THE STATE OF MARYLAND has suffered a decided loss by the death of former Governor Albert C. Ritchie. During his fifteen years of service in that office the State of Maryland has gone forward and ranks among the first in the nation in efficient management. Outstanding in his accomplishments are the high standing of public education, public health, and the financial condition of the State. He was a man of decision and was always straight forward in his stand on all public affairs. He was particularly sympathetic with the poorer counties of the State and through his efforts those counties were able to enjoy the privileges of more wealthy counties. He continued his efforts toward States Rights until his death. Maryland has lost an outstanding leader and citizen.

WHEN FOOD FERMENTS AND GASES RISE TAKE JUST ENOUGH TO ALKALIZE

Gas is fine in your stove or furnace, but it's both painful and embarrassing in your stomach.

Why don't you use Alka-Seltzer for the relief of ACID INDIGESTION, Colds, Headache, Neuralgia, Fatigue, Muscular, Rheumatic, Sciatic Pains?

Alka-Seltzer makes a pleasant drink and an unusually effective medicine. Non-laxative, Non-habit-forming, does not depress the heart.
