THE CONTEMPLATED war against the invasion of Japanese beetle in Kent County should have the support of the entire public. So far the menace has made no serious inroads here but is gradually spreading from Cecil, county, New Jersey and Delaware in this direction. In inspection of the devastation caused by these insects in other States would make the residents of Kent County realize the importance of the activities which are planned here. The county and towns are cooperating in the move but it cannot be a success unless it has the support of individual property owners. If we are to continue to have beautiful lawns, gardens and fruit trees we must follow the old saying that "An ounce of prevention is worth a pound of cure."

SCOUTING HAS BECOME one of the chief activities in Kent Co., and justly so as it is a clean, wholesome actively among the future citizens of Kent County. Too much cannot be said in favor of scouting at it offertrs amusement that holds the interest of the boys and at the same time confines that amusement to clean thinking and body building. Those men in the county who are gviing of their time as leaders in this work are doing an outstanding service and the work should have the support of the various communities. The Scout oath, which the boys must take before becoming a member of that organization has everything in it that leads to good citizenship. Boys must have activity and if they can find it in Scouting it is an activity that leads to the type of manhood of which any community can be proud.
can be proud. Scouting in the county is not confined to boys as Betterton boasts a Girls Scout Troup and this branch of the work is expected to expand to other parts of the county.

URGES UNIFORM TRAFFIC SIGNALS

Shore Branch Of Auto Club Meets

Urging the adoptions of one uniform system of traffic control, the Easton Branch of The Automobile Club of Maryland at its monthly meeting held Thursday, January 20, the Avon Hotel, passed resolutions in cooperation with the American Automobile Association, urging a vigorous nation-wide effort to educate motorists to use that system.

"Doubt and confusion as to proper signals exist in the minds of millions of motorists, and driving hazards are thus increasing," said Doctor E. F. Withers, of Denton, Chairman of the local Board. Other members in attnedance were S. J. Lee, of Chestertown, W. G. Rouse, Jr., of Easton, Henry Wilcox of Oxford, Roger N. Christopher of Federalsburg and Howard H. Moffett, Manager of the Easton office. The guests included Leonard E. Kilmer, General Manager of The Automobile Club, Harry E. Uhler, of Baltimore and R. D. Moore, Chestertown representative.

WAKE UP YOUR LIVER BILE—
Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go
The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.
Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 164
