CHURCH NOTES

RADIANT LIVING

"Tell me something good"

By Rev. C. M. Griffeth
Pastor Calvary M. E. Church
Sudlersville, Md.

shall never forget a beautiful in-nt that occurred in my life sever-ars ago.

a little ship-building town dur-e noon hour I met a ship car-r on his way home for dinner. s a large man dressed in over-nd his round face was beaming joyful smile. And as I met e put his big arm around me id: "Tell me something good!" strangeness of his request me speechless for the moment. had never been asked such a thing before. "Tell me something good."

Everybody seemed to be desirous of hearing about the evils of life. It has become a sort of second nature with us, I guess. Perhaps the morning papers have something to do with it because the greater evil they have to report, the more eager are we to buy the papers.

Yet after all, it is the good that we crave. That better part of our nature is hungry for the best.

Why not let us then seek the good? As we meet life, why not demand the good? As we meet life, why not have some good to bestow upon others? There is some heart hungry for the good that you can give. Even though it be but a smile or a spoken thought, it will have about it a magic touch of inspiration.

There would not be so much evil in our lives if we were not continually seeking it. We generally find what we keep looking for.

Let us then shun the evil and the evil report. Let us seek the best and the best shall be ours.

GALENA M. E. CHURCH
Walter G. Barlow, Pastor

Sunday, August 22 is the second and last Sunday, for this season, of vacation for the Galena and Locust Grove churches. We do not like the term 'vacation' used in connection with God's work and the church, hence we urge, this week, as in last week's notices, that the members of the Galena churches and Sunday School attend a Camp Meeting or other place of worship, and especially such place as the most Spiritual benefit might be obtained. Such is the objective of this pastor in order that he can be better fitted for the tremendous task of Evangelism that faces the workers in God's Vinyard 'These Perilous Times.'

Usual services to be resumed in both churches on this Charge, Sunday, August 29.

CHESTERTOWN TOPS HERWIG

Chestertown topped the Herwig nine of Baltimore last Sunday on the local diamond by a 14-1 score, returning to the win column over a city club after a long line of defeats.

Ed Strong, Rock Hall boy who hurled several good games for Easton in the Shore League early in the campaign, was on the mound for the locals and kept the ten hits he allowed the visitors well scattered. Groves, for Chestertown, had a perfect day at bat getting five hits in as many trips to the plate.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas blows up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.

THOSE WHO REMAIN

When death visits a home, the first concern is to perform the last service to the loved one in a becoming manner. What ever is done must express all the reverance and affection that is felt at such a time. But in addition to this a further responsibility rests upon the funeral director. It is his privilege and duty to lessen as far as lies with in his power, the burdens laid upon those who remain. By countless little acts of thoughtfulness he can make the way easier for them.

We consider this part of our work as important as any other. Our highest aim is to have our patrons look upon us as trusted friends, ready and anxious to render sympathetic assistance to those who remain behind.

B. R. FELLOWS,
Funeral Director.
