THE SOCIAL WANDERER

DEAR ROAMER:

Briefly, firmly and in my most concise manner, I shall tell you of the few happenings of the week. I have run out of apologies, and I, at this hour of the day, can think of no new way to say that Mrs. Brown went away or Mrs. Jones came home or Mrs. Smith has guests. So here goes, with no frills or fanc to make it all sound more exciting.

Birthday Parties

For the little ones seem to be having an epidemic. Two this week, are highlights in the social world of those under the age of 9. On Wednesday, little David Massey, son of Mrs. Thomas Massey entertained his little friends in the afternoon while on Saturday, Nancy Jean Turner, daughter of Mr. and Mrs. Frank Turner, celebrated her 8th birthday with a party for a number of her little friends.

THE SENSATION OF THE YEAR!

GULF'S NEW KNOCKPROOF GAS

WHY IS GULF'S NEW NO-NOX ETHYL the gasoline sensation of the year?

Because there's been a crying need for a fuel that *cannot* knock! Motorists have hailed the new No-Nox Ethyl as the answer . . . a fuel boosted to such a new high that it is absolutely *knockproof*—even in the high-compression 1937 cars!

Motorists have discovered that it gives more power, smoothness, economy in any car. And—equally important—it starts instantly—cuts down battery wear, excess choking, crankcase dilution!

Try Gulf's new No-Nox Ethyl at the Sign of the Orange Disc. Costs no more than other premium fuels. A tankful of No-Nox and a crankcaseful of Gulfpride Oil can't be topped!
