WOMAN'S COLUMN

QUEEN MARY OF ENGLAND

Queen Mary, has left Buchingham Palace, her home so long as wife of the king of England and gone to Marlborough House, the home of the Dowager Queens. She was accompanied to her new home by her son, the king. It must have been a sad break to her after being supreme for so many years. In every way she always stood for the best and was the ruling spirit in the late king's life.

BABY DOE TABOR

There has been so much told about Baby Doe Tabor, the young miner girl that became the wife of Senator Tabor who was Senator for one month only, as he was appointed to fill the place of a Senator who had died. During his short term he was married at the Willard Hotel having as his special guest President Arther. For awhile they lived in splendor, then hard times came to them and they became very poor. And then Tabor fell ill. On his dying bed, he charged his wife not to sell the mine. Offers to buy at large prices were constantly tempting her, but she kept faith with her husband and refused to sell.

Last winter she was found in her shack near the mine frozen to death. Extreme poverty had come to her, as was shown for no food was found in the house.

Now the museum in Denver is buying her fine clothes which were found in her trunks, and having then repaired and cleaned and placing them in the museum.

Like a meteor she dazzled all around her for awhile and then she went down.

NOW AND THEN

THAT DAY YOU CAME

Such special sweetness was about
That day God sent you here,
I knew the lavenders was out,
And it was mid of year.

Their common way the great winds blow
The ships sailed out to sea,
Yet ere the day was spent I knew
Mine own had come to me.

As after song some snatch of tune
Lurks still in grass or bough,
So somewhat of the end of June
Lurks in each weather now.

The young year sets the buds astir.
The old year strips the trees;;
But ever in my lavender
I hear the brawling bees.

Lizette Woodworth Reese, the well beloved poet of Baltimore, who died last year, is well remembered in the heart of her friends.

Farrar and Rhinehart, publishers of New York has just put out two volumes of her poems, one of them her long one entitled "The Old House of Worleys" and the other containing her shorter poems. These two books, beautifully bound, are sold together in a box, as a memorial edition to the poet. Hervey Allen of Anthony Adverse fame, has written the following about her poem "The old House of Worleys."

"There is a certain kind of poetry that can bring its full significance only to those who can feel, either from experience or innate sensitiveess, how a house, a garden, the familiar countryside about it can become truly hallowed by the lives of those who lived there."

There is a bust of Miss Reese in the Pratt Library. The above poem is taken from "The Books of Modern Verse."

It is a good thing to pull down the blinds when one is doing anything unusual.

A good woman in New Jersey, auxious to restore her husband to health made a concoction on the stove, in her kitchen and rubbed her husband vigorously.

Neighbors seeing her motious thought she was using witch craft and had her arrested. A great many explanations were necessary to convince them that she was curing her husband.

If one really wishes to reduce just scatter a handful of confetti on the floor every dayy and then pick it up, bending from the waist. Perhaps it will not take more than an hour or two, and it certainly does the work.

Daylight saving is over for nearly a year. Well, it is very nice for those who are loyal to old Father Time to feel that six o'clock is the same all over the country in spite of the difference in Longitude.

Now one only has ot remember that those states in the middle west have one hour earlier time that in the mountain states it is two hours earlier and that California is breakfasting at 8 a. m. while with us, it is wearing noon.

Tour of the World in Eighty Days" by Jules Verne can recall how the hero, Philleas Fog, gained a whole day by traveling from the east to the west.

The people of North Water St. alias the "Water Dogs", were dismayed when they found their much used mailing box had been demolished, by an auto, but when they were informed that the driver had driven into it, to avoid running over a child, their feelings towards him immediately changed. Uncle Sam has had his property repaired and the mail box is on duty again.

So many little lives are snuffed out these days, by the auto, because children will run in front of them or play upon the streets.

UPSALA BRING STRONG TEAM

Bowing by a 28-7 score to Western Maryland last Saturday was a fine accomplishment for Upsala College, Washington's opponents here on Saturday in the first home game of the year. They did better than expected against the powerful Green Terrors and will give Washington more than a little trouble.

The Vikings, as the visitors are called, are placing their main reliance for victory on their 200 pound forward wall and a set of speedy backs, who average around 175 pounds. Vinnie Albanese, fleet half-back, is the smallest man on the squad packing only 160 pounds, but he is one of the best broken field runners in the East and is the spearhead of the Upsala offense.

Last season Albanese led the Vikings to several triumphs by his brilliant broken field dashes and one of Woerners chief problems is to provide the speedster adequate blocking to allow him to show at his best. If Vinnie can get the support he needs, the Vikings will be on their way to victory in most of their games this year.

Pat Tortorella, 198 pound end, is the powerhouse of the line. Pat, a tall rangy lad with plenty of speed was one of the best wingmen in Eastern grid circles last year and in early practice sessions he has shown to even better advantage. He has a capable partner in Nick Lally, another 190 pounder. Both are adept snaring forward passes out of the air.

The Vikings also present plenty of power at the tackle posts where Clarence Graef and Porky Brown hold sway. Graef scales 6 feet, 4 inches and weighs 220 pounds. His partner annoys the scales at 190 pounds. Despite their stature both are extremely fast in covering punts and are bulwarks on the defense.

The Great Ziegfeld

Luise Rainer, Virginia Bruce, William Powell and Myrna Loy with Harriet Hoctor leading the Circus Ballet in "The Great Ziegfeld"

"The Great Ziegfeld," Metro-Goldwyn-Mayer's giant picture, which comes on Monday, Tuesday and Wednesday, October 12, 13 and 14, to the New Lyceum Theatre, can be described in three words . . . . World's Greatest Entertainment!

Challenging all competition, "The Great Ziegfeld" has more first-rate entertainment values crowded within its sixteen reels than any other picture labeled "musical' or otherwise.

Aside from being a musical extravaganza this story of America's greatest showman and the Glorification of the American Girl also possesses a fine dramatic quality.

It has a triple-star threat—William Powell, Myrna Loy and Luise Rainer—to tell a story suggested by the career of Florenz Ziegfeld, with Powell as Ziegfeld, Miss Loy as Billie Burke and Miss Rainer as Anna Held.

Supporting the star triumvirate are such players as Virginia Bruce, Frank Morgan, Nat Pendleton, Reginald Owen, Jean Chatburn, Ernest Cossard, Herman Bing.

The entertainment value becomes a Parade of Ziegfeld, for the cast also features such world-famous entertainers as Fanny Brice, the ruling American comedienne; Harriet Hoctor, whom Ziegfeld acclaimed the Pavlowa of America; and Ray "Rubber Legs" Bolger, Broadway dancing star.

Also through the story march impersonations of such memorable characters as Will Rogers, Eddie Cantor, W. C. Fields, Bert Williams, Nat Wills, Lew Dockstader, Lee Shubert, Joseph Urban, Irving Berlin, George White and Charles Frohman.

The film story, produced by Hunt Stromberg and directed by Robert Z. Leonard, covers every phase of Ziegfeld's career from the time he first exploited Sandow, "Strongest Man in the World," at the 1893 World's Fair, up to the time of his death.

The musical numbers are possibly the most dazzling ever conceived either for stage or screen. Staged by Seymour Felix, formerly Ziegfeld's dance director, they include the beautiful "American Girl Circus" number, featuring Harriet Hoctor in a daring original ballet with unleashed lions; the "Girl Bouquet" number, featuring the Glorified American Girls and Ray Bolger.

Also, the "You" number, featuring the Glorified Dancing Girls on the Ziegfeld Roof; the "Honeymoon Cottage" number, again featuring the Glorified Girls; the "Pretty Girl Is Like a Melody" number, featuring Virginia Bruce and a parade of the most gorgeous Adrian costumes ever designed; and the "Finale," a breathtaking panorma of music, song, beauty and spectacular stage settings.

Lavish sets, designed by Cedric Gibbons, include many elaborate stage scenes, the interiors of numerous theatres and hotels and many famous other edifices that became milestones in Ziegfeld's career.

The screen play of "The Great Ziegfeld" was written by William Anthony McGuire, also formerly associated with Ziegfeld, and the new song numbers were written by Walter Donaldson and Harold Adamson.

"Nerves" NERVES "Nerves"

Dr. Miles NERVINE *"Did the work"* says Miss Glivar *WHY DON'T YOU TRY IT?*

After more than three months of suffering from a nervous ailment, Miss Glivar used Dr. Miles Nervine which gave her such splendid results that she wrote us an enthusiastic letter.

If you suffer from "Nerves." If you lie awake nights, start at sudden noises, tire easily, are cranky, blue and fidgety, your nerves are probably out of order.

Quiet and relax them with the same medicine that "did the work" for this Colorado girl.

Whether your "Nerves" have troubled you for hours or for years, you'll find this time-tested remedy effective.

GOVERNOR'S PROCLAMATION PROPOSING AMENDMENTS

1936

PROCLAMATION OF THE GOVERNOR OF MARYLAND PROPOSING AMENDMENTS TO THE CONSTITUTION OF THE STATE

WHEREAS, at the January session of the General Assembly of Maryland, held in the year 1935, an Act was passed, to wit: Chapter 426 proposing an amendment to Section 21 of Article 4 of the Constitution of the State of Maryland, title "Judiciary Department," subtitle "Part III-Circuit Courts" providing for an additional Judge in the Sixth Judicial Circuit of Maryland, and to provide for the submission of said amendment to the qualified voters of this State for adoption or rejection; and

WHEREAS, at the January session of the General Assembly of Maryland, held in the year 1935, an Act was passed, to wit: Chapter 584 proposing an amendment to Section 13 of Article 3 of the Constitution of the State of Maryland, title "Legislative Department," providing for the appointment of persons by the Governor to fill vacancies in the House of Delegates or in the Senate of the General Assembly of Maryland and providing for the submission of said amendment to the qualified voters of the State for adoption or rejection; and

WHEREAS, at the Extraordinary session of the General Assembly of Maryland, held in the year 1936, an Act was passed, to wit: Chapter 151 proposing an amendment to Section 39 of Article III of the Constitution of the State of Maryland, title "Legislative Department," so as to strike out the provision therein to the effect that the General Assembly shall grant no charter for banking purposes, nor renew any banking corporation now in existence, except upon the condition that the stockholders shall be liable to the amount of their respective share or shares of stock in such banking institution, for all its debts and liabilities upon note, bill or otherwise; and providing for the submission of said amendment to the qualified voters of the State of Maryland for adoption or rejection; in words and figures as follows:

CHAPTER 426

AN ACT to amend Section 21 of Article 4, title "Judiciary Department," sub-title "Part III-Circuit Courts" of the Constitution of this State, and to provide for the submission of said amendment to the qualified voters of this State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, That three-fifths of all the members elected to each of the two houses concurring, that the following section be and the same is hereby proposed as an amendment to Section 21 of Article 4, title "Judiciary Department," sub-title "Part III-Circuit Courts" of the Constitution of this State, and if adopted by the legal and qualified voters thereof as herein provided, it shall supersede and stand in the place and stead of Section 21 of said Article 4.

21. For each of the said circuits, excepting the eighth and the third and the sixth, there shall be a chief judge and two associate judges, to be styled judges of the Circuit Court, to be elected or appointed as herein provided, and for the third circuit and for the sixth circuit, there shall be a chief judge and three associate judges to be styled judges of the Circuit Court, to be elected or appointed as herein provided. And no two of said associate judges, for any of the said circuits, except the third and sixth circuits shall, at the time of their election or appointment or during the term for which they may have been elected or appointed, reside in the same county. If two or more persons shall be candidates for associate judge in the same county in any of the circuits, except the third and sixth circuits, that one only in said county shall be declared elected who has the highest number of votes in the circuit. In case any two candidates for associate judge in any of the circuits, except the third and sixth circuits, residing in the same county shall have an equal number of votes greater than any other candidates for associate judge in the circuit, it shall be the duty of the Governor to order a new election for one associate judge; but the person residing in any other county of the circuit and who has the highest number of votes shall be declared elected. The said judges shall hold not less than two terms of the Circuit Court in each of the counties composing their respective circuits, at such times as are now or may hereafter be prescribed to which jurors shall be summoned; and in those counties where only two such terms are held, two other and intermediate terms, to which jurors shall not be summoned; they may alter or fix the time for holding any or all terms, until otherwise prescribed, and shall adopt rules to the end that all business not requiring the interposition of the jury shall be, as far as practicable, disposed of at said intermediate terms. One judge in each of the above circuits, including the third and sixth circuits, shall constitute a quorum for the transaction of any business; and the said judges or any of them may hold special terms of their courts, whenever in their discretion, the business of the several counties renders such terms necessary. The additional associate judge for the third circuit herein provided for (shall be elected by the qualified voters of Baltimore and Harford Counties, at the first election that shall be held in said counties subsequent to the adoption of this amendment, and the judge so elected) shall be subject to the same constitutional provisions, hold his office for the same terms of years, receive the same compensation and have the same powers as are herein provided for the other associate judges in the third circuit.

The additional judge for the sixth circuit herein provided for shall be elected by the qualified voters of Frederick and Montgomery Counties at the first election that shall be held in said counties subsequent to the adoption of this amendment and none shall be appointed before that time. The judge so elected shall be subject to the same constitutional provisions, receive the same compensation and have the same powers as are herein provided for the other associate judges in the sixth circuit. The Chief Judge may be elected from either Frederick or Montgomery Counties, but when the Chief Judge is elected from Frederick County one of the associate judges shall be a resident of said County and the two remaining associate judges shall be residents of Montgomery County and when the Chief Judge is elected from Montgomery County one of the associate judges shall be a resident of said Montgomery County and the remaining two associate judges residents of Frederick County. In case any candidate or candidates for associate judge at any judicial election held in the sixth judicial circuit shall receive sufficient votes to cause such candidate or candidates to be declared elected, but the election of such candidate or candidates would cause more associate judges than herein permitted to reside in any county of said circuit, then and in that event only that candidate or those candidates, as the case may be, residing in said county in the order of the votes received shall be declared elected whose election would provide the permitted number of associate judges from said county and the candidate or candidates as the case may be, residing in the other county, and not similarly disqualified, who shall have the next highest number of votes in said election shall be declared elected. If, by reason of such a condition or by reason of an equal vote for two or more candidates a sufficient number of associate judges duly qualified as to residence as above set out should not be elected at any election in said sixth judicial circuit, then it shall be the duty of the Governor to order a new election for such unfilled office or offices.

Sec. 2. And be it further enacted, That the aforegoing section hereby proposed as an amendment to the Constitution of this State shall be, at the next general election to be held in this State in the year 1936, submitted to the legal and qualified voters thereof for their adoption or rejection in pursuance of directions contained in Article 14 of the Constitution of this State, and at the said general election, the vote on the said proposed amendment shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as now prescribed by law, and immediately after said election, due returns shall be made to the Governor of the vote for and against said proposed amendment as directed by said Article 14 of the Constitution.

Approved: May 17, 1935.

CHAPTER 584

Section 1. Be it enacted by the General Assembly of Maryland (three-fifths of all of the members of each of the two Houses concurring), That the following amendment is hereby proposed to Section 13 of Article 3 of the Constitution of the State of Maryland, title "Legislative Department," the same, if adopted by the legally qualified voters of the State as herein provided, to become Section 13 of Article 3 of the Constitution of the State of Maryland.

Section 13. In case of death, disqualification, resignation, refusal to act, expulsion, or removal from the county or city for which he shall have been elected, of any person who shall have been chosen as a Delegate or Senator, or in case of a tie between two or more such qualified persons, the Governor shall appoint a person to fill such vacancy from a person whose name shall be submitted to him in writing by the State Central Committee of the political party with which the Delegate or Senator, so vacating, had been affiliated in the County or District from which he or she was elected, provided that the appointee shall be of the same political party as the person whose office is to be filled; and it shall be the duty of the Governor to make said appointment within fifteen days after the submission thereof to him. In the event there is no State Central Committee in the County or District from which said vacancy is to be filled, the Governor shall within fifteen days after the occurrence of such vacancy appoint a person who is otherwise properly qualified to hold the office of delegate or senator in such District or County. In every case when any person is so appointed by the Governor, his appointment shall be deemed to be for the unexpired term of the person whose office has become vacant.

Sec. 2. And be it further enacted by the authority aforesaid, That said aforegoing section, hereby proposed as an amendment to the Constitution, shall be at the next general election for members of the House of Representatives of Congress held in this State submitted to the legal and qualified voters of the State for adoption or rejection, in pursuance of the directions contained in Article 14 of the Constitution of this State, and at the said general election the vote on the said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment," and "Against the Constitutional Amendment," as now provided by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by said Fourteenth Article of the Constitution, and further proceedings had in accordance with said Article Fourteen.

Approved: May 17, 1935.

HOW MODERN WOMEN LOSE FAT SAFELY

Gain Physical Vigor—Youthfulness With Clear Skin and Vivacious Eyes That Sparkle With Glorious Health

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 4 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—Kruschen will give you a joyous surprise.

Get a bottle of Kruschen Salts—the cost is trifling and it lasts 4 weeks. If you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

But be sure for your health's sake that you ask for and get Kruschen Salts.

NOTE—Many people find that the only diet change necessary while taking Kruschen regularly is TO EAT LESS.

FOR THOSE WHO REMAIN

When death visits a home, the first concern is to perform the last service to the loved one in a becoming manner. What ever is done must express all the reverance and affection that is felt at such a time. But in addition to this a further responsibility rests upon the funeral director. It is his privilege and duty to lessen as far as lies with in his power, the burdens laid upon those who remain. By countless little acts of thoughtfulness he can make the way easier for them.

We consider this part of our work as important as any other. Our highest aim is to have our patrons look upon us as trusted friends, ready and anxious to render sympathetic assistance to those who remain behind.

Funeral Director.
