Easy Pleasant Way To LOSE FAT

How would you like to lose 15 pounds of fat in a month and at the same time increase your energy and improve your health?

How would you like to lose your double chin and your too prominent hips and abdomen and at the same time make your skin so clean and clear that it will compel admiration?

Get on the scale to-day and see how much you weigh—then get a bottle of Kruschen Salts that costs next to nothing and which will last you 4 weeks. Take one half teaspoonful in a glass of hot water in the morning—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—and when you have finished the contents of this first bottle weigh yourself again.

After that you'll want to walk around and say to your friends, "One bottle of Kruschen Salts is worth one hundred dollars of any fat person's money."

But refuse imitations—safeguard your health—you loose fat SAFELY the Kruschen way.

NOTE—Many people find that the only diet change necessary while taking Kruschen regularly is TO EAT LESS.
