RADIANT LIVING

When Walking with God
By Rev. C. M. Griffith
Pastor Calvary M. E. Church
Sudlersville

I never saw a person yet who, walking abroad on a glorious sunny day but that he was immersed in oceans of warm joyous sunlight. To walk with God Who is Light, is to walk in a glorious radiance.

And this radiance is one of joyful comradeship. Not only is it a divine fellowship, but it also embraces a human fellowship with others, a fellowship in which a man can look into the eye of another, and call him "brother."

As St. John writes: "If we walk in the light as He is in the light we have fellowship one with another and the blood of Jesus Christ His Son cleanseth us from all sin. The Apostle is declaring that walking with God is walking in purity."

Yes, it does seem incredible, but are not the rays of the sun continuously purifying the world of filth? Cannot the radiant energy of the Infinite Spirit continually purify and cleanse the heart which is continually kept bathed in the divine rays?
St. John's statement is backed by the fact that no darkness of evil can remain in the presence of the brightness of God. However intense the darkness of night, it must flee when the morning sun comes leaping over the horizon.
Blessed is that soul upon whom the Son of righteousness has fully risen with all His radiant glory!

WAKE UP YOUR LIVER BILE—
Without Colic!—And You'll Jump Out of Bed in the Morning Rarin' to Go
The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sick and the world looks pink.
Laxatives are only makeshifts. A more bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get those two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.
