CHURCH NOTES

RADIANT LIVING

Shining, not Arguing

By Rev. C. M. Griffeth
Pastor Calvary M. E. Church
Sudlersville, Md.

I have never know of the sun being under compulsion to pause in his shining in order to argue his reality.

That is how a radiant person feels in regard to his own religious experience. It is a reality to him and he is so busy shining that he has no time to stop and argue its reality.

Religion to be of any real worth to you must be centered in a real vital spiritual experience, so deep that it reaches the very foundation of your being, so extensive that it pervades your whole nature, so powerful that it controls the power of your will, so wonderful that it amazes you, so beautiful that it fascinates you, so exhaustless that it enriches you.

As one thas so beautifully and truly said: "Religion is not a system of philosophy nor a collection of dogmas; it is the divine life in the human soul which blossoms forth when once it takes root into love and service to men."

The secret of radiant living is having the divine life in the human soul. Ask the radiant man to give you his creed, and he will respond: "Christ in me, the hope of glory."

While others argue and seek for truth, the radiant man rejoices in possessing it.

Men who are blind may deny the existence of light. But men who see, walk rejoicingly in it.

WAKE UP YOUR LIVER BILE—
Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go
The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.
Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 656.

THOSE WHO REMAIN
When death visits a nome, the first concern is to perform the last service to the loved one in a becoming manner. What ever is done must express all the reverance and affection that is felt at such a time. But in addition to this a further responsibilty rests upon the funeral director. It is his privilege and duty to lessen as far as lies within his power, the burdens laid upon those who remain. By countless little acts of thoughtfulness he can make the way easier for them.
We consider this part of our work as important as any other. Our highest aim is to have our patrons look upon us as trusted friends, ready and anxious to render sympathetic assistance to those who remain behind.
