RADIANT LIVING

Calm Riding the Raging Deep

By Rev. C. M. Griffeth
Pastor Calvary M. E. Church
Sudlersville, Md.

When the sudden gale hit the skiff in which Jesus and His disciples were crossing the Lake of Galilee, the disciples became frightened, but Jesus continued to calmly sleep.

What if the gale had struck the frail craft? What if she were dangerously filling? Jesus continued to calmly sleep. His sleep was not that of indifference or of exhaustion, but of one who knew how to repose in an utter trust in the care of God.

How often have I been impressed with the repose of a vessel at it lies tied to the dock, its sides and masts mirrored in the reflecting water. Although the scars received during heavy weather are plainly evident, yet there is now no suggestion of struggle at sea. The vessel is resting in a sweet tranquility.

Oh that we too might learn how to relax from the tensions, the cares, the frets and the worries of life and to know how to lie, as de vessels at the dock, in restful repose!

Often when I have thrown myself down at night, tired and exhausted, my imagination has gone out to an old fashioned square rigger, becalmed at sea, riding on the slow heaving swell of a vast expanse of glistening water. And as I watched that vessel as it slowly rose and fell with the swell of the sea, I somehow felt myself entering into a realm of calm. I became as relaxed as that old vessel seemed to be and I felt myself upbouyed upon the serene bosom of Infinite Love.

Blessed is that man who, as Christ, can calmly sleep on the raging deep, reposed in the sweet will of God!

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas blows up your stomach. You get constipated. Your whole system is poisoned and you feel sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 85c.

All we ask is—*try it.* Costs no more than other premium fuels. Try Gulfpride, too—the world's finest motor oil. Both at the Sign of the Orange Disc.

Why don't you take Alka-Seltzer for Gas on Stomach, Headache, Sour Stomach, Colds, Muscular Rheumatic or Sciatic Pains?

Alka-Seltzer has a pleasant, refreshing, tangy taste. It contains an analgesic (Acetyl-Salicylate, a Sodium Salt of Aspirin) which relieves pain and discomfort, while its vegetable and mineral alkalizers help to correct the cause of those minor ailments associated with hyperacidity of the stomach.
