O CONNOR NAMES CAMPAIGN AIDS

Active Campaign Plans Being Mapped

The seven prominent Maryland democrats selected to compose the "Steering Committee" to conduct the Gubernatorial campaign of Attorney General Herbert R. O'Conor, have all accepted the positions and will commence active work at once. This was made public this week following announcmetnt by the Attorney General of the personnel of the Committee.

All sections of the State are represented upon the Committee which comprises the following men:

Clarence W. Miles, Baltimore, former people's counsel of the Public Service Commission.

Herman M. Moser, Baltimore, former people's counsel of the Public Service Commission.

Herman M. Moser, Baltimore, former people's counsel and a former Assistant State's Attorney.

P. Watson Webb, Cambridge, publisher and editor of two newspapers in Dorchester County.

William H. Labrot, Anne Arundel County, executive head of the American Creosote Company.

John N. Mackall, Southern Maryland, former chairman of the State Roads Commission.

Thomas W. Pangborn, Hagerstown, president of the Pangborn Corporation and president of the National Founders' Asscoiation.

Ralph Robinson, Baltimore county, former president of the Bar Association.

In commenting upon this group, Mr. O'Connor stated that it was his intention to conduct his fight for the Governorship on the highest possible plane and that the type men upon the Committee gave particular support to this intention.

Mr. O'Conor pointed out that Mr. Miles was campaign manager for Senator Radcliffe, vice-chairman for the Smith Presidential Campaign in Maryland and vice-chairman of hte late Governor Ritchie's last campaign. Mr. Miles is a former resident of Salisbury, Wicomico County.

Mr. Robinson, it was noted, was chairman of a committee in the last campaign of President Roosevelt.

Not only is Mr. Pangborn active in civic affairs in Western Maryland, Mr. O'Connor asserted but he is noted for having inaugurated social security features in organizations before the adoption of the national program."

Mr. Webb, it was said, is a member of boards of directors in several enterprises in Dorchester county and other parts of the Eastern Shore. Mr. Labrot is owner and operator of Holly Oak Farms and is active in various other businesses, including horse breeding.

"I consider myself fortunate in having such outstanding and high principled men take up the work for my nomination as the Democratic candidate for Governor," Mr. O'Conor commented. "Naturally, I am very much gratified that such high type men, with whom I have labored and who know me intimately, are willing to take active interest in this campaign."

Headquarters for the committee will be opened this week in the Baltimore Trust Building.

Mr. O'Connor is one of four men who have announced their candidacy for Governor subject to the Democratic primaries in September.

The first to announce was Mayor Howard W. Jackson, of Baltimore who following his announcement conducted an active campaign in all parts of the State. While there has been considerable speculation as to his running-mates Mr. Jackson has not publically allied himself with any other candidates for office.

Comptroller William S. Gordy, of Salisbury is also one of the candidates in the field. He will likely build his campaign around his long experience in State administration work gained by years as Comptroler.

Senator Langsdale Sasscer, of Prince George Sounty, who for the pCast two sessions has served as president of the Senate and is a prominent lawyer in Southern Maryland.

Apples Give Tang To Sweet Potatoes

THE apple and the sweet potato each in its own kingdom a very popular fruit and vegetable enjoy a long season of activity during the winter months. Served alone in many of their guises the king of fruits and the yellow fleshed tuber bring variety to cold weather meals. When the sweet potato and the apple join hands in a baking dish, however, the result is a dish which pleases the most discriminating palate. The zestful tang of the apple serves to enhance the more pallid virtues of the sweet potato adding greatly to the popular appeal of the vegetable. For sweet potatoes at their best try the following tested recipe:

Baked Sweet Potatoes with Apples

6 medium-sized sweet potatoes
4 apples, cored and pared
½ cup sugar
4 tablespoons butter
½ teaspoon salt
¼ cup water

Slice the sweet potatoes and apples and arrange in alternate layers in a buttered baking dish, topping each layer with sugar and butter. Pour the water and salt over the last layer. Bake uncovered in a moderate oven (350° F.) for from 30-45 minutes.

Yield: 6 servings.

Shakespearean Players Coming Here Tuesday

It is announced that the James Hendrickson & Claire Bruce Compani, Shakespearean players from New York City with a record run of eleven years of touring in the Shakespearean plays wil lappeal at William Smith Hall, Washington College on Tuesday, January 11th. The company has been brought to Washington College through the efforts of Professor Winton Tolles. A large attendance is anticipated because of the high professional standing of the company. Tickets for the performance will be on sale at Stam's Drug Store. Unusually low admission prices have been made for students.

Mr. Hendrickson and Miss Bruce will have in their supporting company such well known players as John Burke, Vincent Copeland, Robert Gale, Martin Wells, Jeanne Lester, Nathaniel Wyenn, Chris Lang, Althena Lorde, Edward Kandel.

It is the custom of the company to invite a limited number of local students to appear as supernumeraries in scenes requiring group acting. The following students have been selected by Professor Tolles, Head of the Dramatic Department, because of their special training and talents, to assist the visiting company.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

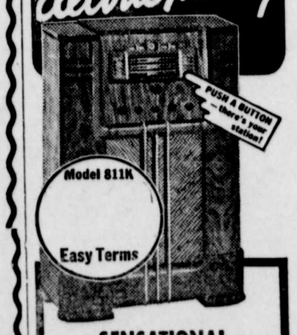

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 15c
