UP TO THE present time the open political activity in the State is practically confined to Mayor Jackson's campaign for the Democratic nomination for the Governorship. The Mayor has not only announced his candidacy but he and his supporters are conducting an active campaign with the primary more than a year off. It is true that a number of other prominent State Democratic politicians have their eye on the Governorship and the present indications are that with sufficient encouragment there will be a candidate from one of the Maryland counties. Already some work has been done along this line and among the men most prominately mentioned are Sasscer, Bruce and Gordy. There is no question but that all three would like to aspire for the office. There is a difference of opinion as to the effect of Mayor Jackson's early campaign efforts, some people claiming that these efforts will discourage opposition while others believe that the campaign will lose its spice before election time. There is no question but that there is a desire in the counties for a county man as Governor of Maryland but his chances to win will largely regulate his following. In politics the leaders like to be with the winner and preliminary strength is a very important factor. There has been some talk of Kent County politics but up to the present time it has been mostly talk. Mind readers could probably tell a lot but Kent County politics are being kept well under cover. There will be plenty of political talk, church suppers, etc., next spring when the present thoughts may turn to skopen words.

IT IS VERY evident that the Del-Mar-Va Peninsula no longer controls the tomato market, or the law of supply and demand has failed to work. A comparatively few years ago the crop on this peninsula usually determined the price but this year, with the Peninsula crop a failure the price remains far below everage. The growing of tomatoes has spread to the middle west, particularly in Indiana where a fair crop was reported. It is another of the many problems facing the farmer when he plants his crops.

97 Per Cent. Taxes Paid

According to a statement made this week by Walter T. Morris, Treasurer of Kent County, ninety-seven per cent of the 1936 county taxes has been paid to date.

Dorothy Oschman Gold
vs.
Samuel Gold

In the Circuit Court for Kent County
In Equity No. 3066

The object of the Bill filed in the above entitled cause is to procure a Decree setting aside the marriage between Dorothy Oschman Gold and Samuel Gold.

The Bill states:

1. That the said Dorothy Oschman Gold is a resident of the City of Philadelphia, State of Pennsylvania, and that she was a resident of the said State at the time of her marriage in 1931 and has always been.

2. That on the 13th day of December in the year one thousand nine hundred and thirty one, she came to Chsetertown, Maryland, with one Samuel Gold of the City of Philadelphia, State of Pennsylvania, and they obtained a marriage license and were married at Chestertown, Kent County, Maryland, by the Rev. J. Harry Wright. A copy of the marriage certificate is filed herewith and marked "Complainant's Exhibit No. 1".

3. That at the time of the said marriage the said Dorothy Oschman was 21 years of age and the said Samuel Gold was 25 years of age.

4. That after said marriage they returned to live in Philadelphia with the said Samuel Gold's mother and that about three months after said marriage an officer came to their home and arrested Samuel Gold on a warrant sworn out by one Anna Roney, who claimed to be the wife of Samuel Gold. That this was the first knowledge your Complainant, Dorothy Oschman, had of the said Samuel Gold having been married before and she has never lived with him as man and wife since.

5. That the said Samuel Gold was brought to Kent County, Maryland and tried for Bigamy in April, 1932 and was sentenced to nine months in the Maryland Penitentiary and later was sentenced to five years at Gratersford, Pennsylvania, for other crimes which she does not know the character of and he is still confined there.

6. That there have never been any children born as result of said marriage.

7. That your Complainant is advised that it is within the power of this Honorable Court upon her petition and evidence supporting the same to set aside and annul said marriage.

It is thereupon, this 12th day of August, 1937, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 6th day of September next, give notice to the said Samuel Gold, non-resident defendant, warning him to appear in this Court in person, or by Solicitor, on or before the 20th day of September next, to show cause, if any he has, why a Decree ought not to be passed as prayed.
