WHETHER MARYLAND will adopt an unemployment insurance plan will be determined by the Legislature of this State next week. The fact that the voters of Maryland favor social security was revealed in the large majority given President Roosevelt in November but whether they will favor the particular plan proposed for Maryland is something that the Legislators should give careful consideration. It should be determined how the plan is to be administered and assurance given that it will not be made a political football to favor any particular group or individual. Too often State laws are passed with the best of intentions but too little thought is given to the administration of them which very often results in the conversion of something worthwhile into a racket.

Chestertown To Decorate For Christmas

The business section of Chestertown will decorate for the Christmas holidays, according to an announcement made this week by Mr. W. Belt Townshend, Chairman of the Community Service Committe of the Chestretown Rotary Club, who has sponsored the decoration plan.

The street lighting plan will be similar to that of last year with strings of colored lights strung across high and cross streets. Each of the merchants are planning to erect lighted Chrismtas trees in front of their places of business which together with the decorated Christmas windows promises to carry out an elaborately decorative scene.

Firemen Answer Four Alarms In Week

The Chestertown Fire Company answered four alarms within the past six days.

Saturday morning they were called to the home of Mr. Raymond Hudson to take care of a chimney fire. They were compelled to confine their operations to the outside of the house when told that the inside was quarantined due to scarlet fever. Shortly before noon the town dump on the Quaker Neck road caught fire again and was threatening adjoining property. This was extinguished only after pumping water from Chester River for an hour.

Monday evening the fire company meeting was interrupted by a call to a chimney fire at the home of Mr. Harrison W. Vickers on Washington Avenue.

On Wednesday a fire at the Toby home at Quaker Neck Wharf called out the company but a fire out signal at Pomona halted the apparatus at Pomona.

Rotary Club To Entertain Foot Ball Squad

The Chestertown Rotary Club will entertain the Washington College foot-ball lettermen on Monday evening, December 14th.

Among the speakers on the occasion will be Lieutenant Harry Derringer, United States Navy. Lieutenant Derringer took an active part in athletics at the Naval Academy and since graduation has served on the coaching staff at the Academy.

SIXTY MILLION OF FEDERAL FUNDS USED IN MARYLAND

Balance of Maryland's Allotment $3,368,897.75

Under the Consolidated Emergency Relief Appropriation Acts of 1935 and 1936, President Roosevelt as of November 10 had allocated to Maryland $63,033,843.30, according to information received by Arthur E. Hungerford, State Director for the National Emergency Council for Maryland.

Of this amount the total obligations amount to $59,714,945.55, leaving a balance of $3,368,897.75.

The largest amount, $16,427,623.21, has been allocated to the W. P. A. P. W. A. follows with $12,770,413.40. The Resettlement Administration is third with $8,953,540.47.

The C. C. C. has been allocated $7,766,300. For the F. E. R. A. $7,409,090.72 was allocated. For roads and grade crossing elimination, the Federal Bureau of Public Roads has been allocated $3,729,199.44. The distribution includes $240,061.25 for Agriculture, exclusive of Public Roads; $98,146.34 for rivers and harbors under the Corps of Engineers of the Army, and $2,320,570.72 for all other major organizations and work in the State.

These figures do not include money not allocated to specific states.

For its projects at Grantsville, Garrett County, and Snow Hill, Worcester County, the Land Utliization Division of the Resettlement Administration has taken options on 41,575 acres at a total cost of $263,580, according to information supplied Arthus E. Hungerford, State Director for the National Emergency Council for Maryland. The total number of options is 160.

The Government up to October 31 had made payment for 27 tracts comprising 5,103 acres at a total cost of $41,746.

Difficulty has been experienced in securing titles on much of the land required by the Government. At the Grantsville project 24 tracts covering 4,796 acres have been paid for at a total cost of $37,040. F. Harold Kurtz is in charge of this tract. At the Worcester-Wicomico project three tracts comprising 307 acres have been purchased at a cost of $4,705.

A total of 335 relief workers were putting the Grantsville tract in shape, and 228 were at work on the Worcester tract.

For the information of the public, a chart containing a brief summary of the phases of the C. C. C. program in Maryland from April 1, 1933, to August 31, 1936, has been received by Arthur E. Hungerford, State Director for the National Emergency Council for Maryland.

This chart shows the number of enrollees, including juniors and veterans, as 17,256. On August 31, 3,008 Maryland enrollees were in C. C. C. camps. At the same time 4,734 were working in Maryland.

The chart shows the number of camps operating in Maryland as follows: State Forest, 13; Mosquito Control, 2; Bureau of Animal Industry, 3; Drainage, 3; Soil Conservation, 3; State Park, 2; Military Reserve, 3 and Naval Reserve, 1, making a total of 30.

The estimated total obligations in Maryland is placed at $15,138,000, with $3,437,000 sent to their families by C. C. C. boys. Enrollees allot from $22 to $25 from their $30 monthly cash allowance to their families.

Under the title "Work", the chart shows that C. C. C. men in Maryland protected forests and parks against fire, developed recreational areas, improved wild life conditions and worked on State Forests.

In the Circuit Court for Kent County
In Equity No. 3030

The object of the Bill filed in the above entitled case is to procure a Decree for the sale of the real estate therein described and the distribution of the proceeds therefrom to those entitled.

The Bill states:

That Mary E. Kennard Scott, late of Kent County, deceased, was in her lifetime and at the time of her death, seized and possessed in fee simple of the following real estate situated in Galena, Kent County, Maryland:

All that lot of land and premises in the Village of Galena in Kent County and State of Maryland and is upon the western side of the public road leading to Georgetown and adjoins the lands of or formerly of Joseph P. Ireland, Mrs. Melvina Ruth, John Jervis and Mrs. Martha R. Miller and contains 120 square perches of land, more or less. Being the same tract of land conveyed to the said Mary E. Scott by W. H. Kennard et al by deed dated April 29, 1880, and recorded among the Land Records for Kent County, Maryland in Liber S. B. No. 1, folio 47 etc.

That the said Mary E. Kennard Scott being possessed of the above real estate departed this life during the month of July, 1897, intestate, leaving surviving her a daughter, Elizabeth Scott Woodside, now widow, and resides in Kent County, Maryland; a daughter, Sophie C. Hurtt, who resides in Kent County, Maryland, and who is now married to Edmon S. Hurtt, of Kent County, Maryland; and a son, Edward A. Scott, who formerly resided in Kent County, as her only heirs at law to whom the above real estate descended; that the said Edward A. Scott departed this life at Kent County, Maryland, on June 2, 1936, intestate, leaving surviving him as his only heirs at law to whom his real estate descended, his widow, Teresa Daisy McC. Scott; a daughter, Francis Scott Davis, who is married to James D. Davis, Jr., and who permanently reside at Galena, Kent County, Maryland; a daughter, Mary Scott, single, who resides in Baltimore City, Maryland; and a daughter, Teresa Scott Zeiders, who is married to Glenn Zeiders, both of whom reside in Canton, State of Ohio. All of the above parties are over twenty-one years of age.

That the said real estate is not susceptible of partition without material loss and injury to the parties entitled to an interest therein as above stated, and that, in order to make division of said interest, it will be necessary that the said real estate be sold, and the proceeds thereof divided among the parties according to their several interests.

It is thereupon, this 1st day of December, 1936, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiffs, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 28th day of December next, give notice to the said Teresa Scott Zeiders and Glenn Zeiders, none-resident defendants, warning them to appear in this Court in person, or by Solicitor, on or before the 11th day of January next, to show cause, if any they have, why a Decree ought not to be passed as prayed.
