RADIANT LIVING

The Upward Look

By Rev. C. M. Griffeth
Pastor Calvary M. E. Church
Sudlersville, Md.

While among the lonely hills of the new land into which he had come, Abram was one day standing on the summit of one of the heights and looked out over the beautiful landscape that was before him.

And as he stood there in deep thought there came to him a Voice which said: "Lift up now thine eyess and look from the place where thou art northward and southward, and eastward and westward. For all the land which thou seest, to thee will I give it and to thy seed forever."

This may well be called the "Covenant of the Upward Look." It is a covenant which God seeks to make with you. Says He to you, "lift up your eyes from the place where you are, even while you are reading this, and look out over the ideal life which you ought to be living and as far as you can see—as great a vision as you can grasp of that wonderful, beautiful, radiant and victorious life which you ought to be living—all that will I give you to possess in actual experience!"

It is the upward look that we need. Even the Prodigal Son, when he looked up from the stench and mire of the hogpen, and caught a vision of the better life that might be his, was lifted out of the hogpen and was restored to a happy life at home with his father.

To look up is to be lifted up.

Why not, then, just now, dare to look up and catch a vision of the person you would like to be?

THE 60-horsepower Ford V-8 engine was first developed for Europe, where fuel costs are high. Two years' usage there proved its unusual economy.

When the "60" came to this country this year, the Ford Motor Company made no mileage claims—waited for facts, written on American roads by American drivers.

Now Ford "60" owners are reporting averages of 22 to 27 miles on a gallon of gasoline. That makes it the most economical Ford car ever built!

Best of all, the Ford "60" is just as big and roomy—just as handsome, sturdy and safe—as the famous 85-horsepower Ford V-8. And it sells at the lowest Ford price in years.

If you want a big car for a small budget—a car you can drive with pride and profit—see the thrifty "60" soon!

HOW MODERN WOMEN LOSE FAT SAFELY

Gain Physical Vigor—Youthfulness With Clear Skin and Vivacious Eyes That Sparkle With Glorious Health

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 4 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—Kruschen will give you a joyous surprise.

Get a bottle of Kruschen Salts—the cost is trifling and it lasts 4 weeks. If you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

But be sure for your health's sake that you ask for and get Kruschen Salts.

NOTE—Many people find that the only diet change necessary while taking Kruschen regularly is TO EAT LESS.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get those two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.
