NEXT FRIDAY will issue in 1937 and the usual greeting of a Happy and Prosperous New Year is particularly appropriate this season as the prospects of just that are in sight. During the past six years the new year was greeted with despair, then hope and this year encouragement. There is a marked uptrend in all walks of life. The various State and Federal regulations providing for the care of the aged has eliminated that fear of poverty in old age and has established of possible happiness until the end. Then again recognition is increasing for those masses of individuals who struggle for a bare livelihood and if this class live up to their responsibilities the year 1937 should be a year of general prosperity. It is hoped that the word prosperity is not taken to mean undeserved ease and comfort as regardless of any present conditions, continued prosperity can only continue to exist when founded on a sound basis of just receipts for h- est efforts exerted. Then again the propects for the New Year will be greatly affected by the attitude of mind in which we enter it. If w look forward to dark clouds the sun will rarely shine but if we forsee sunshine the clouds will not be noticed.

WITH THE REGULAR session of the Maryland Legislature convening in January, business men in all parts of the State are wondering what, if any, new tax measures will be passed. There is wide-spread talk of a possible sales tax or some other tax measure being proposed to raise large sums for road purposes. A comforting thought, with reference to any measure that may be offered by the present State Administration, is the lead taken by the Democratic Legislators at the special session by passing their own unemployment insurance bill which accomplished its purpose without putting any additional burden on Maryland employers or employees. This leads one to be- ble thought to the inlieve th atecmfw lieve that Democratic Legislators will not let any over ambitious legislation pass without giving every po ble thought to the interests of their constituants. It is the general opinion t hat no additional road burden should be considered until necessary laws are passed prohibiting the diversion of the present gasoline tax receipts.

### *Holiday Egg Nog*

If you are keeping open house over the holidays, here is an old fashioned egg nog recipe.

Take a dozen eggs and put the yolks into one dish and then divide the whites evenly in two dishes. Beat yolks light, add two cups sugar, beat well and then add one quart of good brandy and one pint of jamaica rum, adding a little at a time, turn about. Then add three quarts of rich cream and one of the dishes of whites of eggs, beaten up light.

Take the rest of the whites and beat up stiff and add a cup of powdered sugar, add ot this a quart of cream and stir into the above.

Make early in the morning the day it is to be used, so that the brandy and the rum have time to blend.

A SIMPLER VERSION OF EGG NOG

12 eggs, whites and yolks separated
12 tablespoons sugar
12 tablespoons brandy
12 tablespoons jamaica rum
1 quart cream

Beat yolks light and mix sugar in thoroughly. Then add brandy and rum.

Whip cream firm and stiff and add to above mixture. Beat whites of eggs stiff and add last of all to the above.

**Prolong the Spirit of Christmas *for Years* With Aladdin Light**

● "And a wonderful light shown round about," so Scripture says of that first Christmas night. How appropriate, then, to put that truly "wonderful light" of the Aladdin Lamp into your home this Christmas. So white — so pure — approaching sunlight in its effulgence. Modern, too — unsurpassed by electric light for quality and steadiness.

**Giving Aladdin Is Good Taste!**

The gift of Aladdin is the gift of something recognized to be fine and durable. You couldn't choose anything more appropriate for friends in the country who are without modern light. Its use means economy. Runs 50 hours on a single gallon of kerosene (coal-oil). Burns 94% air and only 6% oil. Saves eyestrain, which all too often runs into expense for examination, treatment and glasses. So simple and safe a child can operate. No noise, odor or smoke; no pressure to maintain.

In the Circuit Court for Kent County
In Equity No. 3030

The object of the Bill filed in the above entitled case is to procure a Decree for the sale of the real estate therein described and the distribution of the proceeds therefrom to those entitled.

The Bill states:

That Mary E. Kennard Scott, late of Kent County, deceased, was in her lifetime and at the time of her death, seized and possessed in fee simple of the following real estate situated in Galena, Kent County, Maryland:

All that lot of land and premises in the Village of Galena in Kent County and State of Maryland and is upon the western side of the public road leading to Georgetown and adjoins the lands of or formerly of Joseph P. Ireland, Mrs. Melvina Ruth, John Jervis and Mrs. Martha R. Miller and contains 120 square perches of land, more or less. Being the same tract of land conveyed to the said Mary E. Scott by W. H. Kennard et al by deed dated April 29, 1880, and recorded among the Land Records for Kent County, Maryland in Liber S. B. No. 1, folio 47 etc.

That the said Mary E. Kennard Scott being possessed of the above real estate departed this life during the month of July, 1897, intestate, leaving surviving her a daughter, Elizabeth Scott Woodside, now widow, and resides in Kent County, Maryland; a daughter, Sophie C. Hurtt, who resides in Kent County, Maryland, and who is now married to Edmon S. Hurtt, of Kent County, Maryland; and a son, Edward A. Scott, who formerly resided in Kent County, as her only heirs at law to whom the above real estate descended; that the said Edward A. Scott departed this life at Kent County, Maryland, on June 2, 1936, intestate, leaving surviving him as his only heirs at law to whom his real estate descended, his widow, Teresa Daisy McC. Scott; a daughter, Francis Scott Davis, who is married to James D. Davis, Jr., and who permanently reside at Galena, Kent County, Maryland; a daughter, Mary Scott, single, who resides in Baltimore City, Maryland; and a daughter, Teresa Scott Zeiders, who is married to Glenn Zeiders, both of whom reside in Canton, State of Ohio. All of the above parties are over twenty-one years of age.

That the said real estate is not susceptible of partition without material loss and injury to the parties entitled to an interest therein as above stated, and that, in order to make division of said interest, it will be necessary that the said real estate be sold, and the proceeds thereof divided among the parties according to their several interests.

It is thereupon, this 1st day of December, 1936, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiffs, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 28th day of December next, give notice to the said Teresa Scott Zeiders and Glenn Zeiders, none-resident defendants, warning them to appear in this Court in person, or by Solicitor, on or before the 11th day of January next, to show cause, if any they have, why a Decree ought not to be passed as prayed.
