CHURCH NOTES

RADIANT LIVING

Enriched by Spiritual Vision

By Rev. C. M. Griffeth
Pastor Calvary M. E. Church
Sudlersville, Md.

There is nothing so valuable in life as spiritual vision.

It is the power to see the unseen. It is an ability to converse with God. It is as a city of refuge wherein the soul can find security from the avengers of a heartless materialistic world.

By the power of spiritual vision St. Paul saw the unspeakable glory of the sevenh heaven. By the power of spiritual vision the Beloved John saw the marvelous grandeur of the Holy City.

Spiritual vsiion is not to be obtained in the lowlands, but one must ascend the mountain of Meditation. It takes time to climb, but the higher we climb the better the view.

Well do I remember a wonderful impression that came to me one Sunday while preaching. I felt that I was in the midst of a temple. About me rose a forest of gigantic stone pillars. As I looked above I saw that they supported a vast dome far above me that seemed to be filled with a golden glory.

Each pillar seemed to be a manifestation of some important truth. One represented the Virgin Birth, another the Atonement, another the Resurrection. I received the impression that I was standing amid the eternal varities of God. I was in the midst of the unseen spiritual Temple of Divine Truth.

What brought such, an impression to me? As I sought an explanation of it, I found the answer in the fact that I had been meditating in the fundamental truths of Redemption.

SAVE MONEY?

The Standard Coupe

The Standard Ford V-8, with 60-horsepower engine, gives you a lot of car for a little money.

300,000 new owners acclaimed the "thrifty 60" last year. Hundreds a day are buying it in 1938. Why?

Because it is priced low—includes essential equipment without extra charge—and goes farther between filling stations than any Ford car ever built. Owners all over the country report averages of 22 to 27 miles on a single gallon of gasoline.

But economy isn't all the story by any means. The Standard "60" is built with the same precision as the De Luxe "85," and has the same 112-inch wheelbase chassis. It is easy to look at and ride in—as well as easy to buy and run. There's a Ford dealer near you.

HELP KIDNEYS
To Get Rid of Acid and Poisonous Waste
Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.
Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.
You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out.
In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use *Doan's Pills*. A multitude of grateful people recommend *Doan's. Ask your neighbor!*
