RADIANT LIVING

Where Happiness Is Found

By Rev. C. M. Griffeth
Pastor Calvary M. E. Church
Sudlersville, Md.

Our highways are today crowded by throngs on the quest for happiness. Although most of these seekers are taking to the wide boulevards in high powered cars, yet are not many of them or the wrong road?

"Strait is the gate and narrow is the way that leads to life," says One who came to guide us into that life which is abundant.

Following His direction, I left the crowded highways and followed a narrow trail along which I met one day a man of many experiences and who greatly enriched me with his wisdom.

"I have learned in whatsoever state I am, therewith to be content," he declared.

Thne he told me how ambition had filled his life with discontent. He grew dissatisfied with his income, with his position, his wife, and his life. And then there came an awakening. "I realized," he confessed, "that discontent had shattered my peace of mind, unstrung my nerves and destroyed my happiness. So I let the crowd slip past while I struck out alone back of the speedways of life, to discover, if possible, where happiness could be found."

"And you really found it?" I inquired eagerly, "where?"

"I found it in that beautiful vale which lies just beyong the Hill of Surrendered Desire—in the Vale of Contentment. It was there," he continued, "that I learned how to submerge all my desires into the will of God. If He wills me to have my desire I am happy and grateful. If He wills me not to have it, I am still happy and contented."

"You are really rich!" I exclaimed.

"The same wealth awaits all. Keep on up the narrow path," he directed, "until you have passed the Hill of Surrendered Desire."

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. 25c. Stubbornly refuse anything else.

A LOT OF CAR *for a* VERY LOW PRICE

The Standard Tudor Sedan

The Ford effort to make your dollars buy a constantly better car is well illustrated in the Standard Ford V-8.

It has all the basic Ford advantages. It is built on the same chassis as the De Luxe Ford V-8. It gives you a choice of smooth 85-horsepower or 60-horsepower V-8 engines. But it sells at low prices, and includes bumpers, spare tire, cigar lighter, twin horns and other equipment that make it a still bigger bargain.

With the thrifty 60-horsepower engine, the Standard Ford V-8 is priced especially low and gives the greatest gas mileage in Ford history. Hundreds of owners report averages of 22 to 27 miles a gallon—or even more.

Your pocketbook will approve of the Standard Ford in every way. And so will you when you drive it!

THOSE WHO REMAIN

When death visits a home, the first concern is to perform the last service to the loved one in a becoming manner. What ever is done must express all the reverance and affection that is felt at such a time. But in addition to this a further responsibilty rests upon the funeral director. It is his privilege and duty to lessen as far as lies with in his power, the burdens laid upon those who remain. By countless little acts of thoughtfulness he can make the way easier for them.

We consider this part of our work as important as any other. Our highest aim is to have our patrons look upon us as trusted friends, ready and anxious to render sympathetic assistance to those who remain behind.
