THE SPIRIT of Christmas is in the air, a time when new friends are made, old friends remembered, and a time of joy and gladness in all parts of the world. The spirit of Christmas is something that cannot be defined, something that brings out the better side of ma n that makes him want share his blessings with others and actually realize that there is more satisfaction in giving than receiving. Man has set aside other holiday celebrations and business interests have worked up inthusiasm in sending presents but the giving of gifts at Christmas dates back to the birth of Christ and was inaugurated when the wise men bore gifts as their token of acknowledgement of the coming of the Christ. This spirit of giving has continued each year through the ages at Christmas time carrying out that same idea which is one of the teachings of Christ that it is more blessed to give than receive.

Sarah E. Rawleigh
vs.
Charles Albert Rawleigh

In the Circuit Court for Kent County
In Equity No. 3075

The object of the Bill filed in the above entitled case is to procure a Decree for divorce a vinculo matrimonii.

The Bill states:

1. That on March 3rd, 1904, Sarah E. Rawleigh was married to a certain Charles Albert Rawleigh of Kent County in the State of Maryland, with whom she has been living until the 14th day of November, 1934.

2. That though the conduct of your Oratrix towards her husband, the said Charles Albert Rawleigh, has always been kind, affectionate and above reproach, the said Charles Albert Rawleigh had, without any just cause or reason, abandoned and deserted her, and has declared his intention to live with her no longre, and that such abandonment has continued uninterruptedly for at least three years, and is deliberate and final and beyond any reasonable expectation of reconciliation.

3. That there has been born to said parties nine children, three of whom are living as follows: Walter Rawleigh, aged 28, born February 1st, 1909; Charles Albert, Jr., aged 25, born Jan. 18th, 1912; and Robert Hope Rawleigh, aged 13 years, born Aug. 13th, 1923, and that said Complainant requests the custody of said child. Your Complainant does not desire to cause any estrangement between the infant child and his father and is willing for said child to see and visit his father for a reasonable time each year.

4. That since said separation the said Charles Albert Rawleigh has not contributed to the support of herself or their children.

5. That for some years past the said Charles Albert Rawleigh, her husband, has treated her with great cruelty, harshness and brutality, at times striking and beating her and on or about November 14th, 1934, his conduct became so intolorable that she was obliged to leave his house.

6. That he has ever since by threats and violence prevented her from returning to his said house and has refused to permit her to live with him and will not contribute anything to her support.

7. That ever since the said marriage your Oratrix has behaved herself as a faithful, affectionate and chaste wife towards the said Charles Albert Rawleigh and her entire conduct has always been beyond reproach.

8. That your Oratrix is wholly destitute of means of supporting herself during the pendency of this suit, or of defraying the costs and expenses attending the presecution of the same.

It is thereupon, this 18th day of December, 1937, ordered by the Circuit Court for Kent County in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 17th day of January next, give notice to the said Charles Albert Rawleigh, non-resident defendant, warning him to appear in this Court in person, or by Solcitor, on or before the 1st day of February next, to show cause, if any he has, why a Decree ought not to be passed as prayed.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 10c.
