready for us on Monday.

Mr. Gill, chairman of the Infantile Paralysis Association, visited our school last week and left some posters and containers for contributions. The containers have been distributed to all of the classrooms, and to various agencies of this town. It is hoped that everyone will do his part to help the paralysis victims.

Muzzle-Loading

Muzzle-loading of firearms reigned from the 14th to the 19th century—500 years, more or less.

4-H CLUB NEWS

Kent County is really breaking into the news. Many of you have already seen the picture of Billy Sutton at the Heifer Party in the Sunday paper. There is one thing, however, that you have not seen. This is an article in the Extension Service Review, which is published under the direction of the Secretary of Agriculture. The article, entitled "Young Leaders Trained", outlines the recreation program of the county and emphasizes the value of this type of training. We were told at the State Council meeting earlier in the month that the nation is looking toward Maryland in reference to leadership. They seem to be looking toward Kent in rcereation.

Massey

Eight members of the Massey 4-H club attended the regular monthly meeting on Friday, January 11 at Massey School. A guest at this meeting was Leslie Cook of Philadelphia.

A report was given by the treasurer, Theresa Donahoe, on the dance sponsored by this club on December 14. The dance, which was held at the Galena Fire Hall, added a small sum to the treasury making the present total $12.50.

An amendment was added to the club's constitution providing for monthly dues of five cents. Another decision made by the club was to present a prize to the member making the best attendance record in 1946. Reports by members determined that $275 worth of bonds have been sold by this club.

The next meeting will be conducted at Massey School on February 8, Rita Donahoe will demonstrate the making of chocolate pudding at this time.

The family says I am a lot easier to live with since I have known about Alka-Seltzer.

Have you tried ALKA-SELTZER? If not, why don't you get a package today? Large package 60¢. Small package 30¢, also by the glass at Soda Fountains.
