**RADIANT LIVING**

'Lord, I am Thine!'

By Rev. C. M. Griffeth
Pastor Calvary M. E. Church
Sudlersville

The highest experience attained by the soul is this—to know that you are fully yielded to God and to His will. Only in this way can we reach the height attained by Jesus who prayed: 'Not my will but Thine be done.'

What more can a man give to his God than to give his complete self which includes his will? In giving to God his will, does not a man give to God all that his will controls?

Men whose only yielding to God is the tossing of a nickel or a quarter into the offering at church know nothing of the wonderful sense of restful satisfaction that sweeps over the heart when, in closing his eyes for sleep, one can say unto the Deity with fullest confidence: 'Lord, I am thine.'

To be God's own through the full unqualified surrender of one's whole being, including money, reputation, and future success, can a man make a greater gift to his God?

Whether you are working in the shop or in the office, in the kitchen or in the store, to pause long enough to express confidently from the heart such a fullness of surrender and consecration is to lift your whole being, mind and heart, temper and atmosphere into a high realm—into the realm of the Divine.

Thank God for the privilege of being fully the Lord's!

Feathertouch is two Pens in one...I need them both!

Platinum in the writing fluid channel of the Sheaffer Feathertouch point permits effortless two-way writing. When held normally this pen writes its user's normal script--when turned over it writes a thin, fine line particularly desirable for figure work, marginal notes, and other small writing. Everybody has use for both types of handwriting. Remember that all Sheaffer Feathertouch pens, either lever or visible-barrel type, are one-stroke vacuum-fillers--to keep in best writing condition they fill, empty with force, and clean with one stroke, and take in over 400% more fluid per stroke than multiple-stroke pens.

Sheaffer's are priced from $2.75 up
