THOSE WHO REMAIN

When death visits a home, the first concern is to perform the last service to the loved one in a becoming manner. What ever is done must express all the reverance and affection that is felt at such a time. But in addition to this a further responsibilty rests upon the funeral director. It is his privilege and duty to lessen as far as lies with in his power, the burdens laid upon those who remain. By countless little acts of thoughtfulness he can make the way easier for them.

We consider this part of our work as important as any other. Our highest aim is to have our patrons look upon us as trusted friends, ready and anxious to render sympathetic assistance to those who remain behind.

B. R. FELLOWS,
Funeral Director.
Still Pond, Md.

Dr. Miles NERVINE "Did the work" says Miss Glivar WHY DON'T YOU TRY IT?

After more than three months of suffering from a nervous ailment, Miss Glivar used Dr. Miles Nervine which gave her such splendid results that she wrote us an enthusiastic letter.

If you suffer from "Nerves." If you lie awake nights, start at sudden noises, tire easily, are cranky, blue and fidgety, your nerves are probably out of order.

Quiet and relax them with the same medicine that "did the work" for this Colorado girl.

Whether your "Nerves" have troubled you for hours or for years, you'll find this time-tested remedy effective.

At Drug Stores 25c and $1.00.
