THE FACT THAT Kent County has 150 active Boy Scouts is something that this county can justly be proud as this represents more than twenty per cent of the boys of scout age. With this number of Kent County boys taking part in the clean wholesome life that a scout must follow, it promises a better citizenry in years to come. Scouting here is made possible through the cooperation of the men who give of their time and effort to promote it. This includes the Scout Council, Scout leaders and also those who contribute annually to the cause. Over a million boys in America have had the benefit of scout training it was started in this country in 1910. This contribution of time and money may well be termed an investment in the future of the boys of this county and an invesmtent in character building and educaion is something that cannot be lost regardless of economic conditions.

Betterton Girl Scouts Pass Tenderfoot Tests

The regular meetings of the Girl Scouts of Betterton were held at the home of Mrs. Elsie Newsome, our Scout Mistress.

We had an open discussion of ways and means of making money to finance our troup. It was decided that we would make ginger cookies. They were to be delivered on Monday and sold at ten cents a dozen.

We sold one hundred dozen cookies and our profit was about eight dollars. The money will be used to help the girls get uniforms. The cookies were made with the assistance of Mrs. K. Groves, of near Betterton.

At the meeting on Monday night, Feb. 7, 1938, the Scout leaders supprised us and served lemonade and cookies.

The Patrols have passed their Tenderfoot requirements and have started on their second class.

All Betterton Girl Scouts extend their thanks to the people who so readily cooperated with them in raising the money.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 168.

HELP KIDNEYS

To Get Rid of Acid and Poisonous Waste

Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.

Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.

You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out.

In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use *Doan's Pills*. A multitude of grateful people recommend *Doan's. Ask your neighbor!*
