HISTORICAL SOCIETY HOLDS MEETING

Discuss Historical Facts

A meeeting of the Kent County Historical Society was scheduled for last night, Friday at which time a discussion of historical facts was held.

A novel idea was scheduled for the meeting in which each member as the roll is called is asked to give some historical fact concerning the county. This society promises to meet a long felt need in the county in the fact that it promises, through organized effort, to compile and keep alive the historical background of this section that is as valuable as any section of the county. The coming into the county of new people with sufficient means has brought about a restoration of many of the old homes here which brings to light an example of days gone by when these homes were built and occupied by those of a former generation.

The work of the society should have the cooperation of the entire commu-

Receives Service Award

H. Vickers Bowers, an employee in the Chestertown office of the Chesapeake and Potomac Telephone Company of Baltimore City, has just received a four-star gold service emblem in recognition of twenty years of service with the company, according to an announcement just made by R. O. Wright, manager.

During November a total of forty-six service emblems were given to C. & P. Telephone Company employees in Maryland and represented an aggregae of 985 years of service.

Southeast Creek Farm Sold

The Southeast Farm, property of W. Edwin Crouch, near Church Hill, has been sold to Mr. H. Morton Coale of Philadelphia. The farm comprises 135 acres and adjoins the estates of John McKinney and H. Norris Harrison and is located on Southeast Creek.

Mr. Crouch has recently completed the erection of a large brick house replacing the former home that burned. The purchaser will occupy the property during the summer.

The sale was made by W. Clarke Grieb, of Chestertown.

ACTIVITIES AT THE LOCAL HI SCHOOL

On Tuesday, Nov. 23, Kent County All-Star Soccer Team played against Queen Anne's County. Kent County proved victorious with a score 2-0. Five members of the Chestertown High School were on the team.

A great many classes have been celebrating Thanksgiving. The third year commercials presented Miss Peacock with a basket full of luscious and tempting things to eat. In activities period, Wednesday, the fourth year commercials had a party. Refreshments of ice-cream and cake were served and Mr. Lamborn, also, was presented with his equally attractive gift of fruit. A few members of Mr. Hall's class gave a very entertaining play. It was never thoroughly realized before, the talent of so many Juniors.

Wednesday 24, the Chmeistry Club held its first meeting. Nothing really was accomplished as it was just a meeting of organization.

Due to Mr. Hall's ability as a teacher, his classes have been progressing both rapidly and efficiently. The two sections of the eighth grade have been studying different classes of foods and their uses for the human body. They have also be en investigating the spoiling and preservation of foods. The sophomores and the seniors are learning all the important factors about first aid, and are studying the discoveries made by Pasteur, Koch, Behring, Roux, and Loefler.

FOR SALE

RETIRING FROM BUSINESS.

COLLEGE DEFEATS DELAWARE TO END FOOT BALL SEASON

Scores 16 to 13 Victory

Six Seniors Play Last Game

Washington College ended what may be considered a successful season last Saturday afternoon by defeating the University of Delaware 16 to 13 at Newark. This victory entitles Washington to retain possession of the Daniel O. Hastings trophy which was donated by Senator Hastings, possession to be by the team winning this annual game between these two Peninsula college teams.

At half time Washington lead 6 to 0, Wilmout having broken through for a 40 yard run for touchdown. In the third period Anderson's placement added three more points. Two touch downs by Delaware and one more by Washington kept the game interesting until the final whistle.

BANKS TO PAY TWO PERCENT. INTEREST

New Rate Effective January First

As shown in an advertisement appearing on page four of this issue the four banks in Chestertown will pay two percent on savings accounts starting January 1st. The rate now paid on savings accounts is two and a half percent and the new schedule of rates is due to the low money rates paid on bonds and securities.

The question of interest rates on savings was discussed at length at a recent meeting of group 5 of the Maryland Bankers Asscoiation and at the meeting it was brought out that banks in Queen Anne's, Caroline, Talbot and Cecil counties had adopted the two percent rate on savings last year.

As shown in the advertisement, the new interest rate is affective in all of the banks located in Chestertown.

Time Getting Short For New Operator's License

The time is getting short for the securing of new driver's licenses for operating motor vehicles. New licenses must be secured before January 1st unless original licenses was taken out after last January, according to an act passed at the last session of the Maryland Legislature.

Todate there are approximately $194,000 operators who have not made application for new drivers permits and the Commissioner of Motor Vehicles urges all persons who have not applied to do so at once to avoid the last minute rush.

German Department To Sponsor Films At New Lyceum

The German Department plans to show several reels of sound film on various aspects of life in modern Germany in the New Lyceum Theatre on Tuesday afternoon, November 30. The program will begin at 3.30 P. M. and last about one hour and a half. German Folk Songs, a boat trip on the Rhine, skiing in the Bavarian Alps, the Passion Play of Oberammergau, a Vintagers' Festival, and one reel in German on "Der Student von Heute" are among the subjects to be presented. With the exception of the one reel on German student life, the narrative is in English. The films should be interesting, informative, and entertaining, not only to students of German, but to the general public. This program is made possible through the courtesy of the German Railroads Information Office Railroads Information Office, 665 Fifth Avenue, New York City. A small fee will be charged to cover expenses.

WARNING

Benefit of Rock Hall Yacht Club. Junior Hall, Rock Hall. Wednesday evening, November 24 at 10 p. m.

ROCK HALL HIGH SCHOOL FIELD BALL TEAM WINS SHORE CHAMPIONSHIP

Defeated Hepbron High School Team Wednesday at Salisbury

The Rock Hall High School Girls field ball team won the Eastern Shore championship on Tuesday of this week by defeating Hepbron High School 12 to 4 on the athletic field of the Salisbury Normal School.

The Rock Hall team first won the County Championship and continued its undefeated season by winning over the champion schools of Queen Annes, Cecil and Caroline counties thereby securing the title of champions of the northern Eastern Shore. By defeating Hebron, champions of the Southeren Eastern Shore last Tuesday the Rock Hall team was declared Shore Champions.

Tuesday night at Rock Hall the celberation compared favorably to a university town after a great football victory. A huge bonfire on the school grounds was followed by painting the town red with parades and other celebration activities.

Not content to rest on their laurels the Rock Hall team has challenged the Western Shore champions to a game for the State Championship. If this challenge is accepted the Kent County team will again endeavor to continue its winning streak.

The championship team is composed of:

May Mench, Captain, the three Lesseur sisters, Jane, Betty and Nita, Blanche Dowling, Thelma Joiner, Nina Brice and Ida Whaland.

Miss Helen Ashley has ably coached the team through its undefeated season.

PROTEST CURB OF RAILROAD SERVICE

Indiciduals Will Fight Against Reduced Service

Protests have been filed with the Public Service Commission against the proposed application of the Pennsylvania Railroad to discontinue passenger train service in and out of Kent County.

Among those who have filed protests are William T. Bramble, Claude E. Truslow, and A. S. Turner, Jr.

Mr. Turner will be represented at the hearing by Mr. Wayne Johnson, prominent New York Attorney who recently purchased the Catlin Estate now being operated as Churn Creek Farms.

It is understood that additional protests will be filed.

Mrs. Evelyn Toby Dies Suddenly

Many friends here will be shocked to hear of the sudden death of Mrs. Evleyn T. Tobey, who has, for several years, had a summer cottage at Quaker Neck Landing, which she made of the wharf-house there by converting it into a charming bungalow. She had just sold her home here to a Phildelphia.

Mrs. Tobey was taken ill last February, while delivering a lecture in Chicago. After several months she had recovered and resumed her lecture house and the publication of a magazine.

On the 18th she was to have sailed for Porto Rico, to give a lecture there at the P. R. University and was dreading taking the trip alone. She had a second stroke while sitting with her sisters in her New York apartment and died instantly.

Former Countain Killed At Centreville

John G. Queck, 45, well-known railroad man, was killed Wednesday morning at Centreville when he fell beneath a moving freight car.

Queck, a flagman on the Pennsylvania System, had lived here on a number of occasions during his 25 years of service with the railroad.

This morning, when a car was being shifted to a siding, Queck, operating the brake wheel, fell to the track and was killed instantly as the car passed over his body.

He is survived by his wife, who resides in Wilmington.

Federal Game Wardens Visit Chester River

Federal Game Wardens made a trip up Chester River this week for the purpose of checking up on baited shores.

Baiting before the season opens is termed feeding and is not a violation of the law although shooting over this area is not allowed as long as there is any artificial bait on the area.

Off To Milwaukee

HARRY S. RUSSELL

Mr. Harry S. Russell, of Chestertown, recently elected president of the Eastern Shore Base Ball League leaves for Milwaukee today where he will attend a convention of officials of the National Association of Professional Base Ball.

Mr. Russell will return by way of New York where he will spend next week-end.

MERCHANTS PLAN XMAS CELEBRATION

Date Not Yet Set For Santa's Visit

Plans are being made for a Christmas celebration in Chestertown at which time all of the kiddies in Kent County will be invited to meet Old Kris and get a present from him.

The date and details for the celebration have not been worked out although it is understood that it woll be equal, if not better than in former years. Plans are also bieng made to again light the streets of Chestertown with the gaily colored lights similar to that of last year.

To Attend Meeting

Representatives of the Chester River Yacht and Country Club and the Rock Hall Yacht Club will attend a meeting of the Chesapeake Bay Yacht Racing Association to be held at the Capitol Yacht Club in Washington, D. C., on Saturday, December 4th.

Ask Wheat For Children's Home

The Chairman and Committee thank all who contributed to the wheat fund for the Children's Home in Easton , now that wheat seeding is over, some who intended and just forgot, may have the chance to contribute out of the left over wheat. Visit the home and see the Happy Chilren you are helping.

Mrs. Charles Brice Died At Betterton

Mrs. Catherine E. Brice, wife of Mr. Charles H. Brice, prominent business man of Betterton, died at her home in Betterton following a lingering illness. Before her marriage she was Miss Catherine Kelley, of Baltimore and until her recent illness was prominent in the social and civic life at Betterton. She served as Postmistress at Betterton during the administration of Woodrow Wilson.

Besides her husband she is survived by two sisters, Mrs. Lillian Briscoe and Mrs. Thomas S. Silcox, both of Betterton. Funeral services were held at the home in Betterton at 2 p. m. on Friday.

Mrs. Amanda Sparks

Mrs. Amanda Sparks wife of Mr. Samuel Sparks, retired merchant of Pondtown, now living in Millington, died at the Kent and Queen Anne's General Hospital on Saturday of last week following a short illness. Besides her husband she is survived by two sisters, Mrs. Ida Noland, of Chestertown, and Mrs. Kate Joiner, of Rock Hall.

Funeral services were held from the home in Millington Tuesday afternoon conducted by Rev. Wood, of Crumpton. Interment was in Crumpton cemetery.

The bearers were: Messrs. Ernest Sparks, Charles Engram, Crawford Harrison,(Medford Graham, Nelson Faulkner and Arthur Coleman. W. H. Good was in charge of funeral arrangements.

Eastern Star Holds Banquet Here

The annual visitation of the Chestertown Chapter 86, Order of the Eastern Star was held at the lodge rooms in Stam's Mall Tuesday evening.

The meeting was preceeded by a banquet in the Parish House of Emmanuel P. E. Church after which adjournment was made to the lodge roomse.

Among the noted officials present were: Worthy Grand Matron, Miss Bessie Baird, of Cumberland; Worthy Grand Patron, John G. Presser, of Baltimore; Grand Secretary, Miss Nellie Boyd, of Baltimore; Associate Grand Conductress, Mrs. Anna Yaeger, of Baltimore; Grand Marshall, Mrs. Daugherty, of Cumberland; Grand Adah, Mrs. Estelle Sirkin, of St. Michaels; Fraternal Correspondent, Mrs. Janney, of Elkton; Past Grand Matrons, Miss Harriett Kerchoff, of Baltimore, and Mrs. Elizabeth Jackson, of Cambridge; Past Grand Patrons, Charles Yaeger and Clarence Hermeyer, of Baltimore.

Miss Dorothy Woodall is Worthy Matron of the local chapter and Mr. Ralph Usilton, Worthy Patron.

PLAN TO START TOLCHESTER FERRY DECEMBER FIRST

Schedule Includes Two Round Trips Daily

According to an announcement made this week by Mr. B. B. Willis, president of the Tolchester Company and Mr. Henry Eliason, general manager, ferry service between Tolchester and Baltimore will start next Wednesday, December 1st.

The double end ferry boat, Chelsea, has been secured for the run and the winter schedule includes two round trips daily. The tenative schedule is:

Leave Baltimore 7.30 a. m. and 3.00 p. m.

Leave Tolchester 9.45 a. m. and 5.00 p. m.

Alteration have been made to the pier at Tolchester to accomodate the ferry boat.

W. H. MEDDERS ILL BY GAS POISONING

Overcome By Auto Exhaust Fumes

William H. Medders, prominent young attorney of Chestertown had a narrow escape Friday night of last week when he was overcome by gas from the exhaust fumes from an automobile at his garage in Still Pond.

After hunting Friday afternoon he had supper at his home and planned to attend a social function at the Country Club in Chester town that evening. He loaned his automobile for a trip to Elkton and went to the garage to get his father's car at 8 p. m. Finding the tail light out he repaired it, started the motor in the car and went to the house to dress. Returning to the garage about an hour later he entered the building by a small door, took a few steps and fell to the floor.

Two hours later his father, Mr. William Medders, prominent merchant of Still Pond, went to the garage and found his son lying unconscious on the floor. The automobile had run out of gasoline which probably saved his life. After airing the garage Mr. Medders senior got his son to the house and summoned medical aid, who with the aid of a tank of oxygen succeeded in reviving him after several hours.

He is now recuperating at his home although is still confined to bed.

NEWS OF ROCK HALL HIGH SCHOOL

"Eastern Shore Fieldball Champions." What a title! "Believe it or not it belongs to the girl's fieldball team of Rock Hall. After their walkaway victory over Preston last Friday, the girls went on to produce spectacular teamwork against Hepbron and bring home the highest honors possible to the Eastern Shore. Let's go back to hte game on Friday. It was played under excellent conditions, no wind, clouded sun, and a crisp, biting air. From the first throw off the spectators could see that Rock Hall had a far superior team. They worked with the same steady sureness that has brought them through an undefeated season. Although only two points were scored in the first quarter, the halve saw the count 10-0 and the game ended with an 18-0 score. The remarkable thing about the game was that Preston ddin't get one shot at our goalkeeper through the whole game.

On Tuesday morning our team journeyed to Salisbury and met Hebron on the Normal School field. Knowing that everything depended upon their actions, the Rock Hall girls were extremely nervous and upset. As a result they fumbled many balls and allowed their lively opponents to score two goals. However the halve ended with a tie score, 4-4. Much credit should be to Miss Ashley, the coach, for at this points it was her "talking to", that gave the team back much of its confidence. When the whistle blew gaain, Hebron faced a team entirely new in spirit. The play was all at Hebron's end of the field and goal after goal went through while the score piled up and ended 12-4. Refreshments were served at the Normal School for which we wish to again express our thanks. We also wish to thank all our patrons who have transported us to and from the games and have cheerfully stood on the side lines in all sorts of weather and yelled their lungs out. We really appreciate it and whether they know it or not, they do their part to bring honors home to Kent County.

It seems as though the team is still not satisfied and a letter has gone out to Mr. Fergeson containing a challenge to the Western Shore Champions. We certainly hope things materialize as planned for if they do we can promise you a very thrilling game.

There are headaches galore this week with the first quarterly exams causing them. Naturally there will be a few failures in all subjects, but on a whole, great progress is being made in every class.

Programs, tickets, and posters are the chief worries of the Senior Class at present. Their various committees are working frantically with scenery and decorations in preparation for their three one-act plays to be presented on Dec. 2nd. The titles of these amusing sketches run as follows: A Woman's Wont, Pinna Pin on Me, and Who Gets The Car Tonight? They sound inviting don't they?

JOHN VENDERGRIFT ILL

Mr. John Vendergrift local retired barber is recuperating from an illness of three weeks.

DUCKING SEASON WILL OPEN TODAY

Restrictions Games As Last Year

The season for hunting wild waterfowl, including ducks and geese will open in Maryland today, Saturday and the reports from shore properties state that there are large quantities of ducks in the bay and rivers.

The Federal regulations for hunting ducks and geese are, however, the same as last year which prohibits the shooting of canvasback and redheads, the using of bait and live decoys. This practically limits hunting to blackheads, whiffler and marsh duck. The hunting of marsh duck has always been practised with live decoys and the law as it now stands makes it difficult lawfully to hunt even this species.

The hunting of geese in Kent County has been very much handicapped by the regulation preventing the use of bait and live decoys. This sport had developed into a large enterprise in this county before the new restrictions became effective.

An effort to have the Federal regulations changed when an unusually large quantity of ducks congregated in the upper bay but this effort has failed to bring about the change. However owners of shore blinds have been making preparations for the season and will take part in what may well be considered the king of winter sports.

The upland hunting season has been very disappointing due to an apparent scarsity of rabbits and birds.

FOURTH LECTURE COLLEGE MONDAY

Dr. Davis To Talk On Germany

Marked by encouraging response in attendance on the part of Kent and Queen Anne's residents, the Washington College seris of public lectures on "The World of Today" swings into its fourth week.

The next speaker is to be Dr. Arthur L. Davis, head of the Modern Language Department, and Professor of German, already known to Chestertown audiences as a fluent and engaging lecturer. Dr. Davis has chosen as his subject, "Germany,—The Crossroads of Europe," and will discuss characteristics of the German peoples in relationship to the geography of this key nation of Central Europe.

"German topography," said Dr. Davis in an interview, "divides the country into three general regions, the Northern, Central and Southern. The political history and sociology of Germany today must be interpreted in the light of these divisions."

The lceturer plans an introductory discussion of approximately twenty minutes, followed by the showing of a number of lantern slides, with brief cmoments on each. These slides have been secured especially for this particular lecture and should prove highly informational and entertaining when explained by Dr. Davis.

The speaker is peculiarly fitted for an addres of this nature. American by birth and family, he spent four years in G ermany with the Army of Occupation in 1919-23, returned in, 1930-31 for naother year as a student, and this past summer was again in the Reich traveling and studying. He came to Washington College in 1933 and is knownu as one of the ablest and most popular teachers on The Hill. All Washington students pass through his department since they must meet the requirement of passing a test in reading knowledge of some modern foreign language.

The lecture itself is on Monday night at 8, November 29, in the Assembly Room of William Smith Hall, and is free. The public is cordially invited to attend.

FATAL ACCIDENTS INCREASE IN STATE

"The complete report of fatal accidents shows fifty-four (54) persons were killed in Maryland by automobiles, during the month of October", as compiled by the Safety Department of the Commissioner of Motor Vehicles, said Walter R. Rudy today.

"The total number of fatal accidents for the first ten (10) months of 1937 has increased to twenty-two (22) percents over the corresponding period for 1936, and eleven (11) deaths or twenty-five (25) percent for the month of October over the same month for 1936."

The tabulation by months is as follows:

	1936	1937
January	26	67
February	28	37
March	20	45
April	40	29
May	31	36
June	50	51
July	44	54
August	44	39
September	36	55
October	43	54
Total:	382	467

"There were twelve (12) accidents in Baltimore City, resulting in twelve (12) deaths, while there were thirty-seven (37) accidents in the Counties, resulting in forty-two (42) deaths. As usual speed is still the largest factor in fatal accidents, as the accident rate in the Counties, has shown that high speeds predominate, therefore, the Motorist must watch his speedometer more carefully, so that his car does not travel too fast, to meet any emergency which might arise on the Highway."
