FARMALL FARMING Is Still 'Way Ahead of Any Other

McCORMICK-DEERING

THE FARMALL way of farming row crops is still the cheapest and best way. There isn't any other that can touch it. FARMALL owners have been able to cut production costs to the very bone—they are in a position to take advantage of any upturn in farm prices and profit by it.

Make the FARMALL investment yourself and enjoy all the advantages that FARMALL power brings to its users. There is a size for every farm now with the addition of the FARMALL 12 for small farms. Other sizes are the FARMALL 20 which handles 2 plows, and the FARMALL 30 for 3-plow work. Remember there is only one true FARMALL—the McCormick-Deering.

Come in and let us tell you about it. Or better yet, call us for a demonstration of the FARMALL that is best suited for your farm.
