A Call For Antiques

Those who have curios and antiques to display, on Old Chestertown Day are asked to get in touch with the chairmen of the various committees so that they may know whom to call upon.

All of the things lent for that day will be carefully watched and returned to the owners as soon as the time is over.

(COMMUNICATED)

March 17, 1937

To The Editor:
The following is a letter which I addressed to the City fathers. I wonder if others agree with me.
To the Mayor and City Council
Chestertown, Md.
Gentlemen:

As a citizen and a taxpayre I want to protect the condition of the sidewalk on the west side of Washington Avenue between Campus Avenue and Kent Circle. For almost sixteen years I have been compelled to jump the puddles of water that stand along that walk after every rain, and so much water often accumulates on this stretch of walk that it is impossible to travel it without getting one's feet wet.

Unquestionably this is the worst piece of sidewalk in Chestertown and when you consider the number of people who use it, it would seem to be more necessary to build a new walk there than anywhere else in town. High School and College students walk in the street rather than travel that sidewalk and thus provide a very great traffic hazard. Others going along that way suffer wet feet in preference to risking the hazard of being run down by speeding cars.

I appeal to you to do something about it.

Very truly yours,
William R. Howell.
