"Vegetable Gardens" Put in Box

In Seventeenth century, Quebec, "vegetable gardens" were sold in the markets each fall. Boxes of earth in which rooted lettuce plants were growing were bought by townspeople and stored in their cellars to insure a supply of greens.

When Men Powdered Hair

The use of powder for men's hair went out of fashion in 1794, but some people continued to use it until as late as 1810. Doctors still clung to wigs as late as 1819, but they went out of fashion about 1805.

IT DOESN'T MATTER

Sweet Young Thing: "No, I don't even know which end of the caddy to hit the ball with."

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.
