Christian Training School To Be Held Here

The Kent County Council of Churches annuonces its Training School for all Christian workers of the county which will be held at the Methodist Episcopal Church, Chestertown beginning Tuesday evening, Nov. 16 at 7.00 o'clock and continue for the succeeding four Tuesday evenings closing the sixth session of the school on Friday evening, December 17. There will be three courses offered: "The Teachings of Jesus" with Rev. James Marker, pastor of St. James M. P. Church the instructor; "The Purpose and Program of the Church" with the Rev. W. P. Roberts, pastor of Christ's M. P. Church, Chestertown the instructor; "Guiding Children in Christian Growth" with Dr. Fred Livingood of Washington College the instructor. The Rev. Paul E. Reynolds, pastor of the M. E. Church, Chestertown is the Dean of the school. Miss Rebecca Davis is the Registrar and the Rev. W. Baucher, pastor of the Kennedyville M. P. Church is the Librarian. The Rev. R. W. Hallman, pastor of the M. E. Church at Still Pond will have charge of the Devotional services. We hope every church in our county will be represented in this school.

Old Age Pension Benefits

QUESTION: When will the Social Security Board begin to make old-age benefit payments?

ANSWER: Lump-sum payments are now being made daily, but it appears many persons who have sums due them have not filed claims. No payment is made unless claim is filed. If you have reached 65 since last January 1 and have been paid wages for work done as an employee since last December 31 in any employment which is not specifiaclly excepted under the old-age benefit provisions of the Social Security Act a payment is due you. If you have a legal interest in the estate of a worker who has died since last December 31 a payment may be due you. Your nearest Social Security Board Field Office will give you every assistance.

Q. When will unemployment compensation benefit payments begin?

A. Payment of unemployment compensation benefits will be begun to eligible workers next January in the District fo Columbia, Maryland, North Carolina, Virginia and West Virginia and many other States.

VANISRING $2 BILLS

Nature has sought to cast life in sundry forms, of which many failed to survive with the fittest. The United States Treasury has sought to put money in sundry forms and here, too, evolution has taken its toll. Many denominations that once flourished are now as dead as the dodo and the dinosaur. Silver half-dimes and 3-cent pieces were dorpped in 1873. Five years later 20-cent pieces went the way of all unadapted flesh. In gold there were, but are no longer, coins worth $2.50 and $3.

Now, like the American bison, the $2 bill also seems in danger of extinction. The Treasury revealed last week that only 16,000,000 bills of this value remain in the hands of the pub. lic. Eight years ago there were twice as many.

Two reasons are given for the decline: (1) the fear that the $2 bill will be given away as $1 in charge, and (2) a widespread feeling that the double dollars are unlucky. The superstition originated, it is said, at the race track, where some one once put his last $2 bill on a non-favorite horse that won. He succeeded in pyramiding his winnings into a small fortune. It was an unlucky day for the bookmakers, and the public seems to have accepted the bookmakers' version.

FATAL ACCIDENTS INCREASE IN STATE

Commission Rudy Asks Aid Of Public Interest

The total number of fatal accidents for the STATE OF MARYLAND for the first nine (9) months of 1937 has increased to twenty-two (22) percent over the corresponding period of 1936, as the tabulation by months will show. There was also an increase of nineteen (19) death or fifty-three (53) percent for the month of September over the same month of 1936:

	1936	1937
January	26	67
February	28	37
March	20	45
April	40	29
May	31	36
June	50	51
July	44	54
August	44	39
September	36	55
Total:	339	413

Of the fifty-five (55) persons killed during the month of September, twenty-five (25) were pedestrians, sveenteen (17) were passengers, and thirteen (13) were drivrs. Most of these deaths occurred in rural sections, as five (5) deaths occurred in Baltimore City, and fifty (50) deaths occurred in the Counties.

According to a statement by Commissioner Walter R. Rudy, a tabulated statement of Maryland fatalities has been going out for some months. The records of the Commissioner of Motor Vehicles indicate that there is usually an increase in these fatalities. The September figures represent an increase of more than 50% and I am satisfied that the time has come when some concerted action must be taken if we are to put a stop to the ever-amounting toll of fatalities. Obviously, with the facilities at hand, we are unable to do this. If we are to cope with this situation in an intelligent manner we must make a thorough research with respect to all contributing causes and with the aid of trained specialists make complete analysis and study of every accident with its particular relation to weather conditions, traffic, time of day, etc. Once the acutal cause is definitely known and the method of correction tried and proved, we will then have a yardstick which our construction engineers can incorporate in all future construction or reconstruction. In addition to this, we will have substantiating facts which will picture the specific benefits that adequate patrolling, better educational efforts, and other safety facilities can bring. This is not a problem that should be left entirely to the governmental officials. It is a matter for each and every individual in his State. By giving highway safety your personal concern, not only will you be protecting your own life and property but you will be assisting us in reducing the general toll of highway accidents.

The attitude of the people up to this time has been one of casual indifference, disregarding entirely a matter that should be of grave concern to everybody. It is difficult for me to understand how the people of the State can disregard their own safety when they know from past fatality statements that each month fifty or sixty human beings will be slaughtered like so many cattle. If greater safety is to be achieved, we must realize that it is essentially not only to remember what to do, to be safe, but what facilities are essential for safety, and remember to continuously support any proper program planned to gain these facilities for us.

As in previous months the large majority of the fatal accidents during September occured on straighted roads in clear weather and daylight leads darkness by five deaths. Of the pedestrians killed 7 were walking properly walking on the left side of the road facing traffic as is advised and 5 were killed crossing at intersections. Five had been drinking and 19 were apparently normal.

The record for Kent County shows 2 people killed during the month.

Alice B. Blair
vs.
Clarence Gilbert Blair

In the Circuit Court for Kent County In Equity No. 3070

The object of the Bill filed in the above entitled case is to procure a Decree for divorce a vinculo matrimonii.

The Bill states:

1. That on the 23rd day of August, 1924, Alice B. Blair was married to one Clarence Gilbert Blair by Reverend Ernest E. Weaver at Elkton, Maryland, and lived with the said Clarence Gilbert Blair in Chester, Pennsylvania, until the 13th day of September, 1931, at which time the said Clarence Gilbert Blair brought your Petitioned and his minor child, Clarence Gilbert Blair, Jr., then six years of age, to Sudlersville, Queen Anne's County, Maryland, and left your Petitioner and the said child at Sudlersville with your Petitioner's sister.

2. That although the conduct of your Oratrix towards her husband, the said Clarence Gilbert Blair, has always been kind, affectionate, and above reproach, the said Clarence Gilbert Blair has without any just cause or reason abandoned and deserted her and that such abandonment has continued uninterruptedly for at least three years and is deliberate and final and the separation of the parties is beyond any reasonable expectation of reconciliation.

3. That your Oratrix and the said Defendant have one child born to them, namely: Clarence Gilbert Blair, Jr., who was born on September 4, 1925.

4. That your Oratrix has been residing in Millington, Kent County, Maryland, since December 4, 1933, and the said Clarence Gilbert Blair is now residing in Chester, Pennsylvania and has been residing at Chester, Pennsylvania, ever since he brought your Petitioner to Queen Anne's County, Maryland.

It is thereupon, this 29th day of September, 1937, ordered by the Circuit Court for Kent County in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 25th day of October next, give notice to the said Clarence Gilbert Blair, non-resident defendant, warning him to appear in this Court in person, or by Solicitor, on or before the 8th day of November next, to show cause, if any he has, why a Decree ought not to be passed as prayed.

WAKE UP YOUR LIVER BILE—
Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go
The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.
Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 146
