## FLORENCE SKIRVEN APPOINTED SUPT. OF LOCAL HOSPITAL

### *Miss Elizabeth Wright Resigns Position*

At the first regular meeting of the Board of the Kent and Queen Anne's hospital Thursday evening following the election held last month, Miss Florence Skirven was named temporary Superintendant to fill the vacancy caused by the resignation of Miss Elizabeth Wright.

The position of assistant Superintendant was offered to Miss Sarah Watson but was not accepted as Miss Watson resigned as a member of the nursing staff.

Miss Watson's resignation was the only change in the nursing staff of the hospital with the exception of Miss Wright whose resignation was tendered last month.

The Board at the meeting Thursday evening accepted the resignation from the Board of Messrs. R. Oliver Wright and R. Hynson Rogers.

Mr. J. T. Kibler, newly elected president, presided at the meeting.

The annual report of the condition of the hospital showed it to be in excellent condition and is serving a real need in the community.

## Oscar Swann Rents Willis Farm

Mr. Oscar Swann has rented the Chaplin Willis farm near Militota and will occupy it January 1st.

**QUILTING WORK**

## State Forester Issues Book On Trees

The State Forester has just printed a new and valuable 100 page book on Forest Trees of Maryland. It is illustrated with many engravings, showing Leaves, Buds and Twigs of all the important native trees of Maryland; to enable the reader to identify them. It also describes the various uses for the wood. There is a list of the largest tree of each species with name of owner and location, which is of much interest in the study of trees. Schools, Clubs and individuals, should send for a free copy to F. W. Beasley, State Forester, Universtiy of Maryland, College Park, Maryland.

## WILL STUDY BROADCAST CONDITIONS HERE NEXT WEEK

### *Will Broadcast Rock Hall And Chestertown Regattas*

Technicians from W F B R Broadcasting Station will be in Kent County next Thursday of next week for the purpose of studying the conditions for broadcasting from Chestertown and Rock Hall. This study will be in preparation for broadcasting the Chestertown and Rock Hall regattas.

The study may result in further broadcasting arrangements from these two points. The station will be represented by Messrs. Kennard, Marlin and Rogers who after studying conditions at Chestertown will go to Rock Hall where they will be taken out on the bay and return for a dinner at the Old Mansion House.

## KENT COUNCIL OF P. T. A. MET HERE

### *Maps Program Of Activities*

The Executive Board of the Kent County Council of Parent Teachers met Thursday, May 12th at 4 p. m. at the Elementary School to receive reports from the various committees which were appointed in March.

The program of activities include:

Organization of mother's study circles.

Sponsor a good movie matinee for children.

Promote the Summer Roundup so that children may be physically fit when sent to school in September.

Have a Kent County Parent-Teachers Picnic.

Form Ways and Means for increasing membership.

Mrs. F. B. Morris is chairman of the Council.

Dr. F. A. Holden will be in the Health Center, Chestertown, Wednesday, May 11, from 2 to 5 P. M. Practice limited to Eye, Ear, Nose and Throat. Glasses prescribed.

## MAPS PROGRAM FOR FINANCING BRIDGE ACROSS CHES. BAY

### *Roads Commission And Civic Groups Will Seek Federal Funds*

The long-proposed bridge over the Chesapeake Bay, from Miller Island to Tolchester, was given a new lease on life this week.

It vigorously was urged as the logical crossing of the bay at a meeting called by the State Roads Commission to discuss the question of a site.

When the meeting was over it was indicated that plans to obtain Federal funds to aid in spanning the bay would be based on this bridge, and not on the alternative proposition, a tunnel from Sandy Point to Kent Island.

Prominent among advocates of the Miller Island site was Wayne Johnson who recently has acquired a large estate in Kent county. He was one of three persons meeting with members of the Roads Commission.

The others were Albert D. Graham, Baltimore banker and chairman of the Chesapeake Bay Bridge Authority, and G. H. Pouder, executive vice-president of the Baltimore Association of Commerce.

Discussion of the site for a bay crossing was preliminary to the inquiry which the State Roads Commission will make in Washington to determine what Federal funds can be obtained for each of the proposed crossings recently authorized for Maryland.

Other crossings authorized are a bridge over the Susquehanna, a bridge over the lower Potomac river, and a tunnel under Baltimore harbor. It has been suggested that all four crossings might be financed as one program.

Strong argument s have been advanced on behalf of the Sandy Point-Kent Island tunnel as the proper crossing for the bay.

Recent engineering checkups on old plans and estimates indicate that this bridge still could be built for around $10,000,000, it was said while the cost of a tunnel from Sandy Point to Kent Island would be in the vicinity of $20,000,000.

At these figures, it is argued, it would take only half as much traffic to pay for the upper crossing as for the lower. A tunnel is believed necessary at the lower site because of War Department objections to a bridge below Baltimore.

**Will Make Survey**

Dr. Homer E. Tabler, chairman of the State Roads Commission, is to make his survey of Washington agencies within the next few days.

It is hoped that a direct grant can be secured from the Public Works Administration for a portion of the $10,000,000 needed for the bridge and that the Reconstruction Finance Corporation will advance the remainder on bonds secured by toll fees.

Dr. Tabler is to report back to the Bridge Supervisory Committee, created by the last Legislature, of which Abel Wolman is chairman, after he has conferred with Federal officials. Further plans then will be laid.

## Children's Aid Drice Nets $600

The county-wide drive for funds for carrying on the work of the Maryland's Children's Aid in Kent County netted $600 according to a statement made by Mrs. W. Dorsey Hines, president of the Kent County branch.

ROGER HARRIS,
A16-tf. R. R. 3, Chestertown, Md.

## Firemen To Devorate Graves

The Chestertown Volunteer Fire Co., at its last meeting, set Sunday, May 29, as Memorial Sunday for departed Members. All members of the Fire Co., with the Ladies Auxiliary, are asked to assemble at the Fire House on that Day at 2.15, and march to the Chestertown Cemetery, where appropriate memorial Services will be held. Donations of flowers are asked to be sent to the Fire House on Saturday afternoon, so wreathes can be made for decorating each grave.

## COMMISSIONERS TO MEET WITH ROAD COMMISSION WED.

### *Will Discuss Road Improvement In Kent County*

The Commissioners of Kent County with Senator Arthur Brice will go to Baltimore next Wednesday to discuss the proposed secondary road improvement in this county.

The point of discussion will be as to whether the State will take over and maintain the secondary roads that are on the schedule for improvement.

The present plan is to top-dress certain slag roads in the county to make them of permanent construction and the County Commissioners will request the State Roads Commission to make them part of the State system due to the fact that the maintenance of this type of road will require State equipment in case the roads are turned back to the counties.

Kent's share of the road improvement fund amounts to $30,000 this year, $15,000 of which was carried over from last year.

## CONTRACT LET FOR NEW HOSIERY MILL IN CHESTERTOWN

### *Construction Work Expected To Start Monday*

The contract for the new hosiery mill in Chestertown was let Monday to Mr. Harry Tucker, local contractor.

Mr. Tucker's bid of $4,256 was low of the three bids submitted.

Construction work is expected to start Monday. The building is to be of brick construction 50x70 and when completed to include heating, plumbing and electrical work will cost approximately $63,000.

Two more carloads of machinery arrived Thursday and was stored awaiting completion of the building.

Todate 95 shares of stock have been subscribed for, necessitating the sale of approximately 15 more shares to cover the entire cost. Volunteer subscpitions will be appreciated by the committee.

The committee has already received a number of applications for work in the factory.

## Firemen Answer Three Alarms

The Chestertown Volunteer Fire Company responded to three alarms this week, two in Chestertown and one in Queen Annes.

One of the large ware houses at the basket factory caught fire and was quickly extinguished. The fire started in a corner post of the building three feet from the ground. The origin baffled local firemen.

A brooder house at the home of Mr. Charles Porter near Rolphs Wharf was destroyed by fire and approximately 350 baby chicks of the 500 housed there were killed.

At 3 a. m. Thursday morning firemen were called to the Chestertown restaurant when an explosion in an oil burning cook stove blew the smoke pipe off and filled the rear of the building with smoke.

**ANNOUNCEMENT**

I have purchased the hardware business of the late WILLIAM M. CULP and will operate under the name of
COOPER'S HARDWARE STORE
Your patronage will be appreciated.
H. EARL COOPER.

**SUPPER AND FESTIVAL**

WESLEY CHAPEL M. P. CHURCH will hold their annual Spring Supper and Festival in the Church Hall on Thursday, May 19, 1938. Supper will ommence 5.30 p. m. Menu: Crab cakes fish, chicken salad, country ham, potato salad, slaw,biscuits, rolls, pickles, jellies and coffee. Adults 50 cents; children 12 years and under, 25 cents. Home made ice cream, cake and candy on sale.

**SHAD SUPPER**

The Ladies of Betterton M. E. Church will hold their Sprnig Supper on Monday, May 7th in the church parlors. The menu is as follows: Shad-Baked or chicken salad, asparagus, macaroni, slaw, deviled eggs, pickles, jelly, rolls, coffee. Price 50c; Children 35c.

**BOARDING HOME FOR AGED PERSONS**
Address,
TRANSCRIPT C.
Ap30-3t. Chestertown, Md.

**SOY BEANS FOR SEED**

I again have SPECIALLY CLEANED SOY BEANS FOR SALE.
These beans have proved their quality through large sales in Kent County for seed purposes. LIMITED SUPPLY.
J. D. MAXWELL,
Worton Manor Farm.
Phone Chestertown, 834-F21.

## BETTERTON BUSINESS MEN NEGOTIATE FOR PURCHASE OF CHESAPEAKE HOTEL

### *Plan Elaborate Improvements To Boardwalk And Beach*

A group of business men of Betterton, headed by Messrs. Clarence Newsome, Paul Stokes and Charles Brice have completed arrangement for the purchase of the Chesapeake Hotel in that town from Mr. Henry Plant and plan to have it open on May 30th fo. the summer season.

This group of business men are planning elaborate improvements to the boardwalk and beach along the bay front which greatly add to the attractiveness of the resort.

The beach from the Ericsson Pier to the Casino Pier is being cleared and graded, the small wharf will be torn down so as to give a wide clear bathing beach in front of this hotel property.

Work will start Monday on the construction of an elevated board walk 12 feet wide along this beach and will be of a height so as to allow passge under it.

This improvement will enable this Kent County town to compete in bathing and boardwalk facilities with ocean resorts.

The season will officially open the week-end of Decoration Day and it is expected that much of the improvement will be cmopleted by that time. The widening of the bath beach and the new boardwalk wil make Betterton one of the most desirable Eastern Shore bay resorts.

**Equipping Fire Department**

The Betterton Fire Department is now equipped with a pumper and 500 feet of hose. An additional 1000 feet of hose is expected to arrive next week which will give ample fire protection to the entire bay shore part of the town.

A 350 gallon water tank has been placed on the fire truck which with the use of a booster system affords protection to other parts of the town and surrounding sections of the county.

## AUTO FATALITIES STILL ON DECREASE

### *Pedestrians Lead In Death Rate*

The monthly report of the Safety Department of the Commissioner of Motor Vehicles discloses that the first four (4) months of thsi year show fifty-six (56) less deaths than the corresponding period of (1937), as the tabulation below will indicate, a decrease of thirty-one (31) percent:

| | 1937 | 1938 |
|---|---|---|
| January | 67 | 36 |
| February | 37 | 26 |
| March | 45 | 30 |
| April | 29 | 30 |
| Total | 178 | 122 |

Although the total number of fatalities for this year is less than last, the month of April, 1938, had one more death than April of 1937. Most of the pedestrians met their death "Crossing between intersections", and crossing at intersection against traffic signal. Since the first of the year, pedestrain deaths seem to predominate. In my opinion, said Mr. Rudy, "in a large number of cases, the pedestrian does not realize that he can step into the path of a motor vehicle much quicker than that motor vehicle can stop."

According to our summary, sixteen (16) or fifty-three (53) percent were pedestrians, three (3) or ten (10) percent were bicyclists, six (6) or twenty (20) percent were passengers, and five (5) or seventeen (17) percent were the operators themselves. Most of the accidents continue to occur on dry, striaght roads, and between intersetions, on clear days and during the hours of darkness, and Saturday had the highest number of nine (9). Passenger cars with apparently no defects head the list, with operating too fast for conditions, in addition to other violations by the operators, who in a majority of the cases were White, in normal condition, bewteen the ages of 30 to 39 with five (5) years or more experience, and a resident of the Counties. There were two (2) Hit and Run cases during the month of April.

Baltimore City is charged with six (6) deaths, with twenty-four (24) deaths occurring in the counties. Kent County had no fatalities during the month of April.

## TOWN DRESSED UP FOR CELEBRATING CHESTERTOWN DAY

### *Annual Affair To Be Held Today*

Chestertown is all dressed up for the annual observance of Old Chestertown Day which will be held this afternoon.

Chestertown, being among the oldest towns in the country has much to offer in the way of old homes and historical relics.

The tour will include twenty-two placse of interest including old homes, gardens, churches.

Washington College, whose history dates back to colonial days will also be open to inspection. Although it has kept up to the times in educational facilities it still maintains the charm of the days when it was a pioneer in education in Maryland.

The affair today is under the auspices of the Woman's Literary Club with the Kent County Historical Society cooperating. The proceeds from the tickets sold will be used for the benefit of the Chestertown Public Library. A combination ticket will admit visitors to all of the 22 points of interest.

A large group of vistors from the West Shore, Pennsylvana and Delaware are expected n town today.

## Crippled Children's Clinic Monday

The Kent County Health Department annuonces that their semi-annual Crippled Children's Conference will be held at the Health Center in Chestertown Monday, May 16, 1938. Dr. Harry L. Rogers, specialist in orthopedics at Kernans, will conduct the clinic with the aid of his assistants.

## KENT SCHOOLS IN ATHLETIC EVENTS HERE ON RALLY DAY

### *Rain Fails To Dampen Spirit Of Athletics*

High and elementary school children from all parts of Kent County gathered at Kibler field, Washington College on Tuesday for the annual observance of Rally Day and although the weather was unsettled and a shower fell at noon the program was carried out as planned.

Chestertown won the greatest number of points due to the size of the school, although the other schools in the county made an excellent showing.

The summary of the athletic events follow:

| Place | School | Points |
|---|---|---|
| 1 | Chestertown H. S. | 156½ |
| 2 | Rock Hall H. S. | 102½ |
| 3 | Millington H. S. | 62 |
| 4 | Galena H. S. | 40 |
| 1 | Chestertown Elem. | 146 |
| 2 | Rock Hall Elem. | 49½ |
| 3 | Worton | 33 |
| 4 | Millington | 31¾ |
| 5 | Galena | 20 |
| 6 | Piney Neck | 16 |
| 7 | Still Pond | 12 |
| 8 | Fairlee | 8 |
| 9 | Massey | 6¾ |
| 10 | Betterton | 5 |
| 11 | Kennedyville | 3 |
| 12 | Chesterville | 2 |

(Continued on page 3)

## R. O. WRIGHT MAKES REPORT OF KENT COUNTY HOSPITAL

### *Shows Instiution To Be In Excellent Condition*

In order that the public and my friends will understand the financial standing of the Kent and Upper Queen Annes General Hospital, Inc., at the the time of my resignation from the management of the hosptial, I herewith submit the following financial statement as of May 13, 1938.

| | |
|---|---|
| Notes in bank | $1,000.00 |
| Bill Murray Baumgartnar & Co. | 1000.00 |
| J. Purden Wright | 285.00 |
| Bills ordered paid | 208.71 |
| Total | $2,493.71 |
| President's Balance on hand | $ 814.25 |
| Balance in General Fund | 413.79 |
| New Wing Fund | 900.00 |
| Cash On Hand | 305.92 |
| Total | $2,451.96 |
| Inventory of Material on Hand of medicine, linen and accessories | $1,185.90 |

A complete audit will appear next week.

It was necessary when the hospital was started to borrow $4000 and go in debt for instruments and equipment approximately $3000. In the period which I served as president, approximately three and one-half years, we have paid all indebtedness and money borrowed with the exception of $2000 and have increased the net worth from $15,400 to $29,555.36. At the time of my resignation from the hospital there was a new road being built from the hospital to Washington Ave. via Brown Street, there was material on the grounds for the completion of this road, there were six acres of ground plowed and ready for seeding in alfalfa, also plans made for plowing and seeding the lawn in grass. I would like to state that it was not due to the selection of someone else as president over me that I resigned from the board of directors, but due to the manner in which the election was conducted. Before my election for the last two years I had asked that the directors elect some one else as president due to the fact that I was having to devote too much of my time to the hospital. It was only by the wholehearted support of the people of Kent and Upper Queen Anne's counties that this institution was able to show such progress, for which support, I wish to thank each and every one who has helped me in this great work for the good of humanity.

R. OLIVER WRIGHT.

## GUEST ARTIST AT SPRING CONCERT NEXT WEDNESDAY

### *Virginia Sellars To Sing At College May 19th*

Miss Virginia Sellers, soprano of Washington, D. C., will again be the soloist at the annual spring concert of the Washington College Glee Clubs under the direction of Raymond Moffett on Thursday evening, May 19th at 8.15 p. m.

Miss Sellers comes to Chestertown for her third appearance, her first having been at the Methodist Episcopal Church three years ago under the auspices of the By-Kota club. Since then she has become a member of the Columbia Grand Opera Company, singing with this organization in Washington and Baltimore, and also singing this season in New York.

In Maryland she has been soloist at Western Maryland College in the "Messiah" by Handel, and "The Creation" by Haydn; at St. John's College and is closing her season with her appearance at Washington College. She is the soprano soloist at the Third Church of Christ, Scientist in Baltimore. Archie Eaton will be at the piano for Miss Sellers. Mr. Eaton has appeared on the William Smith Hall stage as soloist and accompanist on everal other occasions. He is a teacher at the Peabody.

Miss Louise Russell will accompany the Glee Clubs.

Mr. Moffett has arranged a most interesting choral program for the occasion.

## ALL ON SALE BEER LICENSES REFUSED IN STILL POND

### *Hearings Held In Chestertown Monday*

All applications for the renewal of on-sale beer licenses in the town of Still Pond were refused by the State Liquor Board following a hearing held here on Monday of this week.

The little Court House was crowded to overflowing on Monday when the hearing on your applications was held.

The protests of three applications in Still Pond were heard first with the result that the application of Jervis store for renewal of an on-sale beer license was refused following the protests of a large group of residents of that town.

The application of Mr. Morris Bramble for the same type of license was withdrawn by Mr. Bramble.

The off-sale liquor and beer license of Mr. Earl Thompson was renewed.

Following these Still Pond hearings the application of Mr. E. Scott Thompson for the transfer of his off-sale liquor and beer license from his present location in Chestertown to the W. C. A. Thompson store property which he recently purchased was heard. The transfer was opposed by a group of citizens residing near that property, lead by Mr. Hope Hudson and Councilman Virgil Kendall. Mr. Thompson presented a petition carrying the names of a group of residents in that section favoring the transfer. The Board on Wednesday granted the application for the transfer and Mr. Thompson moved to the new location on Thursday.

## ODDS AND ENDS FROM C. H. S.

By Margaret Anne Moore

Now that Rally Day is over maybe the pupils of C. H. S. can get down to lessons. Last week and the first two days of this one, were filled with excitement. Most pupils had bad cases of "jitters". Now nearly all of them have bad colds or windburn and sunburn combined. Last Tuesday at the College, we had all types of weather that May can give, I believe. In the early morning, there was a hot sun and a growing breeze. This breeze blew up several spits of rain, then a heavy shower that cleared the field of people about noon. This was the cause of most colds, as many people were soaked. But, between the wind and sun, they dried quickly. That wind was cold, and most of the girls wore shorts.

The C. H. S. girls showed that they could really run. The 50 yard dash was won by Thelma Crew, one of our Freshmen. We're going to hear more about that girl—she ran the 50 yards in 6.4 sec. The 220 yd. relay was won by our first team. This consisted of Helen Marie Culver, starter, Ruth MacVean, 2nd, Francis Harris, 3rd, and Margaret Ann Brice, last. The time these girls spent in practicing passing the stick proved valuable then. That was where the 2nd team fell down—they finished fourth.

To the C. H. S. boys go the honors of winning Boys' Volley Ball. The girl's tied with Galena for 3rd place in Girls' Volley, with Rock Hall second and Millington, first.

Boys' Speed Ball and Girls' Touchdown Pass were both won by Rock Hall. This is the first time in four years that the C. H. S. girls have lost Touchdown Pass. I have an idea that the honors will be gotten back next year—the present freshmen made a fine showing this year, and should help to make a winning team next year.

The boys made a fine showing in running, too. It looks as if the track behind the school is proving itself valuable. They won all the track events except the 100 yd. dash. Our man came in a very close second in that too.
