KENT COUNTY HORSE FEATURED IN MAGAZINE

The Maryland Horse, A Magazine Published At Towson Gives Story Of Principe

The following article taken from the April issue of The Maryland Horse Magazine:

"Some years ago the Shah of Persia, wishing to show the friendship of his realm to the kingdom of Spain, presented the horse loving King Alfonso with two stallions and five mares from the royal stables of the Persian kings.

Several years later King Alfonso, knowing of the interest in horse racing in Cuba, and of the desire of the Cubans to improve the breeding of their race horses, sent Principe, one of these stallions, as a present to President Machado.

Subsequently there came to Cuba an important Maryland gentlemen, Henry Catlin. Mr. Catlin, a true Marylander and proprietor of one of the largest estates on the Eastern Shore, soon became a close personal friend of the President.

One day President Machado and Mr. Catlin were looking over the latter's stables when a glorious wild Arabian stallion was pointed out as being unridable. The following dialogue took place:

Mr. Catlin. "I have never seen a horse or woman throw me yet."

President Machado. "Ride him and I will present him to you."

Forthwith the noble animal was saddled and, after a few exciting minutes, Mr. Catlin made good his boast and became not only the master but also the owner of Principe. He then shipped him to his Marylnad estate, then under the management of Roger Harris (now manager for Mr. William McAlpin) where he was the master's favorite mount. Principe was given a stable of his own with a special colored groom detailed as his constant companion.

After the death of Mr. Catlin, the Arabian stallion was purchased by W. Clarke Grieb, of Deep Point Farm in Kent County, who still owns him. Principe is now 16 years old and, according to the owner, is the most intelligent, gentlest and most courageous horse that has ever lived on the Eastern Shore.

Principe now has a few sons and daughters, mostly out of Thoroughbred mares. To his off-spring he has been able to pass on his tireless energy and stamina, reinjecting into worn out blood lines the best of Arab lineage. He is now standing at his owner's farm, near Chestertown.

COON CLUB PUTS FORTY COONS HERE

Released For Restocking Purposes In Kent And Cecil Counties

Field Trials May 15th

The Eastern Shore Coon Hunters Association, of which Mr. Edgar Walls is president and Mr. Spencer Stevens secretary and treasurer, has released forty coons in Kent and Cecil counties for restocking purposes.

This annual restocking of coons to assure continuation of good hunting in this section has been practiced by the local club for a number of years, although this year the club was compelled to do the restocking without any help from the State Game Department. In past years the game department has assisted in the payment for the coons which are purchased in the middle west but this year that department reports that the great decrease this year in hunting licenses issued does not enable their cooperation. The falling off in the procuring of licenses is said to be due to the rigid restrictions on the hunting of ducks and geese.

The Eastern Shore Coon Hunters Association has set the date of May 15th for the annual spring coon dog field trials to be held on the Webb Farm, 3 mlies north of Cecilton. This annual event attracts dog owners from many nearby states who put their dogs in competition for valuable prizes.

CITY COUNCIL HELD APR. MEETING MON.

Re-Appointed Officials And Named Committees

The Mayor and Council, of Chestertown, held its first meeting of the new town year on Monday of this week at which time town officials were appointed and committees named for the coming year.

Mayor Philip G. Wilmer named the following committees from the Council on all of which he is an ex-officio member: Public Safety—J. S. W. Jones and Virgil Kendall; Streets—Charles F. Wheatley and J. S. W. Jones; Buildings and Parks—R. H. Rogers and Charles F. Wheatley.

The following officials were named by the Council:

Appointments made were:
S. Scott Beck, city solicitor.
Gilbert Taylor, city engineer.
Samuel E. Cooper, chief of police.
Rufus E. Collins, night officer.
Mrs. Frances B. Larrimore, town clerk.

Other town employees work on a monthly basis and are not appointed.

The year was closed with the payment of all current bills.

The Council is considering securing a map of Chestertown showing building lines, sewers, water mains, curb lines, etc., which would make a permanent picture of these things which at the present time are the source of much discussion.

COLLEGE SENIORS GET FELLOWSHIP

Three Members Of Graduating Class Receive Awards

Three members of the graduating class of Washington College have been notified this week of Scholarship or fellowship awards made to them from leading universities where they will carry on advanced study.

Mr. J. T. W. Ross of Island Creek, Md., has been appointed a teaching assistant in the Department of Chemistry at Georgia Tech, Atlanta, where he will pursue his studies toward the Ph. D. degree. Last year a similar appointment was made to Mr. Lawrence Yourtee of Brunswick, Md., who is continuing his work at Georgia Tech in the same department.

Mr. Franklin Bolth of Church Hill, also a member of the present senior class, has been granted a scholarship for graduate study at Clark University, Worcester, Mass., where he will join Mr. F. H. Bratton, a graduate of last year, who is a holder of a similar scholarship in the Chemistry Department. Mr. Al Giraitis, who has been working at Clark on a fellowship since his graduation from Washington College in 1934, will receive his Ph. D. degree this June.

Mr. William F. Doering of Berlin, Md., who will graduate at Washington College this year, his been offered a scholarship at the University of Pennsylvania for graduate study in Economics.

BETTERTON FIRE CO. DEMONSTRATES EQUIPMENT SUNDAY

Chester Firemen Aid In Exhibit Of Fire Pumper

The newly organized Fire Company at Betterton staged a demonstration Sunday afternoon of the pumper truck which they recently purchased and the whole town turned out for the affair.

This fire company was assisted by firemen of Chester, Pa., who brought additional equipment with them to show the pumping ability of the fire truck that was purchased from the Chester company. The Chestertown fire company also assisted with hose and the entire affair was reported to be very satisfactory in every respect.

Placing the truck on the pier, they exhibited the ability to pump through four lines of hose. They then connected all four lines through a simese coupling and produced one large stream that was a miniature flood. In order to remove any doubt as to the ability to pump water up the hill at that town, the Chester firemen laid out 400 feet of hose and the Chestertown firemen added an additional thousand feet with the result that a strong stream of water was pumped up hill 1400 feet with enough pressure at the nozzel to effectively fight any fire.

The status of the Betterton Fire Company at the present time is that they own a truck with an excellent pumping equipment as demonstrated last Sunday. In order to fight fire in that town hose is needed and the more hose the more property can be protected In order to secure this hose, property owners are being asked to assist in raising sufficient funds to purchase it. The demonstration on Sunday proved what can be done and plans are now underway to raise money in order to prevent another disasterous fire in that town.

CHILDREN'S AID TO OPEN DRIVE HERE

Appeal Made For Under-Privileged Children Of Kent County

The articles which you have been reading from week to week have been a review of typical cases cared for by the Marylnad Children's Aid.

The time has now come when the Kent County branch asks you to be a Good Neighbor and assume a responsibility in the campaign starting Monday, April 18. Funds are needed to give medical care and clothing to the eleven Kent County children now under our guardianship.

These are children who were neglected, mistreated or deserted in their own homes and are now in foster homes where they are given love, understanding guidance and medical care, denied them by their own parents.

In as much as these children are not with their own parents and relatives they are not eligible for federal funds and it is the plea of The Kent County board of the Children's Aid that you share the responsibility to offer support for their care.

Please help in this worthy cause; any contribution you give will aid in this drive and be greatly appreciated.

William A. Hyland Dies At Wilmington Hospital

Mr. William A. Hyland, prominent business man of Galena, died at the St Francis Hospital, Wilmington last Saturday morning following an illness of heart trouble for several months. In addition to numerous other business activities in the county, including those of a Director of the Kent County Savings Bank and the Kent Mutual Fire Insurance Company, he conducted a hardware store in the town of Galena for a number of years. He was a man whose disposition made for him a host of friends in all parts of the county who will miss him as will the entire community of Galena.

He is survived by three daughters, Mrs. Catherine Vaughn, Miss Sarah Hyland and Miss Mary Mandain Hyland, all of Galena; two brothers, Mr. Harry Hyland, of Wilmington, and Mr. John A. Hyland, of Federalsburg; two sisters, Mrs. L. R. Vansant, of Galena, and Mrs. Herbert Price, of Newark, Delaware.

Westminster Abbey Treasures

Chief among the Westminster abbey treasures are two Thirteenth century paintings, filling two arches of the south wall of Poet's Corner. One is of Christ showing His wounds to St. Thomas; the other is of St. Christopher carrying the Christ child in his arms.

Duck Hawk Is Speedy

No land animals can ever hope to attain the speed of the duck hawk which rates 180 miles an hour in the air, nor that of the speediest of all living creatures the deer fly, the male of which flies at the rate of 818 miles an hour.

Tri-State Yacht Club Remodelled

The Tri-State Yacht Club plans a very active season at their Chesapeake Bay headquarters on Worton Creek, Kent County.

The Club House has been remodeled to accommodate overnight guests and a dining room for visiting yachtsmen will be constructed on the Buck Neck side. This new dining room will be constructed as a replica of a ships deck.

FARMERS RECEIVE CHECKS THIS WEEK

Friday Mail Brings $75,000

The long awaited conservation checks were received Friday morning by County Agent J. D. McVean and were distributed to those farmers who called at the office for them. This practice wil continue today and on Monday distribution will be made throughout the county Monday to those who have called for them.

The checks received Friday represented 75% of the total amount due in Kent County and represents $75,000. The remaining twenty five percent which will bring the total to more than $100,000 was delayed due to difficulty and delay in filing claims.

The total received here last year for complying with the provisions of the Fedral Conservation act amounted to $99,863.01 which was the second largest amount received by the various counties of the State.

John Boone Dies At Local Hospital Here

Mr. John Boone passed away Friday evening of last week at the Kent and Queen Ann's Hospital in his 69th year.

He was one of the most highly respected residents of Betterton, a man devoted to his home and family and a resident of Betterton for over 45 years. As an occupation he was a paper hanger for which he was known all over the Eastern Shore.

He is survived by his wife, nee Mattie Lee and one daughter, Mrs. Hattie Crew, of Betterton; 2 sons, Nelson and John, Jr., of Betterton; two grandchildren; three brothers, James, and Bary of Baltimore, and Albert, of St. Mary's County.

Funeral service was held at his late home Monday afternoon at 2 p. m. conducted by Rev. Hallman.

The bearers were: Messrs. Charles Brice, Arthur Brice, Leonard Price, Earnest Horsey, Herman Crew, John Hessner. B. R. Fellows, undertaker in charge.

The bearers were: Messrs. John W. Naylor, Harry S. Dempsey, William B. Towler, Robert L. Fogwell, George E. Hicks and Andrew W. Wilson.

Besides his widow, who before her marriage was Miss Vevia Hendrickson, he is survived by three children, Clark, Addie and Margaret at home. Samuel C Walters, of near town, N. V. Walters, of near Kennedyville, Mrs. William DeShane, of Chesapeake City; Mrs. Mary Johns and Mrs. Addie V. Mark are brothers and sisters of the deceased.

Employment Office Changes Hours

The summer schedule is being adopted by the Maryland State Employment Service office, located in the Voshell Hotel, Chestertown, beginning Monday, April 11.

The new hours will be from 8.30 a. m. to 4 p. m. daily, with the exception of Saturday when it will close at 12 noon.

All employers needing workers are invited to call Chestertown 381 or visit the office in person. This service is free both to the Employer and employee and its value in the community can be greatly increased if the local employers will cooperate. Regardless of the type of worker needed a call or visit to the office will result in every possible effort being made to find qualified workers to fill the position.

Ice Plan To Stage Movie

The Chestertown Ice Plant will stage a free moving show at the new Lyceum Theatre, Saturday afternoon, April 23rd, to which the public is invited. Admission will be by tickets which may be secured at the ice plant.

The picture is entitled "Husbands Are Good For Something" and from reports is a very entertaining feature.

Mrs. Edmond Luckett, author of the book was scheduled to be among the twenty-five Baltimore guests as well as Mrs. Moulton, and Mrs. Howard Jackson.

The meeting, which included a tea, was held at the club house of the Chester River Yacht and Country Club.

MUCH AIR MAIL ARRIVES AND LEAVES CHESTERTOWN

Is Carried To Philadelphia By Train And Then Dispatched By Plane

National Air Mail Week Scheduled May 15-21

Postmaster Usilton calls attention to the excellent air mail service from coast to coast. There is quite a lot of mail out of Chestertown destined for the air routes, and a large quantity arrives daily by the same way.

National Air Mail Week is set by the government from May 15 to the 21, with chairmen in all the states of the union. While airplanes do not touch here at present for the purpose of either delivering or taking on mail, it is possible to mail a letter in Chestertown this evening and having it reach California the next afternoon.

Postmaster Usilton was asked if the service was growing. He replied most emphatically it is on the increase. Mail destined for the air routes leaves here for Philadelphia, where it is placed on a plane and carried as far as the west coast in record time.

The purpose of the National Air Mail Week is to intensify the American people's consciousness of aviation and the air mail, but the most immediate objectives are patriotic and practical—the commemoration of the Twentieth Anniversary of the inauguration of the Air Mail Service started by the Post Office Department May 15, 1918; to educate the citizens in the use of air mail, its progress, dependability, safety and value; and to increase the use of the air mail to the end tha texpansion will be possible.

Postmaster Usilton stated that the postage for air mail is six cents an ounce. This will dispatch a letter across the continent in twenty-four hours.

New Arrivals

Captain and Mrs. Hillry Akers, of Rock Hall, are the proud parents of a fine little girl born Tuesday morning. The little arrival has been named Eolin Ann.
