Classical Society Meets

Among the noteworthy social features of this week at Washington College was a meeting of the Classical Society which was held in Reid Hall Thursday night at 7:30. The group, directed and advised by Professor Paul A. Solandt, consists of those students actively interested in Latin classics, and is one of the most prominent organizations on the Hill. The evening's program presented Dr. Frederick Livingood as guest speaker. Dr. Livingood's topic was "Greek Education in Relation to Modern Education". This subject included many interesting viewpoints, such as the survey of the geographical and political factors supporting Greek education, a comparison of the dominant system of education among the Greeks and the implications from Greek teaching for modern education.

Other features of the evening's entertainment was a quartet, consisting of J. Stack, C. Hope, B. Moore, and W. Herra, who presented several selection in Latin.

Ice cream and cake was served at the conclusion of the program.

In the Circuit Court for Kent County
In Equity No. 3030

The object of the Bill filed in the above entitled case is to procure a Decree for the sale of the real estate therein described and the distribution of the proceeds therefrom to those entitled.

The Bill states:

That Mary E. Kennard Scott, late of Kent County, deceased, was in her lifetime and at the time of her death, seized and possessed in fee simple of the following real estate situated in Galena, Kent County, Maryland:

All that lot of land and premises in the Village of Galena in Kent County and State of Maryland and is upon the western side of the public road leading to Georgetown and adjoins the lands of or formerly of Joseph P. Ireland, Mrs. Melvina Ruth, John Jervis and Mrs. Martha R. Miller and contains 120 square perches of land, more or less. Being the same tract of land conveyed to the said Mary E. Scott by W. H. Kennard et al by deed dated April 29, 1880, and recorded among the Land Records for Kent County, Maryland in Liber S. B. No. 1, folio 47 etc.

That the said Mary E. Kennard Scott being possessed of the above real estate departed this life during the month of July, 1897, intestate, leaving surviving her a daughter, Elizabeth Scott Woodside, now widow, and resides in Kent County, Maryland; a daughter, Sophie C. Hurtt, who resides in Kent County, Maryland, and who is now married to Edmon S. Hurtt, of Kent County, Maryland; and a son, Edward A. Scott, who formerly resided in Kent County, as her only heirs at law to whom the above real estate descended; that the said Edward A. Scott departed this life at Kent County, Maryland, on June 2, 1936, intestate, leaving surviving him as his only heirs at law to whom his real estate descended, his widow, Terera Daisy McC. Scott; a daughter, Francis Scott Davis, who is married to James D. Davis, Jr., and who permanently reside at Galena, Kent County, Maryland; a daughter, Mary Scott, single, who resides in Baltimore City, Maryland; and a daughter, Teresa Scott Zeiders, who is married to Glenn Zeiders, both of whom reside in Canton, State of Ohio. All of the above parties are over twenty-one years of age.

That the said real estate is not susceptible of partition without material loss and injury to the parties entitled to an interest therein as above stated, and that, in order to make division of said interest, it will be necessary that the said real estate be sold, and the proceeds thereof divided among the parties according to their several interests.

It is thereupon, this 1st day of December, 1936, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiffs, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 28th day of December next, give notice to the said Teresa Scott Zeiders and Glenn Zeiders, none-resident defendants, warning them to appear in this Court in person, or by Solicitor, on or before the 11th day of January next, to show cause, if any they have, why a Decree ought not to be passed as prayed.

GIVE HIM THE TIE THAT IS

A STEP AHEAD

IN STYLE AND STAMINA

THESE TWIN FLEX TIES have been styled to set the pace in cravat smartness this holiday season. They're hand-tailored from notably fine fabrics that have the official nod of approval from the most exalted style authorities. But there's more to these ties than just what meet your eyes. You'll choose them because they are strikingly smart but the lucky chap who gets them will wear them longer than ordinarily because they're made with a double lining. That additional lining gives them extra stamina to withstand the strain of continual tying. It keeps them "COMING BACK" as smooth and smart as ever.

Hundreds of patterns to select from in plain or fancy patterns. Silk and wool in spaced figures, stripes or jacquard patterns. These very unusual and distinct designs in exact reproductions of Cathedral windows, such as Notre Dame, and Rheims, Paris, Choir Window from Milano and Doges Palace, Venice. Others designed from rare hand-tooled Italian Book Bindings. All attractively boxed and wrapped for Christmas giving.
