DR. DU PUY MAKES HEALTH REPORT

December Report Shows Disease Decrease

We regretfully said goodbye to our nurse, Miss Jean Klinefelter, who became Mrs. F. A. Holden in November. On the first of December we welcomed Miss Marion Hopkins as our new nurse who came to us with high recommendations from Baltimore.

The month's calendar was ushered in by a Child Guidance Clinic held the first day. Dr. L. F. Woolley was assisted by Dr. Halperin and a psychologist. Thirty individuals were seen and given advice by the two doctors and about eighteen intelligence tests were given by the psychologist. Many people came in who had had the privilege of Dr. Woolley's advice before. Our aim is to have meetings often enough for the benefit of one meeting not to have died out before another is held. In this way the doctor is able to aid those who need guidance frequently. Kent County is indebted to the administration of Sheppard & Enoch Pratt Hospital for the loan of Dr. Woolley and his assistant for the day. The number of patients seen in one day broke all records for this county.

Our regular Child Health Conference was held at Coleman's Corner with good attendance. Sixteen children were examined and three tuberculin tests were done.

On December 15th Dr. Harry Rogers was kind enough to hold an Orthopedic Conference in the Health Center. Miss Mary E. Church and Miss Margaret Huffington of the Maryland League for Crippled Children; and Miss Marie Beck, of the Board of State Aid and Charities assisted at the clinic. Thirty-five crippled children were seen on that day. This represents the enthusiastic effort of the Health Department staff and the Misses Church, Huffington, and Beck who gave much of their time contacting patients before the day of the clinic. Nearly every patient was transported to and from the clinic by members of the Rotary Club. The Crippled Children's Committee of this Club, headed by Mr. R. B. Nicholson, organized a service which could not have been better. Only through the energy and kindness of these men could such a large number of people have been seen.

The Health Officer had the pleasure of meeting with the Parent Teacher's Asociation of the Chestertown High School at which time he out-lined the policy of the Health Department with particular reference to contagious diseases. Emphasis was placed upon the fact that the policies of the Department must be kinetic to keep pace with progress and changes in conditions.

Forty-three people were examined in the Tuberculosis Clinic which is a credit to the energy of the nurses in seeing many individuals who had been in contact with cases of tuberculosis and who were suspected of having the disease.

Members of the staffs of the Health Department and Board of Welfare played helper for Santa Claus by distributing a number of dolls prepared by the Y. W. C. A. of Washington College. Nearly forty children were made happier by the thoughtfulness of these girls.

The Health Department was glad to find that only one child in Kent County was under quarantine for scarlet fever on Christmas Day. December was ushered in with as many as fifteen children down with the disease. No very serious cases of the disease have occured in the county this fall but it may take on the malignant form at anytime and hope is expressed that this favorable trend will continue.

HOW MODERN WOMEN LOSE FAT SAFELY

Gain Physical Vigor—Youthfulness With Clear Skin and Vivacious Eyes That Sparkle With Glorious Health

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 4 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—Kruschen will give you a joyous surprise.

Get a bottle of Kruschen Salts—the cost is trifling and it lasts 4 weeks. If you don't feel a superb improvement in health—as gloriously energetic—vigorously alive—your money gladly returned.

But be sure for your health's sake that you ask for and get Kruschen Salts.

NOTE—Many people find that the only diet change necessary while taking Kruschen regularly is TO EAT LESS.
