EMPLOYMENT SERVICE FOR KENT COUNTY

COMMISSIONERS COOPERATING WITH EASTON OFFICE

The District Office of the National Reemployment Service at Easton, Maryland, has made arrangements with the Kent County Commissioners, and their clerk, Mrs. Marian Price, to accept telephone and personal calls from those who wish to employ one or more workers.

These requests for workers will be relayed to the N. S. R. at Easton each day, thereby saving the prospective employer the time and expense of mak-ng a trip to Easton or making a long distance telephone call.

This service is without cost.

In most instances, when an order is received, several workers will be referred so that the employer may have the opportunity of making final selection.

The National Reemployment Service has no control over hours to be worked or the wages to be paid.

The Service hopes that employers will avail themselves of this service through which they may secure local workers. Call Chestertown 241 or visit the County Commissioners office.

PROPER WAY TO CUT FLOWERS

The coming flower show which will be held in the Washington College gymnasium or September 10th and 11 brings the thought of proper cutting of flowers.

The following is recommended by Miss Bessie Nicholson, of the Flower Show Committee:

In thinking of cutting the blooms from our gardens it is well to remember that flowers should be cut early in the morning while the dew is still on them, or in the cool of the evening.

Roses, Peonies, Gladioli should be cut only in the evening, dahlias after the sun goes down and when in full bloom, for best results.

All flowers should be cut on a slant, the slanting cut prevents the possibility of stems resting n the bottom of the container and gives more surface through which the water may get to the blossom.

The Flower Show plans are progressing and the show promises to be well worth while.

CORRECTION

It was announced in this paper in the issue of August 1st that Mrs. Marie Perkins daughter of Mr. and Mrs. William E. Brown, and Mr. Walter Goodman, son of Mr. and Mrs. William Goodman were married at Bond Chapel on Thursday, July 30th.

This announcement was an error in the fact that it is denied by both parties concerned, by the pastor of Bond Chapel, and that no marriage license was issued.

This announcement was received by this office in an unsigned hand written notice from Quaker Neck where both parties concerned live.

We regret the error.
