HONORED AT WASHINGTON COLLEGE

Miss Louise Nicholson, of Baltimore, daughter of Mr. Robert J. Nicholson, has been elected president of the Women's Student Council, at Washington College.
Miss Nicholson is also outstanding in other organizations on the campus. She is a member of the Gamma Sigma Sorority of which she is secretary, secretary of the Y. M. C. A. and is active in class sports.
She is a former graduate of the Girls' Latin School, of Baltimore.

TO REBUILD EAST NECK ISLAND BRIDGE

INSURANCE CO. SAYS BRIDGE WAS REPORTED UNSAFE
Assurance was given this week by the State Roads Commission to Mr. G. Ellsworth Leary, Chairman of the Board of County Commissioners, that work would start immediately on the rebuilding the bridge over East Neck Island narrows following the collapse of that structure last week.
In the meantime residents on the island, including thirty families, have been compelled to resort to row boats in order to get off the island. Mr. John Wood floated his automobile to the mainland on a scow and now keeps it on the mainland.
Although the bridge will be rebuilt by the State Roads Commission it is understood that it will be charged to Kent County.
The Commissioners received a letter from a Philadelphia insurance Co. who evidently carried insurance on the truck of the Preston Transportation Co. which crashed through the bridge, stating that although they had not made a thorough investigation, they understood that the bridge was maintained in an unsafe condition. The letter intimated that the county might be held responsible for the damage to the truck.
The County Commissioners may take a reverse attitude of the matter and consider the trucking company responsible for the damage to the bridge; this is merely a supposition but can be based on the fact a large sign at the end of the bridge warned motorists that the bridge had a 6000 pound capacity. It is understood that the truck and trailer carried a load of 10 tons of fertilizer. It is further understood that the driver of the truck stepped at Rock Hall to inquire as to the strength of the bridge and was told of its condition.

GOLF SEASON OPENS TODAY

LOCAL TOURNAMENT PLANNED AT CLUB

Golfing activities will be officially inaugurated at the Chester River Yacht and Country Club tomorrow (Sunday) with a handicap and blind bogey tournament. Prizes will be awarded the loss gross score, the low net score, based on last year's handicaps, and two awards will be made in the blind bogey group. Players may compete either in the morning or afternoon.
The bogey score will range between 65 and 78. Players may select their own handicaps with the idea of netting a score between these two figures. At the completion of play two numbers will be drawn from a hat and the players whose scores are nearest these figures will be prize-winners. No entrance fee will be charged.
The Eastern Shore Golf League, after more than five years of existence will not function this season according to advisors. Just received from Royce R. Spring, president of the organization. Lack of interest on the part of member clubs was given as the reason by Mr. Spring who hoped to see the loop reorganized next year.
Plans for the annual Eastern Shore Amateur Championship were set, however, a bad tournament will be held over Labor Day at the Talbot County Club.
Inter-club matches between Easton and Chestertown will be arranged during the summer.

W. C. COMMENCEMENT PROGRAM ANNOUNCED

FIVE DAY PROGRAM OF EXERCISES PLANNED
The one hundred and fifty fourth commencement at Washington College will be held on Monday, June eighth starting with the academic procession at 10:45 a. m.

TUESDAY, JUNE EIGHTH
10:45 a. m. Academic Procession.
11 a. m. Commencement Exercises and Conferment of Degrees, William Smith Hall, Address by William Joseph Brown, Ph. D., Washington, D. C.
12:30 p. m. Informal Luncheon, Gymnasium.
3 p. m. Meeting of the Board of Visitors and Governors, William Smith Hall.

ROBERT B. USILTON DIES AT SMITHVILLE

Robert B. Usilton, prominent retired farmer of the Third District, died at his home at Smithville Monday morning following a six months illness. He was 81 years of age.
He is survived by his widow who was formerly Mrs. Alice R. Plummer and the following children: W. Bruce Usilton, Mrs. Hilda Bowers, of Korton; Robert L. Usilton, of Lynch; Mrs. Charles Coleman, of Chestertown; and Walter H. Usilton, of Rock Hall; also 21 grandchildren.
The following cousins also survive: George Watts, Fred G. Usilton, Wm. B. Usilton, of Kent County and John Parsons, of Baltimore.
Funeral services were held at the home at Smithville on Wednesday at 2 p. m. conducted by Rev. O. B. Rice, of Worton M. E. Church and interment was made in Union cemetery.
The bearers were Messrs. Hilda Bowers, Lambert Plummer, Leonard Plummer, George Watts, Charles Coleman and Roger Harris. Ralph H. Usilton in charge of funeral arrangements.

WM. D. BOYD AGE 8, DIES AT ELKTON HOSPITAL

William Dodd Boyd, son of Mr. and Mrs. John D. Boyd, of Galena, past away Monday, May 18th, 1936, in the Elkton Hospital with pneumonia, age 8 years, 5 months, and 6 days.
Funeral services were held Thursday morning at 10 o'clock at the Galena M. E. Church with interment in the Galena cemetery.
Peacefully sleeping, resting at last, earth's weary troubles and trials are past.
In silence you bore that pain so great until God in his mercy opened the gate.
"Suffer the little children to come unto me, for theirs is the kingdom of God."
Mother and Father.

All flower lovers are invited to compete in the three classes of flower arrangement.
1 Arrangement of Perennials.
2 Arrangement of Shrubbery.
3 Arrangement of Roses for dining room table.
Arrangements must be in place not later than 1:30 p. m.

FOUND GUILTY OF AUTO CHARGES

Nelson Spencer, of Kennedyville, who was found not guilty by a Jury at the April term of Court of a charge of manslaughter in connection with the death of Rachel Rochester, colored, at Edesville in April, was found guilty Thursday night at Rock Hall by Justice Joseph Davis on the following charges in connection with the same accident:
Driving an automobile while under the influence of liquor and fined \$100 and 30 days in jail.
Fare already following an accident and fined \$100 and 30 days in jail.
An appeal was noted by the defendant following the announcement of the verdict.

SOIL CONSERVATION WORK SHEETS AROUSE INTEREST FARMERS

Farmers in Kent are busy studying the possibilities of the Soil Conservation Act as it applies to their individual farms.
County Agent McVein, states that each farm is an individual problem and that the only practical way for the farmer to know about the plan is to fill out the Work Sheet so that all the possibilities of the plan may be revealed. Many farmers are finding that they have already qualified for considerable amounts of pay among the following practices:
1. Those whose contract acres of 35 were not in soil depleting crops and whose soil depleting base in 1935 is smaller than it was in '35 are in position to 'cash in'.
2. Farmers who have seeded legumes on their wheat this spring rate for Class II payment or approved practice, provided the grass seed mixture in total is more than 50 per cent legume by weight.
3. Those who apply lime to soil conserving crops or to land that is to go in wheat this fall may collect for this good practice.
4. Those who have winter cover crops to plow down as green manure crops rate payment for this practice.
5. Annual legumes, for green manure crops can be revenue producers if they follow barley or rye harvested in the spring of 1936.
6. Top dressing of pasture or rotation fields or land on which legumes or green manure crops are growing with acid phosphate is another paying practice.
In a few cases it happens that the rotation is such that the farmer will be in position to benefit from the Soil Conservation Act this year but his rotation for 1937 should place him in very favorable position to benefit under the act.
Time is getting short for the completion of these work sheets. As announced over the radio and through the press, May 30th has been set as the date for the completion of these work sheets.
County Agent McVein therefore urges that farmers get their work sheets filled out immediately as neither time nor money permits a farm to farm canvass as was made in 1935 in connection with the wheat reduction campaign. Many farmers are much surprised to find out how much they benefit financially under this plan in addition to improved care of their chief resource, the soil.

BUXTON TRIAL SCHEDULED FOR MONDAY

The trial of Mrs. Thelma Buxton, charged with the murder of her mother in law, is scheduled for trial on Monday, May 25th.
The case which was presented at the April term was postponed at the request of defense counsel, S. Scott Beck due to the illness of Dr. H. G. Simpers, a witness in the case, and trial was set for May 18th. The case was again postponed by the Court until May 25th due to a conflict with the Court session in Talbot County.

LIGHTNING STRIKES HOME NEAR HERE

During the electric storm Monday evening lightning struck the home of Mr. William McGinnis near the Queen Anne end of the Chester River Bridge and although it damaged the home, did not set fire to it.
The lightning bolt entered around a window casing knocking it loose from the wall, jumped to a wire clothes line which it destroyed and scorched clothing hanging on the line. Plastering was knocked from the kitchen ceiling. Mrs. McGinnis and two children who were in the kitchen at the time were not injured. Dishes on the table were turned black.
A barn was struck and destroyed by fire at Edesville near Rock Hall. Some parts of the county received a much needed rain while other sections of the county are as dry as powder.

LEGION TO OBSERVE DECORATION DAY

The Frank M. Jarman Post No. 36, American Legion, will observe Decoration Day, May 30th in the usual way by a parade to the cemetery where the graves of deceased veterans will be decorated and an appropriate address will be made by Dr. Frederick Livingood.
All ex-service men are invited to take part in the parade and the public is invited to attend the exercises at the cemetery.

BONUS BONDS DUE JUNE 15

WILL BE DISTRIBUTED BY POST-MASTERS—IDENTIFICATION NECESSARY
While no official information as to the distribution of bonus bonds and cash to approximately 400 veterans has been received by the Postmasters in Kent County it is understood that they will handle the distribution of the bonds through the post-office.
According to tentative plans the bonds will be addressed to the individuals and sent registered mail. The individuals will probably receive a notice of registered mail and will then go to their respective post offices for them. It is understood that positive identification of the individual will have to be made by the Postmaster before the bonds are delivered. If a veteran is not well known by the postmaster his best bet will be to take someone with him for identification and also some evidence of service such as a discharge etc.
Local Postmasters have been notified not to grant vacations to their employees between June 15th and June 30th.
It is estimated that the amount to be received by veterans living in Kent County is approximately \$175,000. As the bonus will be paid in Government bonds, there is no idea what proportion of them will be turned into cash.

WASHINGTON SWAMPS LOYOLA

WASHINGTON COLLEGE TOOK A STEP NEARER THE STATE COLLEGIATE BASEBALL CHAMPIONSHIP BY DEFEATING LOYOLA 29 TO 5 IN A SEVEN INNING GAME.
Ira Thomas, scout for the Athletics saw the game and Billy Nicholson, who is scheduled to go with the Athletics following his graduation here in June, made five hits in five trips to bat.
Washington will play Western Maryland and Mt. St. Mary's away next week and a win in either one of these two games will clinch the championship.

BETTERTON CHAMBER OF COMMERCE MEETS

A meeting of the members of the Chamber of Commerce was held at Charles H. Brice's store on Friday evening. A number of plans were laid for the summer season. One was to clean the grounds behind the Betterton Hotel and the adjoining property and use them for picnic parties. Another was to have a boat, connecting with the bus lines at Havre de Grace bringing passengers from Philadelphia and Baltimore here. A card party for the benefit of the Chamber of Commerce was held at the Right Hotel on Wednesday evening, about \$20.00 was cleared.
The members of the Epworth League were entertained at the Right Hotel on Thursday evening for the business and social meeting. The annual election of officers was held at the Epworth Hall. Miss May Trimble, a deaconess from the Strawbridge Home for Boys will be the speaker at the Epworth League.

225 TAKE ROAD EXAMS HERE SATURDAY

225 men took the examination here Saturday at the Chestertown High School by the State Employment Commission for employment with the State Roads Commission.
Included in this number were present employees seeking promotion, present employees not under the merit system and others seeking employment.
Results from the examination are expected within the next two weeks.

450 ATTEND DEMOCRATIC WOMEN'S MEETING

PREDICT SWEEPING VICTORY FOR ROOSEVELT
Four hundred and fifty women, from all parts of Maryland attended the meeting of the Democratic Leagues of Maryland which was held at the Armory in Chestertown on Thursday of this week.
The meeting was arranged by Mrs. Charles Whaland, Eastern Shore Chairman and presided over by Mrs. Mary H. Duval, State Chairman.
The speakers were: Miss Frances Perkins, Secretary of Labor; Mrs. Elizabeth R. Menefee, National Committee woman; Mrs. George Eller, Congressional Committee woman; Senators Landon G. Sasser and Lawrence G. Feneman, President Young, Democrats of Maryland.
All of the speakers commented on the accomplishments of the Roosevelt administration and predicted a sweeping victory next November.
The address, made by Miss Francis Perkins, Secretary of Labor, follows:
Chestertown, Md., May 21—President Roosevelt's program of planned recovery, aimed at increasing the purchasing power of wage earners and farmers has brought real gains to both groups with resultant benefits to employers and investors, Secretary of Labor, Frances Perkins declared in addressing the Spring rally of the United Democratic Women's Clubs here this afternoon. (Thursday).
She pointed out that employment in private industry is up more than 5,500,000 over the low point of the depression in March, 1932, and that in some lines it is greater than at the high point of all time in 1929. She also cited increased earnings of industrial concerns and great gains in farm income as being indicative that the New Deal in the interest of the greatest good of the greatest number is successful and will show further gains in the months to come.
"Maryland has shared in the improved economic conditions," Secretary Perkins said. "Employment in the manufacturing industries of the Old Line State for the first quarter of this year showed an increase of 35.7 per cent over the first quarter of 1933 and payrolls registered a rise of 35.7 per cent over the first quarter of 1933 and payrolls registered a rise of 86 per cent."

DELEGATES TO DEMOCRATIC CONVENTION CHOSEN

At the State Democratic Convention held in Baltimore on Wednesday of this week, Messrs. S. Scott Beck, Joseph George, William S. Gordy, Hooper S. Miles, were chosen to represent the 1st Congressional District at the Democratic Convention to be held in Philadelphia next month. There are 64 delegates from Maryland who will cast 16 votes at the Convention.
The delegates at large from Maryland are Senator Millard E. Tydings, Emerson C. Harrington, Mayor Howard Jackson and Howard Beck.
