

CHURCH NOTES

RADIANT LIVING

In the Calm of Infinite Love
By Rev. C. M. Griffith
Pastor Calvary M. E. Church
Sudlersville

Jesus was constantly revealing the Infinite Love of God.

Review His marvelous life and you are impressed with the unique compassion that permeated its totality—a compassion that went out even to those who tortured Him to death. Only Infinite Compassion could cry: 'Father, forgive them, for they know not what they do!'

In looking back over the life of Him who revealed unto us the Fatherhood of God, the Apostle John, who caught in Jesus Christ a glimpse of the nature of God, declared: 'God is love, and he that dwelleth in love dwelleth in God and in Him.'

When there is once given to us a revelation of the love nature of God there comes to the soul a blessed relaxation from the strains of life.

Many there are who live wretched lives. Their state of mind is always in turmoil. But there is for all of us a blessed escape from such a disagreeable existence.

Like a vessel that has put into the sheltered cove behind the breakwater and has found a snug haven from the furious tempests that rage outside, so the man who has passed within the sheltering arm of faith and reached the peaceful waters of Infinite Love has found a snug haven from those tempests that rage over the sea of a materialistic minded life.

Such a soul rides at ease upon the quiet waters of a happy contentment in God.
