These are the Powerful Oil Burners. Connect with the Chimney, use Crude Oil. Convenient and Economical.

The new Florence Pot Type Burner can be operated for long periods of time without forming excess carbon. It is extremely simple—easy to use and keep clean. It is economical. *And it is noiseless.*

A film of oil on the bottom of the pot is easily lighted with a match, and immediately starts to vaporize. This oil vapor mixing with air entering through fine holes in the upper walls of the burner, forms a gas which burns with a clean orange-yellow flame of intense heat.

We Sell the New "SUN FLAME" Oil Burner. Come and see them. Our Low Prices Will Interest You. An Extra Discount On Every Stove.
