## ACTIVITIES AT THE LOCAL HI SCHOOL

By ROSALIE BONNETT

Calling all students! Calling all students! C. H. S. reporting with news gathered from hither and yonder.

First we'll get the bad news over in favor of Rock Hall; also Tuesday, with Rock Hall, the score was 17-0 in favor of Rock Hall; also Tuesday, Millington defeated us with a score of 8-4. They both give evidence of unusually powerful teams that we will have to compete with this year.

In Friday's soccer game, Chestertown defeated Rock Hall with a score 4-0. We again won on Tuesday over Millington winning a score of 2-0.

The football squad has been out in the field working like Trojans. So far it looks like a big football season for C. H. S., if this hard practicing keeps up.

Monday we were all entertained by a movie; the names were "Ski-Esta", a picture giving a few pointers on skiing, "Aesops Fables" which of course the freshman enjoyed, and last the main picture "Hot off the Press." The pictures were thoroughly enjoyed by all, and we hope others are to follow.

Last week the school was quite thrilled by having their pictures in the paper. The Sun Trailer was making a tour of the Eastern Shore schools taking wirephoto pictures. The seniors were allowed to enter the trailer and see how the pictures were developed; incidentally they are made in eight minutes. The picture did not come out as clearly as usual, but a few students and teachers can be recognized.

In the past having won so many fieldball games, the team decided to give a party in honor of their many victories. They were all supposed to dress as they had dressed ten years ago; some of the juniors and seniors certainly did look cute with short dresses and bow-ribbons. From the brief accounts that I have gathered Miss Bryan also dressed in this manner, but sh—don't tell anyone.

WAKE UP YOUR LIVER BILE—
Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else.
