Prolong the Spirit of Christmas for Years With Aladdin Light

● "And a wonderful light shown round about," so Scripture says of that first Christmas night. How appropriate, then, to put that truly "wonderful light" of the Aladdin Lamp into your home this Christmas. So white — so pure — approaching sunlight in its effulgence. Modern, too — unsurpassed by electric light for quality and steadiness.

Giving Aladdin Is Good Taste!

The gift of Aladdin is the gift of something recognized to be fine and durable. You couldn't choose anything more appropriate for friends in the country who are without modern light. Its use means economy. Runs 50 hours on a single gallon of kerosene (coal-oil). Burns 94% air and only 6% oil. Saves eyestrain, which all too often runs into expense for examination, treatment and glasses. So simple and safe a child can operate. No noise, odor or smoke; no pressure to maintain.
