RADIANT LIVING

By Way Of The Cross

By Rev. C. M. Griffeth
Pastor Calvary M. E. Church
Sudlersville

Why is it that the star of Bethlehem was never selected as an emblem of Christianity? It is because the death of Jesus, and not His birth, is the heart of Christianity.

And the cross is more than a mere symbol. It is expressive of that denial and that sacrifice which is a part of every true Christian life and service.

The cross meant death to Jesus. To us it means that we must pass through such a full consecration to God's will as to actually die out to our own desires and to the desires of wordly people.

The true Christian lives in an entirely different world. The true Christian lives in the environment of a spiritual paradise—a paradise of divine fellowship.

To be crucified to the world and to die out to all that it calls "life" is forcibly impressed upon us by the remark made by James Calvert, who, when on his way to the cannibal Fiji Islands, was warned by the captain of the vessel upon which he was sailing, not to land there, for if he did, he would surely die.

"We died before we came," calmly replied the consecrated man.

Calvert had the secret. He could say with the Apostle Paul: "I have been crucified with Christ, nevertheless I live, yet not I, but Christ liveth in me."

Membership Sunday at St. James and Lynch. The services of last Sunday, which was Membership Sunday and Thanksgving at St. James and Lynch, proved to be a very happy occasson. A personal invitation was sent to each member to be present or send a word of greeting. The result was splendid. Greetings were received from many, who could be present and from some as far away as Florida. The congregation was the largest of the actual membership of the church that the pastor has seen over a period of nine years. There were two hundred present at this service. A thank offering was given in which every one had a part, amounting to $120. The choir rendered a special Thanksgiving anthem, supplemented by a quartette of the young men of the church. It was a most happy occassion long to be remembered.

Read the remarkable record of GULFPRIDE

THE WORLD'S FINEST MOTOR OIL

GULFPRIDE'S achievements have never been duplicated by any other motor oil!

The reason? GULFPRIDE alone is made from choice Pennsylvania crude . . . refined *first* to equal the best competitive motor oils . . . and then *further* refined by Gulf's exclusive Alchlor process. It took 15 years' research to develop this amazing oil. Such scientific effort backs each Gulf product.

Drain and refill with GULFPRIDE now. At all Gulf dealers.

(Left) *SEE WHAT HAPPENS* when a mixture of 6 of the best-known Pennsylvania motor oils goes through Gulf's Alchlor process. *20% waste is removed from these already highly refined oils.* That's why GULFPRIDE tops all other Pennsylvania motor oils.

(Right) *WINTER'S COMING!* It's time to get rid of that thick, sluggish summer oil and change to WINTER GULFPRIDE. Every set of buyers' specifications for quality winter motor oil, including those of the U. S. Army and Navy, is far exceeded by GULFPRIDE'S winter grades—either "Winter" or "Extreme Winter".

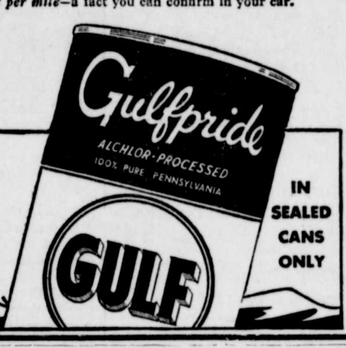

EASTERN AIR LINES' Great Silver Fleet has flown more than 26,000,000 passenger-miles during the past six months, using GULFPRIDE OIL *exclusively.* Reason: this oil gives *the lowest cost per mile*—a fact you can confirm in your car.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. Bit.
