## W. P. A. RECREATION HEAD NAMED FOR KENT COUNTY

### *Maurice Field Of Fairlee Gets Post*

Mr. Maurice Field, young farmer of near Fairlee, has been appointed Supervisor of W. P. A. recreation projects for Kent County and assumed his new position this week.

The duties of this office is to provide recreational instruction to any groups in the county who may desire it such as instruction in singing, games, athletic activities, upholstering, etc.

There is no age limits for groups to receive the benefits of this departments as it applies to all ages from children to elderly people. The slogan is "From the cradle to the grave."

Instructors for the various groups will be selected although they must be taken from the relef rolls. Their salary is reported to be $50 a month with the salary of the supervisor $100 per month.

The present set-up is effective until July 1st and its continuance is dependant upon Congress approving the W. P. A. appropriation.

Several groups have already availed themselves of the opportunity of the singing instructions.

## MRS. NEEDLES RE-ELECTED HEAD OF FIRE AUXILIARY

### *Organization To Decorate Fire House*

At the annual meeting of the Woman's Auxiliary of the Chestertown Volunteer Fire Company, held Friday evening of last week in the new fire house Mrs. Francis Needles was re-elected President for the fourth year.

This group, one of the strongest woman's organizations in the county, has 240 members, 17 members having joined at the meeting last Friday night. Its activities are confined to the interest of the fire company and is very active along these lines.

Among the immediate activities are the furnishing of 100 steel chairs for the banquet hall of the new fire house, second floors, equipping the kitchen furnishing curtains for the first and with a 300 pound coolerator and 20 gallon coffee urn, building the china and glass-ware equipment up to a point where a banquet of 300 persons may be served, serving the fire company bnaquet which will be held March 1st.

The treasurer reported a balance on hand of $1110, part of which will be used for the above improvements.

Other officers elected Friday night were:

Mrs. Eleanor Coleman, vice president,
Mrs. Jessie Blakeney, Secretary,
Mrs. Don T. Falls, treasurer.

Miss Ann Smith, Mrs. Maggis McIntire and Mrs. Randolph Waddell were chosen to the board of directors and Mrs. Jesse Smith, Mrs. Harvey Brown and Mrs. John Redding were named House Committee members.

## NAMED TO ENGLISH DEPT. AT COLLEGE

### *To Fill Vacancy For Remainder Of Year*

James H. Coberly, of George Washington University, Washington, D. C., has beenu named as assistant in the Department of English at Washington College in the absence of Winton Tolles, who is o na one semester leave of absence.

Mr. Cboerly is completing his master's degree at the Washington institution. He is a member of Sigma Chi scoial fraternity and Phi Gamma Mu scoial science honorary. He spent the early part of his undergraduate days at Davis?Elkins College and then went to George Washington where he got his bachelor's degree.

Mr. Coberly has specialized in the field of the English short story. For the last two years he has taught classes in this subject at the Community Center in Washington. His most recent work has been in the field of American Literature and literature of the Elizabethan period. He studied the development of nationalism in American Literature from the writing of the Constitution to the present day.

## Mrs. Colclazer Dies In Philadelphia

Funeral services were held here Wednesday afternoon for Mrs. Henry Hicks Colclazer, 71, sister of Mrs. Hiram Brown, of Godlington Manor, who died suddenly on Monday in Philadelphia. For some time and up to a short while before her death, Mrs. Colclazer had been in charge of the Oak Lane Branch, Philadelphia Libraries.

Services were held in Philadelphia Tuesday night and the remains brought here where rites were held on Wednesday afternoon, were conducted at the Usilton Funeral Home with the Rev. Paul E. Reynolds in charge. Interment was at Chester Cemetery.

The bearers were: Wlliam B. Usilton, Fred G. Usilton, Charles S. Smith, C. E. Noland, A. Leon Brown and Hiram S. Brown. Ralph H. Usilton was the funeral director.

## Mr. Louis H. Knorr Dies In Rock Hall

Louis H. Knorr, 92 years old, died Friday, February 4th, 1938, at the home of his son-in-law, G. L. Satterfield in Rock Hall. The deceased had been a member of his daughter's household for about five years and kept in remarkable health except from blindness from cataracts of both eyes. Two days prior ot his death he fell and suffered a concussion of the brain and spine. The deceased leaves a wife and another daughter, Miss Meta Knorr in Baltimore. The body was taken to Baltimore and funeral services held at William Cook's funeral parlor Monday at 11 A. M. Interment in Loudon Park cemetery.

**CARD OF APPRECIATION**

We wish to express our sincere appreciation for the cards, flowers, and many other kindness shown us during the illness and death of our wife and mother.

T. R. STARR, and FAMILY.

**NOTICE**

The County Council of Homemaker's Clubs is having an evening of games at the Gymnasium of Washington College, February 25th at 7.30 p. m. Admission 25c.

There will be a door prize and prizes for the various games of Bridge, Pitch, Five Hundred, Rook, Monopoly, and Bingo. Refreshments will be served, and the general public is invited to attend.

## Will Lecture On Glass Wednesday

Mrfs. Clara S. Solandt will give a lecture on old glass for the benefit of the Kent and Queen Anne's General Hospital on February 16, 2 P. M. in Reid Hall at Washington College. Requests are being made for anyone to submit old glassware to be discussed.

Chairmen in charge of different groups of glassware and pottery for exhibit and discussion are: Bowls, Mrs. Donald F. Stam; Cup Plates and Plates, Mrs. J. S. W. Jones; Goblets, Miss Harriett Louisa Rogers; Compotes, Mrs. R. H. Collins, Jr.; Milk Glass, Mrs. F. G. Livingood; Celery Glasses, Mrs. Eben F. Perkins; Bottles and Lamps, Mrs. Philip G. Wilmer; Salt Cellars, Mrs. H. Clay Brown.

## Junior Prom At College Friday

Last Saturday afternoon after holding a class meeting and getting final committee reports, Howard Pfund, President of the Junior Class of Washington College announced final plans for the "Penthouse Serenade", the annual Junior Prom which is to be held on Friday, February 18th in the James W. Cain Gymnasium. Billy Antrim and his Columbia Broadcasting Orchestra featuring Elaine Pfeifer as soloist will furnish the sonorous rhythms for the gay Terspichoreans.

Every year the Junior Prom is one of the gayest social functions conducted on "The Hill". This year is no exception, other than the Junior Class promises the "Penthouse Serenade" wil lbe the most elaborate dance of the season. Mr. James W. Cain Gymnasium will be transformed into a penthouse in mid-Manhattan with decorations of blue and silver, the programs to follow the same theme. According to Howard Pfund, the seventh dance will be set aside in honor of the Seniors attending. The Seniors present will have the entire seventh dance tc hiemselves. Dancing will begin promptly at 9 p. m. and will continue until 1 a. m.

## SASSCER FAVORS WATERMEN IN PLAN

### *Advocates Their Control Of Conservation Commission*

Maryland with its many rivers and bays touching its shores on practically all sides naturally provides for its people means of livelyhood which is second to none in importance to the people in Maryland. As a result of this the operation of the Conservation Department affects directly or indirectly as many people as any other department of our state government and it is therefore absolutely essential that this branch of the Government be run in such a manner as to preserve all the sources of these important industries. I believe in the Conservation of this state being directed by people who are familiar with the waterman's problems and are willing and capable of taking the necessary steps to insure an abundance of supply so that all of the people who depend on these industries either for livelyhood or food may not be deprived of their supply.

By this I mean having the Conservation Commission directed by watermen themselves. I have enough confidence in these people to believe that since they know their problems better than anyone else a commission composed of practical watermen is better equipped to meet these problems and decide them as they should be. Certainly it cannot be contended that a person from the highlands is in any position to intelligently look after the Waterman's problems any more than the tobacco inspectors position could be adequately administered by a waterman with no practical knowledge of tobacco growing or marketing.

During my long service I have tried to consistently be helpful to the watermen in their problems. My interest in any sympathy with these problems is not a matter of gesture or promises, as I am on record in the journals of the proceedings at Annapolis.

The Conservation Department should be operated for the benefit of all with no privileges or special favors to a chosen few. Any law which tends in my way to give a monopoly in these industries is unsound. It is for this reason I am opposed to the system of leasing oyster grounds to certain people. I opposed the proposed lease legislation at the last session and I am already on record against it. I wish to here re-state my position as being against the passage of leasing laws or any other conservation laws that would result in giving the choice bars to individuals with enough influence to obtain them.

Every effort should be made to preserve and developed our natural bars. We should sponsor legislation and foster and promote in every way a continued working agreement with the State of Virginia to save our crab industry.

LANGSDALE G. SASSCER

## GRANT INCREASE PAY TO COLORED TEACHERS OF KENT

### *County Compromises In State-Wide Demand Against Discrimination*

The Kent County Board of Education, at their meeting on Tuesday, compromised with a delegation representing the colored teachers of Kent County in their request for a salary increase which would reduce the differential between the salary paid colored and white school teachers.

The move is State-wide and last year two of the counties in the State, Colvert and Montgombery partially meet the demand. This year practically every county in the state is faced with the problem which is based on the claim that differentiating between the races is unconstitutional.

The facts leading up to the action taken by the School Board this week are as folows:

In conference with the Board of Education of Kent Counyt, Maryland, at its meeting held Tuesday, February 8, 1938, William W. Jones, C. D. Smith and Joshua Thompson, a committee of the Kent County Parent Teacher Association of Colored Schools, and Elmer T. Hawkins, Mahalia Bell Drummond and Viola Johnson Comegys, a committee of three of the colored teachers of Kent County, interpreted the petition presented to the Board of Education from the colored teachers of the county at its meeting on February 1 as a request that their schools be held up to the same standards as the white schools, that the teachers be required to meet the same standards of qualifications and that they be paid according to the same salary schedule based on the same standards of training, experience and quality of service. They assured the Board they realized that this change could not be made at once. They were unanimous in expressing gratitude for the Board's sympathetic consideration of their problems and accepted an behalf of all of their teachers in the county the following agreement:

1. That the colored teachers of Kent County be paid for the balance of the current school year on the basis of the State salary schedule for colored teachers.

2. That for the school year 1938-'39 the colored teachers of the county would be paid in addition to the salary provided by the State salary schedule one-third of hte differential between the salary schedule of white teachers and that for colored teachers.

3. Salaries paid after the school year ending June 1939 would be predicated upon the action of the Maryland State Legislature at its session of 1939.

The State school budget now in effect, which aids the educational costs in the counties under the equalization plan, is made up until 1939 and can not be changed. This means that it will be necessary for the county to colored teachers will receive an insalary schedule next year.

As a result of the meetings of the two groups a compromise was made for the next school year whereby the colored tecahers will receive an increase of one third of the difference between the two races and amounts to approximately $5,00. This amount will have to be provided for in the levy to be struck in June.

The present agreement is effective for the next school year only and future development wil depend on the action taken at hte next session of the Maryland Legislation.

It will be remembered that Governor Nice, in a recent statement advocated the elimination of the difference of the salary paid colored and white teachers.

## WILD LIFE SHOW ON IN BALTIMORE

### *Maryland Resources On Exhibit At Armory*

With all preliminary arrangements having been made, final plans are now being carried out for the opening of the North American Sports, Garden and Outdoor Life Show at the Fifth Regiment Armory in Baltimore, on February 11th. This show, which is being sponsored by the Maryland Outdoor Life Federation, will present a complete panoramic picture of practically every form of outdoor life activity that is found on our continent.

There will be exhibits by the Conservation Department of the states of Maryland, Pennsylvania and West Virginia. All of these exhibits will be quite extensive and will depict a natural scene which is found in the different states. Included in the West Virginia exhibit wlil be a complete white-tailed deer family including the buck, doe and fawn, and a black mountain bear and cub. A live wildcat such as found in the mountains of Pennsylvania will be part of the exhibit entered by that state.

Exhibits at the show will also give life in Maryland. The cities of Cumberland, Frederick and Hagerstown have cooperated in preparing a Western Maryland exhibit and citizens of Dorchester and Queen Anne counties have arranged for an all-Eastern Shore exhibit.

A number of persons in all sections of Maryland, Delaware, Pennsylvania, District of Columbia, Virginia and West Virginia are cooperating in arranging a North American Sports, Garden and Outdoor Life Show.

Members of the general committee for the show include Mr. Wilbur R. Hubbard, of Chestertown.

## KENT COUNTY LEADS WILMINGTON AREA IN SCOUT ADVANCEMENT DURING YEAR

### *Eight Troops Including 150 Boy Scouts Celebrate Scout Week With Appropriate Ceremonies*

### *TWO MILLINGTON BOYS RECEIVE HONORS*

Two Millington Boy Scouts received life-saving recognition at the Court of Honor held at Washington College Tuesday evening. They were Harry Vansant and Joe Moore.

Scout Moore saved the life of Aldy Durham while swimming in the mill pond at Millington last June.

Scout Vansant with Scouts Jimmie Higman, Earl Bottomley and Jim Pippin were skating on the same mill pond this week. Higman broke through the ice in the deep part of the pond and was unable to get out. The other boys tried to reach him with a stick but could not so being equipped with their scout ropes, they tied the ropes together and Scout Vansant ventured out on the ice, threw the rope to young Higman and pulled him to safety. This was a typical example of the training given scouts which teaches them to think in emergencies.

Badges awarded Tuesday night went to the following:

Chestertown Troop 130—Tenderfoot, Joe Sutton, Raymond Sutton, Jack Barnes; Second Class, W. Robert Logan, Elmer G. Thomas; First Class, Allan Gill, Noble Reidy; Star, Jesse H. Smith; Life, J. Gladden Coleman; Second Class Merit Badges, Jack Nelson, James Allen Gill; Merit Badges, John C. Eliason, Jesse H. Smith, Merhle Fox, Lee Walbert.

Betterton Troop 126—Second Class, William G. Crew, Rodger Fellows, Wesley Robinson; Star, Samuel Hendrickson; Merit Badges, Samuel Hendrickson, Arthur Newsome, Jr., Charles Joiner, Jr.

Fairlee Patrol 171—Tenderfoot, Theodore Redman, George Redding, Raymond Stavely.

Galena Troop—Second Class, Barney McCauley.

Thursday evening a banquet was held under the auspices of troop 120 with Skipper E. P. Volke, leader of the Sea Scouts presiding in the absence of Scoutmaster Harry Poole who was taken to his home in Western Maryland on Thursday due to illness. The speakers of the evening were: Dr. Gilbert W. Mead, president of the Council and Mr. C. Lee Gill, Scout leader in the county.

Scouts from the two Chestertown troops, Millington, Kennedyville, and Fairlee attended.

Mr. Gill pointed out the strides made in scouting in Kent County and Dr. Mead, principal speaker of the evening, lauded the scout movement as one of the greatest organizations for boys in the country. He based his statements on more than twenty years experience in scout work.

## KENT HERDS RATE HIGH IN TESTS

### *Howard Leaverton Herd Leads In Association*

The five high herds in the Kent County Dairy Herd Improvement Association for January are as follows:

First—Howard S. Leaverton with 45 pure bred Holsteins making an average of 816 lbs. milk and 29.7 lbs. fat.

Second—Walter Moffett and Son with 11 grade and pure bred Holsteins making an average of 714 lbs. milk and 28.5 lbs. fat.

Third—Walter L. Walbert with 18 Grade and Pure Bred Guernseys making an average of 578 lbs. milk and 26.8 lbs. fat.

Fourth—Arthur M. Lusby with 35 Grade and Purebred Holsteins making an average of 755 lbs. milk and 26.2 lbs. fat.

Fifth—Churn Creek Farms with 58 Purebred Guernseys making an average of 499 lbs. milk and 26.2 lbs. fat.

The Ten Highest individual Cows for the month with their owners and production are as follows:

First—Arhtur M. Lusby's Bell 3rd, a purebred Holstein, milked 2278 lbs. milk testing 3.3% making 75.2 lbs. fat.

Second—Arthur M. Lusby's Helene, a purebred Holstein, milked 2055 lbs. of 3.2% milk making 63.7 lbs. fat.

Third—Howard S. Leaverton's No. 160, a purebred Holstein, milked 1600 lbs. of 3.7% milk, making 59.2 lbs. fat.

Fourth—Howard S. Leaverton's Prilly, a pure bred Holstein, milked 1770 lbs. of 3.3% milk, making 58.4 lbs. fat.

Fifth—Howard S. Leaverton's white heifer, a grade Holstein, milked 1497 lbs. of 3.9% milk, making 58.4 lbs. fat.

Sixth—Bradford Schauber's Redtail, a grade Guernsey, milked 1088 lbs. of 5.1% milk, making 55.5 lbs. fat.

Seventh—Howard S. Leaverton's Great, purebred Holstein, milked 1618 lbs. of 3.4% milk, making 55.0 lbs. fat.

Eighth—George R. Debman's III'rd Jay, a grade Guernsey, milked 1091 lbs. 5.0% milk, making 54.6 lbs. fat.

Ninth—Athur M. Lusby's Bab, a grade Holstein, milked 1603 lbs. 3.4% milk, making 54.5 lbs. fat.

Tenth—Harvey Freeman's Ormsby, a purebred Holstein milked 1528 lbs. of 3.5% milk, making 53.5 lbs. fat.

The following correction in the December report is made:—

C. Harvey Freeman's Ormsby, a purebred Holstein, milked 1680 lbs. of 3.9% milk, making 65.5 fat and should have been high individual cow for December. The omission is regretted.

Two new herds, S. Scott Beck, Jr., of Broad Neck and Bradford Schauber of near Chestertown, started testing in January. Continuous testing of every cow in the herd is the only way to secure information needed for proving our bulls, practical culling and feeding, and constructive breeding.

## Making Plans For Firemen's Banquet

The annual Banquet of the Chestertown Volunteer Fire Company will be held on Tuesday evening, March first, in the new Fire House on Cross St. Tickets for the banquet will be on sale by Saturday of this week at the store of Mr. A. L. Sparks, on High St. It would be well for those who desire tickets the price of which will be 75 cents each, to secure them as soon as possible, for the space of the hall is not unlimited, and a large crowd is expected. Only 300 can be seated comfortably, and no more will be sold than can be properly cared for.

The Ladies of the Firemen's Auxiliary will serve the dinner, and all profits from it will be used for the benefit of the Fire Company. It is not possible at this time to announce the speaker or Toast Master, but the House will be dedicated with appropriate ceremonies, and the Officers of the Company for 1938 will be installed. The Fire House will be thrown open for inspection, and it is hoped that all the friends and members of the Company will be on hand.

## WASHINGTON WINS OVER ST. JOHNS

### *Scores 50 to 35 Victory In Local Armory*

Washington College took another step toward the State Championship Wednesday night by defeating St. Johns 50 to 35.

Washington took the lead at the start and never relinquishde it, at half time the local team lead 20 to 14.

Smith for only lead the scoring for his team with 17 points but held Lambros, the Johnnie's ace forward to 12 points. Horowitz was second in scoring for Washington with 9 points and Zebrowski and Neubert each counted for 8.

An important game in the State league was scheduled for Friday night with Mount St. Mary's at Emmittsburg.

## Performs Miraculous Operation

An attractive, dimpled girl of 18 stood before several hundred physicians in Philadelphia this week. Through an operation performed by Dr. Eldridge Eliason, professor of surgery at the University of Pennsylvania and formerly of Chestertown, the girl was transformed from a masculine girl with bulging muscles and a hairy face to a smooth soft effiminate girl. Today she looks like any normal girl. The smiling, living proof of one of the most remarkable transformations ever achieved by medicine.

## NEWS OF ROCK HALL HIGH SCHOOL

I believe I neglected to mention our bowling team last week, so I shall redeem myself and mention it first this time. They have been exceptionally successful lately. Last Friday the girls won all three of their games, and repeated this performance this week. Winning six games in a row is something to be proud of.

Our orchestra is certainly up and coming. The practice was held Tuesday afternoon and there was surprising improvement. The music books have arrived, and the members are learning airs from them. We hope they will be able to make their debut on the eve of the Senior class play.

Which brings us once more to the subject of the class play. I can't report anything definite because nothing definite has been accomplished. The practice was scheduled for Monday, but an athletic meeting broke it up. Then various other reasons interferred and nothing has been done. The Seniors hope to get this play off before spring athletics start. Then much time can be devoted to an entertaining class night program.

Miss Hadaway seems to be having success with her class of freshmen. They have adapted themselves to learning to sew. Also the sophomore cooking class is certainly coming along. We who sit above the Domestic Science room know.

Mr. Greenwood's boys must be enjoying themselves. For every spare period you can hear a male voice timidly asking if he may go work in the shop. Home arts certainly are a boon to the high school student.

The stories written on the movie that Mr. Robinson showed here last Thursday are very interesting. Betty Lussier won the two dollars for the best story. Virginia Carter rated second, and received one dolar. Congratulations to these two girls!

Midyear marks and also half year marks have been given ot the pupils. I guess we know where we stand now, and needless to say some marks aren't what they ought to be. There ought to be more hard work from now until June. Now that's a thought—more work! I seem to remember my marks, so I'll be going now.

Valete!
