AUTUMN IS HERE and with it comes shortening days, September the 21st, was the Equinox when the day and night are equal. Henceforth until December 21st, when we have the shortest day in the year, the days will grow shorter and shorter. Daylight saving is over on September 26, a boon for those who do not keep that time, and listen in. And fall also offers many blessings. As a rule the weather is delightful, and the gathered sunshine from the summer is tinting the flowers of the fields, giving them brilliant colors. Golden rod, black eyed Susans, sumac and numbers of other blossoms are making the Autumn perspectve beautiful.

WAR AND ITS accompanying horrors, pestillence and famine, are riding the world today. Spain, for over a year now, has been carrying on a civil war, which is threatening the peace of Europe, and now Japan, eager to punish the Chinese soldiers, in an undeclared war, is bombing cities and killing their citizens by the thousands.

As many countries, including our own, have concessions in China, it means damage to their property as well and all are in the attitude of watchful waiting.

England, the country that is most affected, has begun to increase her armaments four fold. But she, like other countries, is finding it hard to get the soldiers to fight. Heretofore young men, led by the glamor of uniforms and flags marched out,, eager to die for their country. Now they see the waste and ravage of war. No longer is death the supreme sacrifice, for when they see the sufferings of the wounded who drag out a miserable existance in some hospital, such things seem to lie before the soldied. Some women have declared that they refuse to bear children to be the food for cannon. So, in spite of the tempting offers of fine uniforms, heated barracks and increased pay the number of volunteers is increasing slowly. War has lost its glamour.

Pigeon Falls In Stack Stops Matapeake Ferry

An inquistive carrier pigeon flew down the smokestack of the ferryboat Albert C. Ritchie, was sucked into the overflow water line of the main engine and stopped the boat, it was reported Monday.

The unusual mishap occurred as the Ritchie was in the middle of the Chesapeake Bay enroute from Matapeake to Annapolis yesterday.

When the ferry's big oil engine began to heat up suddenly and mysteriously the boat was stopped and an investigation disclosed that the pigeon's body had blocked the water line. The boat was delayed for about twenty minutes.

IN MEMORIAM

In loving remembrance of our dear father, Thomas C. Roe, who departed this life October 1, 1936.

God saw the road was getting rough
And hills were hard to climb.
He gently closed his loving eyes
And whispered: "Peace be Thine."
His weary hours, his days of pain
His weary nights are passed.
His ever-present worn-out frame
Has found sweet rest at last.

By his children.

The Bill states:

1. That the said Dorothy Oschman Gold is a resident of the City of Philadelphia, State of Pennsylvania, and that she was a resident of the said State at the time of her marriage in 1931 and has always been.
2. That on the 13th day of December in the year one thousand nine hundred and thirty one, she came to Chsetertown, Maryland, with one Samuel Gold of the City of Philadelphia, State of Pennsylvania, and they obtained a marriage license and were married at Chestertown, Kent County, Maryland, by the Rev. J. Harry Wright. A copy of the marriage certificate is filed herewith and marked "Complainant's Exhibit No. 1".
3. That at the time of the said marriage the said Dorothy Oschman was 21 years of age and the said Samuel Gold was 25 years of age.
4. That after said marriage they returned to live in Philadelphia with the said Samuel Gold's mother and that about three months after said marriage an officer came to their home and arrested Samuel Gold on a warrant sworn out by one Anna Roney, who claimed to be the wife of Samuel Gold. That this was the first knowledge your Complainant, Dorothy Oschman, had of the said Samuel Gold having been married before and she has never lived with him as man and wife since.
5. That the said Samuel Gold was brought to Kent County, Maryland and tried for Bigamy in April, 1932, and was sentenced to nine months in the Maryland Penitentiary and later was sentenced to five years at Gratersford, Pennsylvania, for other crimes which she does not know the character of and he is still confined there.
6. That there have never been any children born as result of said marriage.
7. That your Complainant is advised that it is within the power of this Honorable Court upon her petition and evidence supporting the same to set aside and annul said marriage.

It is thereupon, this 12th day of August, 1937, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 6th day of September next, give notice to the said Samuel Gold, non-resident defendant, warning him to appear in this Court in person, or by Solicitor, on or before the 20th day of September next, to show cause, if any he has, why a Decree ought not to be passed as prayed.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 1937
