CHURCH NOTES

RADIANT LIVING

The Radiant Emergy of God

By Rev. C. M. Griffeth
Pastor Calvary M. E. Church
Sudlersville

In the writings of the Apostle John we have three of the greatest revelations of God ever given to man; namely, God is Spirit, God is Light, God is Love.

In these inspired declarations concerning God there is such a simplicity and yet such a depth of meaning that while a child can grasp the fact, the greatest intellect cannot exhaust it.

Long before the time of the early Persians, lights was regarded as a symbol of God, while darkness was considered a symbol of evil.

In those ancient philosophies and theologies, it remained for the Egyptian Pharoah Amenhotep IV, born 1975 B. C. to give the world an advanced conception of God when he declared that God was the radiant energy that streamed forth from the sun, giving life to all.

To more clearly express this conception, he adopted, as a symbolic description, a circular disk, from the circumference of which were extended straight lines in all directions and at the end of each line was a tiny hand, grasping and extending the Egyptian sign that represented life.

Although Amenhotep IV was wrong in his theology, yet it is remarkable that he so closely approached the spiritual fact that God is Light and that from Him there does stream forth a radiant energy that gives and sustains spiritual life.

When a man walks with God he walks in Light, and that Light is the constant source, supply, and sustainer of his peace, joy, purity and health.

'If we walk in the light, as He is in the light, we have fellowship one with another, and the blood of Jesus Christ His son cleanseth us from all sin.'

METHODIST EPISCOPAL CHURCH
Chestertown, Md.
Paul E. Reynolds, Pastor

9:45 A. M.—Church School, Mr. J. S. Kreeger, Supt. For your sake and the eternal well-being of your children, come to the Church School. Make this the habit of your family life and rich blessing will follow.

11:00—Morning worship, sermon by the pastor. The testimony of the ages has been that it is a good thing to go up to the house of the Lord to worship. We look for you and ask God's blessing upon your fellowship in His house.

7:30—Evening worship, sermon by the pastor. Make this hour a blessing to your soul and encourage others to come and seek the Lord. Now is the accepted time and whosoever will may come.

7:30—Wednesday evening service of praise, prayer, and Bible study. A praying church is a victorious church. Come and join your prayer with ours and we will receive the victory over the world, the flesh, and the devil and be a happy people in the service of the Lord.

ROCK HALL M. E. CHURCH
F. Charles Louhoff, Jr., Pastor

Services Sunday, May 17—

Sunday School at 9:45 A. M. Stanley Grant, Supt. Watch our school grow. Our attendance last Sunday was three times the number that attended last year on the same day.

Morning Worship at Eleven. Mrs. Robert Shallcross, organist. The music for this service is arranged by the choir, under the direction of Mrs. Frances Taylor. Sermon by the pastor.

This is an age of relentless practicality. The modern code weighs each hour of time against the amount of pleasure or profit for which it is spent. In that attitude let's spend an hour in church. It will be the most profitable of all hours spent, and the greatest enjoyment—being shut in with God.

Epworth League at 7 P. M. Leader Mrs. Marie Price. All the young people are especially invited to attend the League. Come and encourage your leader.

7:30—Evening Worship, beginning with song service. Selections by the choir and other musical features, followed by sermon.

Wednesday evening, 7:30—Prayer meeting.

8:00 o'clock—Class meeting, conducted by Mr. Charles Thomas. Everybody is invited to attend this service.

WHEAT MEETINGS PLANNED IN COUNTY

PROVISIONS OF NEW CONSERVATION ACT TO BE EXPLAINED IN DETAIL

Meetings for Kent people who are interested in the Soil Conservation Act and its application to their farms are announced as follows:

Millington—Friday, May 15—Community Hall—9:00 A. M. - 12:30 Noon.

Galena—Friday, May 15—Town Hall—1:30 P. M. - 4:30 P. M.

Worton—Friday, May 15—Church Hall—7:30 P. M. - 9:30 P. M.

Kennedyville—Saturday, May 16—School House—9:00 A. M. - 12:00 Noon.

Fairlee—Monday, May 18—Barnes Hall—9:30 A. M. - 12:00 Noon.

Rock Hall—Monday, May 18—Fireman's Hall—1:00 P. M. - 4:00 P. M.

Chestertown—At dates other than above.

Little time will be devoted to talk—getting the work sheets filled out is the important and basic step. Four or five workers will assist at the sign-up meetings.

County Agent J. D. McVean stresses the importance of prompt action by farmers. Neither time nor money permit of a farm to farm canvass.

The Soil Conservation plan is quite simple once the work sheet is completed. Class I payment is made for diverting acres from soil depleting crops and planting them to approved crops for harvest under conditions or for green manure crops plowed down for soil improvement. Class II pay is made for approved practices on the land such as liming—top dressing with fertilizer — growing certain crops, green manuring crops or planting forest trees.

Liming is a practice rating $1.00 per 1000 pounds of ground limestone or ground oyster shell—additional dollars will be paid for extra units of 100 pounds up to 4000. (700 pounds hydrated lime or 500 pounds quick lime are the equivalent of 1000 pounds of the ground lime stone or oyster shell).

The practice of top dressing with superphosphate rates payments as follow: for 100 pounds, 16 per cent superphosphate, 50 cents—for each additional 100 pounds unit add 50 cents up to 500 pounds, with $2.50 per acre payment. If to the Superphosphate 25 pounds of 50 per cent muriate of potash is added—it raes a 25 cent increase per acre. Four units or 100 pounds is the maximum allowed for this practice. No pay will be made for less than full nits. No pay for potash alone. The Superphosphate is the basic practice which controls the pay for both itself and for the potash.
